The Myth of Success and the Truth of Abundance Lisa Standeven, 2024-06-21 There has never been a better time to reconsider what really matters in life The pandemic presented us with a pause and an opportunity to re evaluate the values

that guide our lives Lisa Standeven used this time to reflect and share her newfound worldview captured in her new book *The Myth of Success and the Truth of Abundance* This book is a deep introspective dive into the typical milestones we set for ourselves and our loved ones Drawing upon her personal stories and the stories of those around her Lisa challenges the traditional definition of success and posits a new way to achieve abundance Each chapter offers an analysis of the common guideposts we use to measure our own levels of achievement Conventional accomplishments such as wealth position beauty and education are carefully examined from a new perspective and novel strategies to reimagine and recreate our lives anew are proposed This is a book that pushes the boundaries of typical belief systems and opens the reader to the possibility of living a life filled with joy flow and true abundance **Adolescent-Parent Schoolwork Conflicts** Ge Cao,Vicky C.

Tam,2025-11-28 Illuminating the intricate dynamics of adolescent parent conflicts over schoolwork this book provides a vivid and insightful examination of the educational difficulties experienced by contemporary Chinese families Drawing on interviews with 63 parents and adolescents Cao and Tam analyze their real life disagreements over schoolwork revealing how both generations understand reason about and resolve conflicts The authors provide a culturally sensitive analysis by exploring how Chinese values and the local education system shape these disputes Integrating social domain theory and self determination theory the book traces the development of adolescent autonomy amid family tensions around schoolwork Rich with authentic stories this book paves a way forward for fostering healthier relationships and supporting adolescent growth Essential reading for scholars in developmental psychology and family sociology this volume also provides valuable insights for family therapists parental educators and parents seeking to deepen their understanding of effective parenting practices
