

In regard to reintegration and integration, Guatemala is still in the process of implementing State programmes and projects. However, the following progress has been made:

- ❖ Developing legislation on trafficking in persons, in accordance with guiding principles such as the “Life Project”.
- ❖ Strengthening a strategy to address the issue of unaccompanied boys, girls and adolescents which allows the institutions to provide them with immediate assistance and detection of unreported cases of repatriation of minors. It also facilitates the provision and monitoring of basic services needed to provide comprehensive and personalized care based on the reintegration and prevention of irregular migration of this vulnerable sector of the migrant population.

Quiet Genocide
Etelles Higonnet, 2017-09-08 Quiet Genocide reviews the legal and historical case that genocide occurred in Guatemala in 1981-1983 It includes the full text of the genocide section of a United Nations sponsored Commission on Historical Clarification in Guatemala CEH brokered by the UN In its final report the CEH's rigorously reviewed abuses throughout the whole country However the memory of the Guatemalan dirty war which predated the genocide and continued for over a decade of the heightened killing has rapidly faded from international awareness The book renders a historical picture of the 1948 Genocide Convention and its unique status in international law It reminds readers of the difficulty of preventing and punishing genocide as illustrated by the ongoing tragedy of Darfur and discusses the evolution of international and hybrid tribunals to prosecute genocide along with war crimes and crimes against humanity Then it sketches a brief history of Guatemala with a focus on genocide It explores how internal and global politics were an expression of structural violence
