Making Choices In Sexuality

**Gavin Fairbairn, Denis Rowley, Maggie
Bowen**

Making Choices In Sexuality:

Making Smart Choices about Sexual Activity Stephanie C. Perkins, 2008-01-15 Establishing one's identity is a huge part of being a teen. During the process of self-discovery, most teens are regularly faced with difficult decisions regarding dating, sexual activity, and abstinence. Too often in such cases, they are unprepared to make informed, responsible decisions. Objective and engaging, this title offers practical, realistic advice to help teens understand the consequences of the choices they make regarding their sexuality. *The Teenage Body Book* Kathy McCoy, Charles Wibbelsman, 1999 An updated manual for teenagers and their parents offers clear and comprehensive information about all aspects of mental and physical health for adolescents, discussing diets, sex, drugs, peer pressure, and much more. Original.

The Social Organization of Sexuality Edward O. Laumann, John H. Gagnon, Robert T. Michael, Stuart Michaels, 2000-12-15 New York Times Book Review Notable Book of the Year. The Social Organization of Sexuality reports the complete results of the nation's most comprehensive representative survey of sexual practices in the general adult population of the United States. This highly detailed portrait of sex in America and its social context and implications has established a new and original scientific orientation to the study of sexual behavior.

Sexuality, Learning Difficulties and Doing What's Right Gavin Fairbairn, Denis Rowley, Maggie Bowen, 2013-10-31 This book has resulted from the author's awareness of the difficulties that professionals and parents face in accepting the sexuality of the people with learning disabilities with whom they live and work. It has been written at a time when discussion of such difficulties and awareness of the prevalence of the sexual abuse of people with learning disabilities is becoming more and more common. Though they are difficult and distasteful at times, this analysis is stimulating, provocative, and shocking.

Evidence-based Approaches to Sexuality Education James J. Ponzetti, Jr., 2015-09-16 This is the first book to provide a multidisciplinary and global overview of evidence-based sexuality education (SE) programs and practices. Readers are introduced to the fundamentals of creating effective programs to prepare them to design new or implement existing programs that promote healthy sexual attitudes and relationships. Noted contributors from various disciplines critically evaluate evidence-based programs from around the globe and through the lifespan. Examples and discussion questions encourage application of the material. Guidance for those who wish to design, implement, and evaluate SE programs in various social contexts is provided. Each chapter follows a consistent structure so readers can easily compare programs. Learning Goals, Introduction, Conclusion, Key Points, Discussion Questions, and Additional Resources. The editor taught human sexuality and family life education courses for years. This book reviews the key information that his students needed to become competent professionals. Highlights of the book's coverage include: Interdisciplinary, comprehensive summary of evidence-based SE programs in one volume; Prepares readers for professional practice as a Certified Family Life Educator (CFLE) or sex educator by highlighting the fundamentals of developing and implementing SE programs; Exposes readers to evidence-based SE programs from various social contexts, including families, schools, communities, and religious

institutions Considers the developmental context of SE across the lifespan along with programs for LGBT individuals and persons with disabilities Critically reviews SE programs from around the world including the US Europe Asia Africa Latin America and other developing countries The book opens with an historical overview Part I focus on general frameworks of sexuality education including UNESCO s International Technical Guidelines How to develop deliver and implement evidence based SE programs including ethical concerns are explored in Part II Part III exposes readers to evidence based programs in various social contexts families schools communities and religious institutions Part IV considers the developmental context of SE from early childhood through adolescence and adulthood along with programs for LGBT individuals and persons with disabilities Part V examines diverse global contexts from the US Latin America Europe Asia Africa and other developing countries The book concludes with future trends and directions Ideal for graduate or advanced undergraduate courses in sex education sexual health human sexuality sex or marriage counseling intimate relationships family life education or home school and community services taught in human development and family studies psychology social work health education nursing education and religion and in seminaries and family clinics the book also serves as a resource for practitioners counselors researchers clergy members and policy makers interested in evidence based SE programs or those seeking to become CFLEs or sexuality educators

Sexuality and Serious Mental Illness Peter F Buckley, 2013-05-13 Reflecting current understanding of the complexities of sexual activity among persons with chronic mental illness the text draws upon the collective wisdom and experience of experts from a variety of settings Clinicians advocates consumers researchers legal experts and administrators all contribute to document the concerns about sexual behavior and the consequent health risks for this at risk population The research presented here is particularly timely in view of recent emphases on patient choice recovery and advocacy and can be used to provide guidance to clinicians mental health administrators policymakers advocates and researchers

Making Sense of Child Sexual Exploitation Sophie Hallett, 2017-03-29 Providing fresh insight into child sexual exploitation CSE this book uses the voices of children and young people who have experienced sexual exploitation and the practitioners who have worked with them to challenge the dominant discourse around CSE

Healthy Sexuality: A Values Based Approach Managing Healthy Relationships in a Sexualized World Sandra Larson, MSW, LCSW, Kathy Daniels Ockey, MSW, LCSW, 2022-08-29 Healthy Sexuality is a long neglected area of learning that is needed for the growth required to be a healthy happy and well adjusted adult Frequently formal education on healthy sexuality is completely lacking especially in a values based context What values do you equate with sexuality Are the ideas presented in popular culture reflective of those values Understanding the physical emotional social intellectual spiritual and legal consequences is valuable in making informed decisions Concepts such as choice and accountability self control and intimacy will increase the knowledge of adolescents which can empower them with confidence as they make informed decisions about their sexual concerns They will be better prepared to make the decisions that are right for

them before they are in a situation where they could be pressured or it is hard to think Confronting the myths and effects of sexual abuse can help recognize the effects acknowledge the struggle of healing offer hope and increase compassion to those that have been affected whether directly or indirectly Pondering the information and questions in Healthy Sexuality A ValuesaEURBased Approach to Managing Relationships in a Sexualized World will aid adolescents along with parents educators counselors treatment providers etc to enhance needed conversations and the quality of relationships Information is power *Making Healthy Decisions on Family Life* B. S. C. S. Staff,2000-07

The Cambridge Handbook of Sexual Development Sharon Lamb,Jen Gilbert,2018-12-20 The Cambridge Handbook of Sexual Development is a carefully curated conversation that brings together the top researchers in child and adolescent sexual development to redefine the issues conflicts and debates in the field The Handbook is organized around three foundational questions first what is sexual development Second how do we study sexual development And third what roles might adults including the institutions of the media family and education play in the sexual development of children and adolescents As the first of its kind this collection integrates work from sociology psychology anthropology history education cultural studies and allied fields Writing from different disciplinary traditions and about a range of international contexts the contributors explore the role of sexuality in children s and adolescents everyday experiences of identity family school neighborhood religion and popular media *The Parents' Guide to Psychological First Aid* Gerald P. Koocher,Annette M. La Greca,Olivia Moorehead-Slaughter,Nadja N. Lopez,2024 The Parents Guide to Psychological First Aid brings together an array of experts to offer parental guidance in helping your child navigate and recover from the everyday stresses they will encounter growing up Clear practical and to the point this is a go to reference that parents will find themselves returning to again and again as their children grow With practical tips nonjudgmental advice and suggestions for additional resources at the end of each chapter this useful and thought provoking book will be of immense value to new and seasoned parents alike *The Professional's Guide to Sexuality Consultation* James Wadley,2024-01-15 This book offers support and guidance to sexuality professionals who are looking at different strategies to progress their careers accounting for all the diverse jobs they can take on or create Bringing together contributions from the field of sexology business and marriage and family therapy James C Wadley combines elements of sexuality business development and entrepreneurship to help therapists consider their professional options Chapters address topics such how to navigate consultative opportunities in sex education clinical work counseling coaching supervision research non profit and for profit entities volunteer experiences and in academic settings Professional contributions offer practical advice as well as personal reflections with insights ranging from obtaining consultative positions to starting one s own business and using social media effectively Sexuality educators counselors therapists healers advocates activists researchers policy makers workers and other consultants will find this book invaluable when navigating new ideas and professional paths they can take within the field

Perfectionism and Contemporary Feminist Values Kimberly A.

Yuracko,2003-02-26 Although formal barriers to women s social and political participation have crumbled society remains to a significant degree gendered in the roles that women and men play Women s and men s choices regarding work and family are largely responsible for maintaining and reinforcing the differences While feminists recognize the need to criticize women s choices too often they focus on restrictive conditions rather than the choices themselves Kimberly A Yuracko argues instead that encouraging women to make choices in accordance with a grounded and well defined conception of perfectionism a philosophy concerned with human flourishing is the most effective way to redress persistent gender inequality To this end Yuracko seeks not only to expose the perfectionism underlying current choice critiques but to articulate a concrete set of feminist perfectionist principles that would improve the quality of individual women s lives and improve the social standing of women as a whole

How to Handle Peer Pressure About Sex Leticia Gus,2025-07-20 How to Handle Peer Pressure About Sex Own your choices Stand your ground Navigate teenage peer pressure with confidence and clarity Sexual pressure among teens is more common than you think but so are the tools to resist it This essential guide equips teenagers with the knowledge self esteem and communication skills needed to navigate the complicated world of peer pressure around sex Whether the pressure is direct subtle or digital this book empowers you to stay true to your values and make decisions on your own terms Inside you ll learn Why peer pressure is so strong during adolescence and how to recognize it Myths vs reality what the data actually says about teen sexual activity Self esteem building strategies to help resist external pressure How to identify your personal values and set healthy boundaries Practical communication techniques for saying no without guilt Real life stories from teens who navigated pressure successfully How to handle pushback retaliation or digital shaming Dealing with mixed feelings like guilt shame or second guessing Where to find supportive allies resources and confidential help This is not just a guide about sex it s a guide about self respect autonomy and making choices that reflect who you truly are Perfect for teens parents educators and counselors who want to encourage informed and empowered decisions

Sexuality Education Theory And Practice Clint E. Bruess,Dean Emeritus University of Alabama at Birmingham Professor Emeritus Birmingham-Southern College Clint E Bruess,Elizabeth Schroeder,2013-05-30 Sexuality Education prepares students planning to be sexuality educators and administrators as well as seasoned teaching professionals seeking current information and successful methods for teaching elementary secondary and college students about sexuality with confidence Sexuality Education Theory and Practice strikes a balance between content and instructional strategies that help students assess their own attitudes and knowledge of human sexuality Emphasizing that sex education is an integral part of a comprehensive health education program the text is ideal for helping students from a variety of backgrounds teach sexuality to learners of all ages

Ethics, Sexual Orientation, and Choices about Children Timothy F. Murphy,2012-10-05 A critical review of the debate over the still hypothetical possibility of prenatal intervention by parents to select the sexual orientation of their children Parents routinely turn to prenatal testing to screen for genetic or chromosomal disorders or to learn their

child's sex What if they could use similar prenatal interventions to learn or change their child's sexual orientation Bioethicists have debated the moral implications of this still hypothetical possibility for several decades Some commentators fear that any scientific efforts to understand the origins of homosexuality could mean the end of gay and lesbian people if parents shy away from having homosexual children Others defend parents' rights to choose the traits of their children in general and see no reason to treat sexual orientation differently In this book Timothy Murphy traces the controversy over prenatal selection of sexual orientation offering a critical review of the literature and presenting his own argument in favor of parents' reproductive liberty Arguing against commentators who want to restrict the scientific study of sexual orientation or technologies that emerge from that study Murphy proposes a defense of parents' right to choose This he argues is the only view that helps protect children from hurtful family environments that is consistent with the increasing powers of prenatal interventions and that respects human futures as something other than accidents of the genetic lottery

Sex Workers in the Maritimes Talk Back Leslie Ann Jeffrey, Gayle MacDonald, 2011-11-01 Sex workers are often the objects of study for academics and policy makers Theories about their lives and the policies that affect their work are usually developed without input from the sex workers themselves as they are rarely seen as capable of analyzing the social and political world in which they work In this book however sex workers set the tone Leslie Ann Jeffrey and Gayle MacDonald interview sex workers in three Maritime cities and those who work around them police health care providers community workers advocates members of neighbourhood associations and politicians The sex workers discuss such issues as violence and safety health and risk politics and policy media influence and public perception of the trade portraying the best and the worst facets of their working lives and expressing sentiments refreshingly at odds with commonly held opinions Given recent Parliamentary recommendations to decriminalize prostitution **Sex Workers in the Maritimes Talk Back** represents a timely shift to public discussions about sex work Engaging and accessible this book will be of interest to public policy practitioners students of social and political science community advocates police and sex workers and their families

The Role of Theory in Sex Research John Bancroft, 2000 Attempting to bridge the epistemological gaps between positivist and postmodern approaches to theoretical models of sexual behavior this book brings together essays and discussion by scholars representing a range of viewpoints and contrasting theoretical approaches The essays examine four areas sexuality through the life cycle sexual orientation individual differences in sexual risk taking and adolescent sexual behavior

Sexuality Education Clint E. Bruess, Jerrold S. Greenberg, 2004 Sexuality Education Theory and Practice Fourth Edition is designed to prepare future sexuality educators and administrators as well as seasoned teachers about sexuality and also aims to clarify the false assumptions related to sexuality education This one of a kind resource provides comprehensive coverage of information and issues related to sexuality education and the skills needed to prepare sexuality educators

Sex Without Apology REIGNS KING, **Sex Without Apology** A Guide to Sexual Liberation Ready to break free from sexual shame and reclaim your authentic

desires This life changing guide will transform how you think about your body your sexuality and your right to pleasure What if you could finally Silence your inner critic about your body and desires Communicate your sexual needs without fear or embarrassment Experience pleasure without guilt shame or anxiety Set boundaries that protect your energy and authentic self Embrace your fantasies and desires as completely normal You deserve a sex life free from judgment including your own YOU LL LEARN HOW TO Identify and heal from inherited sexual shame and trauma Develop unshakeable body confidence during intimate moments Navigate consent culture with clarity and personal agency Explore your desires safely without crossing your values Communicate boundaries without explanation or guilt Handle sexual rejection and disappointment gracefully Create sex positive relationships that support your growth Use technology for intimacy while maintaining safety Bridge cultural and generational communication gaps Maintain sexual authenticity in long term relationships PERFECT FOR YOU IF You re tired of feeling ashamed about your natural desires You want to improve sexual communication in your relationship You re ready to heal from past sexual trauma or negative conditioning You want to explore your sexuality safely and ethically You re seeking body positivity and self acceptance You want to raise sexually healthy children You re a therapist coach or educator working in sexual wellness WHY THIS BOOK IS DIFFERENT Unlike other sexuality books that focus solely on technique Sex Without Apology addresses the psychological and emotional barriers that prevent authentic sexual expression This comprehensive guide combines Evidence based psychology and trauma informed approaches Body positive philosophy that celebrates all bodies and desires Practical communication tools you can use immediately Boundary setting strategies that protect your energy Step by step healing processes for overcoming sexual shame
