Research Reference Service And Resources For The Study Of Africa:

Research, Reference Service, and Resources for the Study of Africa Deborah Lafond, Gretchen Walsh, 2013-04-15 Experts present proven methods and techniques for studying about or in Africa Research Reference Services and Resources for the Study of Africa helps you steer clear of washouts cave ins and dead ends on the road to successful research on or in Africa This one of a kind research guide presents practical solutions to frequently occurring problems in the study of Africa including Internet accessibility problems errors that will affect a known item search the imposition of colonial legacy and dealing with gender and class bias Unlike most references on Africa that concentrate on collection development this unique book focuses on the study of Africa making it a must have for academic librarians Africanist scholars and Africana librarians Specialists generalist librarians and end users all depend on tools designed to provide access to information in libraries and on the web including OPACs databases and search engines In this book these tools research methods and the accessibility of information on Africa are examined offering students and professionals a thorough guide to the most successful researching route Research Reference Services and Resources for the Study of Africa provides assistance in the research process according to a variety of categories including evaluating OPACs and similar databases for known item searching using keywords subject headings bias indexing full text searching terminology cataloguing user centered information services and other search strategies to find what you are looking for using Internet resources to your advantage using the partnerships between the U S and African libraries and scholarly institutions to help improve information access using techniques for reference librarians to act as a force increasing women s roles in the study of Africa and much more Research Reference Services and Resources for the Study of Africa offers all the information necessary to avoid research hang ups that affect the study of Africa and the necessary information to pass these skills on to students

Research, Reference Service, and Resources for the Study of Africa Deborah Lafond, Gretchen Walsh, 2013-04-15 Experts present proven methods and techniques for studying about or in Africa Research Reference Services and Resources for the Study of Africa helps you steer clear of washouts cave ins and dead ends on the road to successful research on or in Africa This one of a kind research guide presents practical solutions to frequently occurring problems in the study of Africa including Internet accessibility problems errors that will affect a known item search the imposition of colonial legacy and dealing with gender and class bias Unlike most references on Africa that concentrate on collection development this unique book focuses on the study of Africa making it a must have for academic librarians Africanist scholars and Africana librarians Specialists generalist librarians and end users all depend on tools designed to provide access to information in libraries and on the web including OPACs databases and search engines In this book these tools research methods and the accessibility of information on Africa are examined offering students and professionals a thorough guide to the most successful researching route Research Reference Services and Resources for the Study of Africa provides assistance in the research process according to a variety of categories

including evaluating OPACs and similar databases for known item searching using keywords subject headings bias indexing full text searching terminology cataloguing user centered information services and other search strategies to find what you are looking for using Internet resources to your advantage using the partnerships between the U S and African libraries and scholarly institutions to help improve information access using techniques for reference librarians to act as a force increasing women s roles in the study of Africa and much more Research Reference Services and Resources for the Study of Africa offers all the information necessary to avoid research hang ups that affect the study of Africa and the necessary information to pass these skills on to students

Research, Reference Service, and Resources for the Study of Africa Deborah M. LaFond, Gretchen Walsh, 2004 Unlike most reference books on Africa that concentrate on collection development this book focuses on the study of Africa presenting practical solutions to problems such as Internet accessibility problems the imposition of colonial legacy dealing with gender class bias

The African Studies Companion Hans Zell, 2021-11-15 Published in dual print and electronic formats this is a new edition of a much acclaimed reference source that brings together a wide range of sources of information in the African studies field covering both print and electronic sources It evaluates the best online resources the major general reference tools in print format current bibliographies and indexing services biographical cartographic statistical and economic resources as well as film and video resources Additionally there are separate sections on African studies library collections and repositories throughout the world a directory of over 250 African studies journals listings of news sources profiles of publishers active in the African studies field dealers and distributors of African studies materials African studies societies and associations major African and international organizations donor agencies and foundations awards and prizes in African studies electronic mailing lists and discussion forums and more

Building Area Studies Collections Dan C. Hazen, James H. Spohrer, 2007 These essays by noted Area Studies specialists at a number of US research libraries serve as a practical and theoretical guide to university and college administrators library directors and heads of collection development as well as selection practitioners who work to create foreign language collections for research libraries The volume constitutes a general introduction for new practitioners and even the most experienced Area Studies librarians will find useful practical advice for reviewing and refining their existing collecting practices Coverage includes East Asia Latin America Southeast Asia Africa South Asia and the Romance language areas of Europe as well as the German Nordic Netherlandic countries Each essay presents the Area Studies topic in question from an historical perspective and provides background on its present status and anticipated future development Special emphasis is placed on the techniques of both print and digital collecting and on the assessment methods by which collection strengths and future needs are determined Guidelines for expenditures for both collections and collateral activities such as providing access and preservation are provided and contributors also supply extensive documentation for the burgeoning array of online digital resources which have emerged in the past decade The volume editors Dan C Hazen Harvard and James

H Spohrer University of California Berkeley also provide a general introduction to the topic and a detailed summary of current cooperative activities in Area Studies collecting Relationships Between Teaching Faculty and Teaching Librarians Linda S Katz, 2014-05-22 Every librarian who teaches in an academic library setting understands the complexities involved in partnering with teaching faculty Relationships Between Teaching Faculty and Teaching Librarians recounts the efforts of librarians and faculty working together in disciplines across the board to create and sustain connections crucial to the success of library instruction This unique collection of essays examines various types of partnerships between librarians and faculty networking coordination and collaboration and addresses the big issues involved including teaching within an academic discipline the intricacies of assigning grades faculty perceptions of library instruction and the changing role of the reference librarian Education is the main focus of reference service in today s academic libraries and librarians teach a variety of single session course related course integrated or credit bearing courses in nearly every discipline Relationships Between Teaching Faculty and Teaching Librarians reflects the experiences of librarians teaching faculty and library directors whose perspectives range from cynicism to cautious optimism to idealism when it comes to working with teaching faculty The book includes case studies surveys sample questionnaires statistics and a toolkit for establishing an effective library liaison program and examines the teaching and learning environment course growth and maintenance and the professor librarian model Relationships Between Teaching Faculty and Teaching Librarians presents lessons learned from seeking a common ground including a successful faculty librarian collaboration for educational psychology and counseling a library research project for freshman engineering students a semester by semester look at a collaboratively taught graduate research and writing course a survey that determines how librarians and library directors feel about teaching outside the library an analysis of librarians attitudes toward faculty an analysis of attitudes that influence faculty collaboration in library instruction a look at innovative methods of increasing the teaching roles of librarians and much more The Middle States Commission on Higher Education MSA CHE has mandated that information literacy be included as part of a general education requirement If your faculty wasn t calling for library instruction before the mandate it probably is now Relationships Between Teaching Faculty and Teaching Librarians will help librarians establish communication with faculty that provides a solid foundation for coursework in all disciplines *The Changing Face of Government Information* Suhasini L. Kumar, 2013-10-28 Learn what innovative changes lie in the future of government information The Changing Face of Government Information comprehensively examines the way government documents librarians acquire provide access and provide reference services in the new electronic environment Noted experts discuss the impact electronic materials have had on the Government Printing Office GPO the reference services within the Federal Depository Library Program FDLP and the new opportunities in the transition from paper based information policy to an electronic e government This source reveals the latest changes in the field of government documents librarianship and the knowledge and expertise needed to teach

users how to access what they need from this enormous wealth of government information Major changes have taken place in the way government information is created disseminated accessed and preserved The Changing Face of Government Information explains in detail the tremendous change taking place in libraries and government documents librarianship Topics include the increasing accessibility to the federally funded technical report literature information on the Patriot Act s effect on the status of libraries in the aftermath of 9 11 the uses of Documents Data Miner and information about catalogs indexes and full text databases This book also provides a selective bibliography of print and electronic sources about Native Americans and the Federal Government as well as specific sources for information about the environment such as EPA air data DOE energy information information on flora and fauna hazardous waste land use and water Each chapter is extensively referenced and several chapters use appendixes tables and charts to ensure understanding of data This useful book gives readers the opportunity to learn how the University of Oregon successfully integrated its business reference service and map collection into its government documents collection the results of a survey of FDLP institutions identifying the factors contributing to the reorganization of services details of the pilot project undertaken by the University of Arizona Library along with the United States Government Printing Office s Library Programs Service to create a model for a virtual depository library which critical features are missing in today s e government reference service models details of the GPO s plans to provide perpetual access to both electronic and tangible information resources and the strategies to authenticate government publications on the Internet The Changing Face of Government Information is stimulating horizon expanding reading for librarians professors students and researchers [Library & Information Science Abstracts](#) ,2008 **Resources in Education** ,2001-10 **A Directory of Information Resources in the United States** National Referral Center (U.S.),1973 *Handbook of American Resources for African Studies* Peter Duignan,1967 **A Directory of Information Resources in the United States** ,1973 **Library of Congress Subject Headings** Library of Congress,2011 **Library of Congress Subject Headings** Library of Congress.
