expand our knowledge of the past often revealing firsthand experiences that have been excluded from the historical record This book does not intend to be a general social history of the working class Rather it is a work of memory drawing upon a microhistory methodology to examine how a sample of one hundred working class autobiographers remembered and wrote about living through years that were punctuated by two worldwide conflicts and a global economic depression [Tourism](#) Adrian Franklin,2003-04-03 R sum disponible l adresse **Beside the Seaside: Seaside Holidays Then and Now** Clare Hibbert,2018-01-16 Seaside Holidays Then and Now compares what it would have been like to go on holiday to the seaside in the past with modern seaside holidays today Readers are encouraged to explore what has changed and what has stayed the same including the places we stay beach activities and the clothes we wear The Beside the Seaside series looks at specific aspects of daily life by the sea whether examining plant and animal habitats exploring the various jobs people do looking at types of buildings and structures or comparing a holiday by the sea in the past and present day An essential set of books for learning about all aspects of the seaside and a perfect teaching tool for Key Stage 1 [Greenings Baches and Holiday Homes to Rent 2009](#) Mark Greening,Elizabeth Greening,2008-09 Holiday homes baches and cribs are scattered throughout New Zealand Built in all kinds of locations shapes and sizes these retreats have always featured prominently in the cherished tradition of New Zealand Holidays Many of these homes are rented out by their owners when not in use Baches Holiday Homes to Rent has listings of hundreds of such homes throughout New Zealand and overseas each with information on location facilities tariff local attractions and a contact phone number [Primary Curriculum - Teaching the Foundation Subjects](#) Rosemary Boys,Elaine Spink,2008-06-15 This textbook focuses on how to teach the foundation curriculum subjects effectively to the 5 11 age group by focusing upon the underlying principles of teaching each area Covering all manner of good practice including planning teaching assessment and evaluation along with principles and practice cross curricular links and out of school teaching and learning A one stop resource for trainees and Newly Qualified Teachers for developing their teaching skills within the core areas of the National Curriculum This is also the companion book to Primary Curriculum Teaching the Core Subjects **Victorian Children** Steve Harrison,Jonathan Hewitt,1997-04-30 [The Making of English Popular Culture](#) John Storey,2016-05-20 The Making of English Popular Culture provides an account of the making of popular culture in the nineteenth century While a form of what we might describe as popular culture existed before this period John Storey has assembled a collection that demonstrates how what we now think of as popular culture first emerged as a result of the enormous changes that accompanied the industrial revolution Particularly significant are the technological changes that made the production of new forms of culture possible and the concentration of people in urban areas that created significant audiences for this new culture Consisting of fourteen original chapters that cover diverse topics ranging from seaside holidays and the invention of Christmas tradition to advertising music and popular fiction the collection aims to enhance our understanding of the relationship between culture and power as explored through areas such as race ethnicity
