Nationalists to mediate the differences between Britain and Egypt and prevent a British invasion of Egypt It highlights what amounted to a government cover up of the actions of certain governmental officials to precipitate the invasion by falsifying intelligence information and manipulating the press It also takes to task the scholarly tradition of maligning Blunt and questioning the accuracy of his version of the events of 1882 Blunt was branded a traitor in the House of Commons This book was written to set the record straight It is ideal reading for those interested in the field of Middle Eastern Imperial or Colonial history and will provide readers with a better understanding of the real story of imperialism that went on at the time and is still going on in the Middle East today *British Museum Catalogue of printed Books* ,1893 **University Library Bulletin** Cambridge University Library,1890 [The British Library General Catalogue of Printed Books 1976 to 1982](#) British Library,1983 **Flora Of Eastern Saudi Arabia** James P.
