Research on Socialization of Young Children in the Nordic Countries Berit Elgaard, Ole Langsted, Dion Sommer, 1989 [International Handbook of Child Care Policies and Programs](#) Moncrieff Cochran, 1993-04-22 This reference offers a comprehensive overview of public policies and programs related to child care in Africa Asia Latin America Oceania Europe and North America Individual chapters profile policies and programs in 29 countries Each chapter contains a description of existing policies and programs presented against a particular historical cultural and ideological backdrop The chapters are arranged in alphabetical order to facilitate use as a reference and each includes a list of works for further reading The volume begins with an introductory essay that overviews recent trends and developments around the world The chapters that follow discuss the background and history of child care demographic characteristics of the country profiled the socioeconomic context of child care and the extent and nature of government intervention A final chapter synthesizes the information presented and makes crossnational comparisons of policies and programs Appendices provide demographic data and describe maternity and parental leave policies A general bibliography concludes the work making it a useful and current reference tool *An Ecological Approach To the Study of Child Care* Miriam K. Rosenthal, 2014-05-22 A new type of childhood is experienced these days by many children in industrial societies that provide child care services The studies summarized in this book stem from a conceptual model based on an ecological approach to the study of development The family day care system in Israel is presented as a case study for the discussion of issues derived from this conceptual model issues which are of central concern to the investigation of child care in any society This book establishes how historical and socio economic processes influence the values and goals set by the society for its children and its social policy concerning child care service are interpreted by parents and early childhood educators relate to different definitions of quality care Unique in its integrative analysis of the daily experiences of infants and toddlers in family day care this volume examines cultural and social policy issues family background and parental beliefs caregiver s background and beliefs the nature of the child care environment and the child s personal characteristics Its theoretical and applied orientation is important to researchers interested in the study of out of home care for young children as well as educators developmental psychologists sociologists and social workers interested in the study of environmental influences on the child development The ecological model and the applied implications of the study are of special relevance to practitioners in the field of early childhood

Childhood and Disability in the Nordic Countries R. Traustadóttir, B. Ytterhus, S. Egilson, B. Berg, 2015-05-05 This collection provides a comprehensive insight into disabled children and youth in Nordic countries It seeks to understand the experiences of children from their own perspectives and takes a multidisciplinary approach grounded in the new social studies of childhood and the Nordic relational approach to disability *Nordic Dialogues on Children and Families* Susanne Garvis, Elin Eriksen Ødegaard, 2017-07-20 This book brings together key authors from the Nordic countries Sweden Finland

Norway Denmark and Iceland to discuss theoretical and empirical research on families and children Sharing the Nordic perspective from each of the five countries the book highlights key ideas within and across the countries The chapters provide an understanding of the history of the Nordic perspectives of family and children present current innovative research on solutions to complex issues and explore contemporary issues Nordic countries continually attain high scores in lifestyle measures quality of life and children s outcomes Much of this has to do with the specific culture and policy of the Nordic countries Written by academics within the region who are well regarded for contributing to academic and public debate this book will appeal to an international audience interested in the Nordic perspective and social policy around family and children

Understanding Children's Development Anne B. Smith,Keith Ballard,1998 This fully revised and updated edition of a fundamental New Zealand psychology text examines how and why children develop and how they are influenced by the people and events in their lives Discussed are theories of development and learning the importance of early experience intelligence and assessment and the family The development of social behavior gender roles language and thinking are also covered The question of mainstreaming the integration of children with special educational needs into regular preschools and classrooms is also debated There is a strong emphasis on local conditions and the New Zealand historical and social context This new edition addresses the important issue of giving children themselves a voice in order to better understand their development and to involve them in decisions about their lives

Growing Up in Affiliation with a Religious Community Arniika Kuusisto, **Child Perspectives and Children's Perspectives in Theory and Practice**

Dion Sommer,Ingrid Pramling Samuelsson,Karsten Hundeide,2009-12-24 Recent decades have seen a growing emphasis in a number of professional contexts on acknowledging and acting on the views of children This trend was given added weight by the UN Convention on the Rights of the Child ratified in 1990 Today seeking the perspective of the child has become an essential process in all sorts of tasks from framing new legislation to regulating professions This book answers the fundamental question of what it is that constitutes a child perspective and how this might differ from the perspectives of children themselves The answers to such questions have important implications for building progressive and developmental adult child relationships However theoretical and empirical treatments of child perspectives and children s perspectives are very diverse and idiosyncratic and the standard reference work has yet to be written Thus this work is an attempt to fill the gap in the literature by searching for and defining key formulations of potential child perspectives within parts of the so called new child paradigm This has been derived from childhood sociology contextual relational developmental psychology interpretative humanistic psychology and developmental pedagogy The highly experienced authors develop a comprehensive professional child perspective paradigm that integrates recent theory and empirical child research With its clear presentation of underlying theories and suggested applications this book illustrates a child oriented understanding of specific relevance to both child care and preschool educational practice
