Make Mine With Everything:

You Don't Know Everything, Jilly P! (Scholastic Gold) Alex Gino, 2018-09-25 Alex Gino the Lambda Literary Award winning author of *Melissa* is back with another sensitive tale based on increasingly relevant social justice issues. Jilly thinks she's figured out how life works. But when her sister Emma is born deaf, she realizes how much she still has to learn. The world is going to treat Jilly, who is white and hearing, differently from Emma, just as it will treat them both differently from their Black cousins. A big fantasy reader, Jilly makes a connection online with another fantasy fan, Derek, who is a Deaf Black ASL user. She goes to Derek for help with Emma but doesn't always know the best way or time to ask for it. As she and Derek meet in person, have some really fun conversations, and become friends, Jilly makes some mistakes but comes to understand that it's up to her, not Derek, to figure out how to do better next time, especially when she wants to be there for Derek the most. Within a world where kids like Derek and Emma aren't assured the same freedom or safety as kids like Jilly, Jilly is starting to learn all the things she doesn't know, and by doing that, she's also working to discover how to support her family and her friends. With *You Don't Know Everything, Jilly P!*, award-winning author Alex Gino uses their trademark humor, heart, and humanity to show readers how being open to difference can make you a better person and how being open to change can make you change in the best possible ways.

Hybrid's Redemption GeminiWrites, 2023-05-19 Danika Michaels, a powerful hybrid, was born into a world where her very existence made her an outcast. With her mother's death during childbirth, she became a pariah among her own family and pack. Subjected to abuse from her father and sister, her life was a constant torment. On her eighteenth birthday, Danika discovered her sister with her own mate and was consumed by rage. In a moment of desperation, she attempted to take her sister's life, which resulted in her arrest and imprisonment. Condemned to death, her execution required the approval of the Alpha King, Alonso Lockhart, having lost his mate to rogue wolves, had resigned himself to a life of solitude and grief. When he received a summons to oversee the execution of a young girl who had attacked her sister, he felt an inexplicable pull to go. Little did he know that this journey would bring him face to face with his second chance at love. It was an unexpected twist of fate, but witnessing Danika's suffering compelled him to intervene, seeking justice for her tormentors and ultimately taking her under his protection. Thus began a tumultuous journey for these two tortured souls, each seeking redemption while battling the powerful bond that connected them. Secrets would unravel, challenging their belief in their fated union. It was up to them to overcome these obstacles and find solace in each other's arms, forging their own path towards a happily ever after.
