The Tragedy of Bleiburg and Viktring, 1945 Florian Rulitz, 2016-03-07 The atrocities and mass murders committed by Josip Broz Tito's Partisan units of the Yugoslav Army immediately after the Second World War had no place in the conscience of Socialist Yugoslavia More than once the annual Croatian commemoration of the Bleiburg victims was subject to attacks carried out by the socialist Yugoslav state Abroad in the West on Austrian soil the Yugoslav secret service UDBA did not shy away from murdering the protagonist of the Croatian memory culture Nicola Martinovic as late as 1975 The official history was aligned with a firm interpretational paradigm that called for a glorification of the anti fascist people's liberation resistance With the breakup of Yugoslavia and its socialist regime in 1991 the identity establishing accounts of contemporary witnesses which had mainly been cherished in exile circles abroad increasingly reached public awareness in Croatia and Slovenia In the 1990s Croatia witnessed the emergence of a memory that had been suppressed by the socialist Yugoslav regime namely the Bleiburg tragedy The situation in Slovenia was similar in terms of identity and remembrance culture Among the Slovenes the communist crimes committed during the turmoil are known as the drama of Viktring or the Viktring tragedy named after the largest refugee camp of the Slovenes Reports on the communist postwar crimes and on the countless discoveries of mass gravesites have also begun circulating in the media of the German speaking world in the last few years Florian Rulitz's meticulously researched book now available for the first time in English provides a corrective to the historical memory that had been

previously accepted as truth Rulitz focuses on two essential questions First did the so called final encirclement battles indeed occur in Carinthia in the Ferlach Hollenburg Viktring and Dravograd Poljana Bleiburg areas resulting in military victories for the Yugoslav Army Second were the battles after the capitulation fought by the refugees with the aim of reaching the British controlled areas in Carinthia To answer these questions Rulitz presents a detailed reconstruction of those days in May 1945 He furthermore considers the question of the murders on Austrian territory which were hushed up in Partisan literature and presented as casualties of the final military operations This groundbreaking study will interest scholars and students of modern European history *The History of the Galician Division of the Waffen SS* Michael James Melnyk,2017-05-26 The second volume of the definitive history of the 14th Waffen Grenadier Division der SS Ukrainische Nr 1 The lavishly illustrated concluding volume of the division s history features chapters on its reformation deployment against Communist backed partisans in Slovakia the forced march to Slovenia anti partisan action against Tito s partisans in Slovenia and its committal for the final time on the Eastern Front against the Red Army in Austria It concludes with an investigation into the Division s escape from repatriation a subject which has long been the subject of contention amongst historians This volume also deals with internment and ends with its unique post war fate including new information about the secret role of MI6 in training former members of the Division for secret espionage activities behind the Iron Curtain Drawing on an unsurpassed collection of material accumulated over decades of research the author offers unique photographic sections on all aspects of the Divisions history including uniform details together with much hitherto unseen material featuring recent document discoveries new veteran testimonies and detailed information on every aspect of the Division *Tito and the Rise and Fall of Yugoslavia* Richard West,2012-11-15 Few figures have dominated a nation s destiny as much as Marshal Tito of former Yugoslavia For nearly thirty years he held together mutually hostile religious groups in a deeply divided country but his death in 1980 rekindled centuries old hatreds and by 1992 Yugoslavia ceased to exist In this revealing biography Richard West questions the full impact of Tito s reign of power and his implicit responsibility for the ensuing violent bloody war in Bosnia Excellent I recommend his book for those who already know about Yugoslavia and want food for thought about the future David Owen Sunday Times Admirable Carefully researched and extremely readable Literary Review A passionate book in which West s historical sense is interlaced with his own very intimate knowledge of Yugoslavia from the late 1940s on and of the poignancy of subsequent events Fergus Pyle Irish Times Masterly Glasgow Herald **Supermac** D R Thorpe,2010-09-09 Great grandson of a crofter and son in law of a Duke Harold Macmillan 1894 1986 was both complex as a person and influential as a politician Marked by terrible experiences in the trenches in the First World War and by his work as an MP during the Depression he was a Tory rebel an outspoken backbencher opposing the economic policies of the 1930s and the appeasement policies of his own government Churchill gave him responsibility during the Second World War with executive command as Viceroy of the Mediterranean After the War in opposition Macmillan was one of the principal reformers of the

undertake the responsibility of binding the wounds of an entire continent Groundbreaking and remarkably relevant to conflicts that continue to plague peacekeeping efforts *The Long Road Home* tells the epic story of how millions redefined the notion of home amid painstaking recovery

Prisoners of War Bob Moore, 2022-04-14 The Second World War between the European Axis powers and the Allies saw more than twenty million soldiers taken as prisoners of war While this total is inflated by the unconditional surrender of all German forces in Europe on 8 May 1945 it nonetheless highlights the fact that captivity was one of the most common experiences for all those in uniform even more common than frontline service Despite this and the huge literature on so many aspects of the war prisoner of war histories have remained a separate and sometimes isolated element in the wider national chronicles of the conflict constructed in the post war era Prisoners of every nationality had their own narratives of military service and captivity While it is impossible to encompass their collective histories let alone the individual experiences of all twenty million prisoners in a single volume Bob Moore uses a series of case studies to highlight the key elements involved and to introduce analyse and refine some of the major debates that have arisen in the existing historiography The study is divided into three broad sections captivity in Eastern and Western Europe during the war itself comparative studies of specific categories of prisoners and the repatriation and reintegration of prisoners after the war

Croatia Under Ante Pavelic Robert B. McCormick, 2014-09-23 Ante Pavelic was the leader of the fascist party of Croatia the Usta e who on Adolf Hitler's instruction became the leader of Croatia after the Nazi invasion of 1941 Pavelic was an extreme Croatian nationalist who believed that the Serbian people were an inferior race he would preside over a genocide that ultimately killed an estimated 390 000 Serbs during World War II *Croatia under Ante Pavelic* provides the full history of this period with a special focus on the United States role in the post war settlement Drawing on previously unpublished documents Robert McCormick argues that President Harry S Truman's Cold War priorities meant that Pavelic was never made to answer for his crimes Today the Usta e remains difficult legacy within Croatian society partly as a result of Pavelic's political life in exile in South America This is a new account of US foreign policy towards one of the Second World War's most brutal dictators and is an essential contribution to

Iraq or of any other state International law does however provide a set of norms either agreed to by individual states through the ratification of or accession to a treaty or b which apply to all states by the operation of customary international law and other secondary sources This book determines these norms in order to judge the manner in which individual states recognized the binding nature of them in the conduct of their operations The contributors include lawyers from each of the three British armed services **The Literary Review** ,1990 **Pure Soldiers Or Sinister Legion** Sol Littman,2003

Between 1950 and 1955 thousands of veterans from the notorious German led Ukrainian 14th Waffen SS Galicia Division emigrated to North America with the full consent of the governments despite immigration regulations in force at the time that forbade entry to all who served in any branch of the SS The Jewish community fought a brief but futile battle to persuade those governments to deny them entry denouncing them as a sinister legion of bloodthirsty murderers war criminals who had engaged in the mass murder of thousands of innocent civilians On the other hand a well organized body of Division supporters insisted there was nothing sinister or murderous about the young men who had volunteered to serve in its ranks They declared them exceptional soldiers who obeyed the international rules of war praised them for being dedicated soldiers who harbored no hatred for Jews guarded no concentration camps and committed no crimes against humanity At issue then was the nature of the Division and its war record Were they pure soldiers as many of their supporters contended or were they to use Daniel Goldhagen's phrase among Hitler's willing executioners Pure Soldiers or Bloodthirsty Murderers traces the 14th Waffen SS Galicia Division's fortunes from its formation in April 1943 to its surrender to the British in May 1946 from immigrant farm workers in Britain Canada and the USA to Cold War CIA assassins Along the way it attempts to shed some light on this acrimonious dispute that has continued to the present day Sol Littman is former Canadian Director of the Simon Wiesenthal Center author of War Criminal on Trial founding editor of The Canadian Jewish News the First Director of B'nai Brith Canada's League for Human Rights and also served with the Anti Defamation League in the United States
