Dewey,2012-01-10 What if everything you heard was wrong There are countless theories and discussions about Jesus of Nazareth Critics of Christianity usually discount the Gospel records and discount the claims of Jesus being the unique Son of God They insist that Jesus was a failed revolutionary a misguided carpenter or a myth created by his followers What if it was true The Gospel record tells a radically different story In it Jesus boldly proclaims himself to be deity the Son of God and announces that his life was not just for inspiration but for a distinct purpose Is it true Find out for yourself in Dr Jon Dewey s new book **The Search for the Biblical Jesus** You never need doubt again **Searching For Jesus** Rev. Abraham Howard Jr.,Abraham Howard,2011-02 SEARCHING FOR JESUS IS EVERYTHING YOU THOUGHT YOU KNEW ABOUT HIM IS EVERYTHING THAT YOU DON T KNOW ABOUT HIM AND IS EVERYTHING YOU WILL LEARN ABOUT HIM This book is not about how Jesus Christ fulfilled scripture prophecies or how many miracles he performed or an explanation of his parables But rather it is about his physical presence throughout the Holy Bible from Genesis to Revelation and how he interacted with the people and their life stories It is designed with intertwining scriptures and commentary to highlight his presence The proof of this study will be your conclusion of the whole matter My prayers are with you as you launch out into the deep Rev ABRAHAM HOWARD JR P S THIS BOOK WILL TAKE YOU WHERE ONLY A FEW HAVE VENTURED TO GO **In Search of the Kingdom** Obeya Michael Obeya,2020-09-04 Do you find yourself in conflict between reason and faith The author published this book in 2020 to help answer deeper questions about Faith Religion and Society Anyone can read this book regardless of your religion and learn something new about the Christian Faith The preface has a brief synopsis of the author s own physical and spiritual development and goes on to describe the history of religion pointing out a uniformity in the origin of all religions You will discover that the origin of the Nile River in central Africa is the beginning of the history of organized religion Even the so called origin of civilization Egypt looked continuously toward the south to the Twa for the performance of certain rituals that only the Twa could perform The author shows that all religions and their ceremonies were foreshadowing the coming of a Messiah This Messiah is Jesus Christ Using evidence from science and social sciences the author quotes extensively from scripture to show that Jesus is the Christ as expected in all religions and among all peoples This book provides you with a starting point for diving deeper into an intimate relationship with God This book is perfect for skeptics critics of the Christian Faith and faithful believers in Jesus Christ Regardless of your perspective on Religion you will learn something that will inspire you You will want to keep this as a reference book for your future Bible studies In Search of Marie-Antoinette in the 1930s T. Austrian biographer Stefan Zweig American producer Irving Thalberg and Canadian American actress Norma Shearer as they attempt to uncover personal aspects of Marie Antoinette's life at the French court in the late eighteenth century and to dramatize them in biography cinema and performance for public consumption during the 1930s The first chapter establishes the core subject as an inquiry into the respective contributions of Zweig Thalberg and Shearer in formulating an objective or authentic image of Marie Antoinette The three chapters that follow examine in some detail how Zweig pursued research and drafted the psychological biography at his Salzburg home Thalberg acquired film rights to the best selling book and fought the censors to preserve the more sensational aspects of the screenplay at the Culver City studio and Shearer worked closely with a new producer to give the script a strong romantic angle and to perform the character of the queen on the sound stage The professionals research standards and strategic objectives are weighed in the formulation of a new myth at once sensitive to the historical record and suited to the leisure market

Search Without Idols W. Horosz, 2012-12-06 Search Without Idols is a study of human transcendence in the context of human striving projecting surpassing overcoming This power is central to man's search for wholeness Such transcendence makes reality tolerable It provides us with an impressive array of human responses which enable us to cope But it also provides the excesses that go beyond human striving Nothing seems to be off limits to this ubiquitous power Such a state of surpassing limits is what we find in the relation between the human search for wholeness and the quest for external totalities which lies beyond the human context Such soaring flights beyond the capacity of human striving are hard to control impossible to show responsibility for and beyond the reach of criteria The reach exceeds both our grasp and our control Transcendence then is a greatly used and much abused human power Its activities have never ceased to amaze me its excesses have always troubled me even from the beginning of my studies This book is not an exercise in self clarification I have some thoughts on the matter which I wish to share with the reader Perhaps we can mutually appreciate the great gift without compromising our sanity Part I will provide a new look at the meaning of transcendence
