Governance of Intellectual Property Rights in China and Europe Nari Lee, Niklas Bruun, Mingde Li, 2016-01-29 Intellectual property IP law has been widely discussed in recent scholarship though many recent works explore the topic from a largely descriptive perspective This book provides an analytical and comparative study of Chinese and European IP law as well as an analysis of system reforms in China The book highlights in three parts intellectual property for innovation and creativity in China comparing concepts and norms in Chinese and European IP law and governance of practices and IP enforcement Demonstrating that the governance of IP rights requires the adoption of a

set of norms the contributors also argue that success is dependent on a transformation of the perspectives and implementation Students and scholars of IP law and Chinese IP law in particular will find this book to be a valuable resource to their work It will also be of interest to IP practitioners looking for an insight into system reforms in China
