Sean Scully. Catalogo della mostra (Bologna, 1996). Ediz. italiana e inglese Sean Scully, Danilo Eccher, 1996 Photographs by Sean Scully Edited by Danilo Eccher **Sean Scully** Sean Scully, Tiffany Bell, 2009 Throughout his critically acclaimed 30 year career Irish American artist Sean Scully has invigorated abstract painting with an enduring investigation of its ability to convey universal truths about the human condition Both recalling and demystifying Modernist traditions Scully employs a deceptively reductive vocabulary horizontal and vertical bands of colour and the interplay of light and shadow draw in and envelop the viewer In the contrasts between colours whose boundaries meet with precision and restraint Scully communicates a duality of harmony and fracture mirroring the vulnerability of human relationships This superbly illustrated volume brings together a collection of 22 of Scully's recent oil paintings including works from the Wall of Light and Robe series alongside a number of watercolours and drawings subtle compositions that both complement and underscore the larger works Artist File Sean Scully, 1970 **Sean Scully** Sean Scully, 2006 Sean Scully born 1945 is one of the leading painters of our time His successful career has been built on an apparently simple recipe of abstract painted stripes and bars in muted colours which despite their apparent simplicity and serenity offer unsettlingly complex possibilities His paintings are exhibited and collected by many major museums throughout the world from Canberra to Washington D C This book brings together Scully's own writings for the first time and presents them alongside superb reproductions of the artist's

paintings The collection reveals Scully's sense of his position within modern painting and his understanding of and response to the artists whom he most admires He discusses the circumstances that led him to become a painter and outlines and expands on many of the themes that have engaged his art for the past twenty years BOOK JACKET
