Religious Telescope ,1906 Too Busy with Busyness to Hear God Roy D. Beaird,2004 In light of September 11 2001 we have all come to realize that our world can change in the blink of an eye In a time of tragedy we tend to turn to the Spiritual and God It is sometimes frustrating to find that in our most desperate hour we find no solace because we do not recognize His voice It is to our detriment that we have allowed our busyness to replace a developed relationship with God The church of today is attempting to accommodate entertain and retain people rather than providing real answers to real problems I believe that this is why the church has not progressed to a greater degree toward the mark of Gloriousness which Jesus foretold Why The church of this age is so BUSY with the BUSYNESS OF DOING we cannot hear what God is saying We have become Human doings rather than Human beings We have lost the art of LISTENING as well as the courage to simply

DO what God is DOING and SAY what God is SAYING Two household chores washing and ironing depict what I m speaking of in a remarkable manner How do you remove spots and wrinkles from clothing Washing and ironing But since the art of doing laundry is a thing of the past we miss this analogy How do you remove wrinkles from clothing You iron them out What is ironing It is the application of heat and pressure which smoothes out the wrinkles As we move this into the human arena we are confronted with vehement resistance We do not like heat or pressure We live in a push button society and a microwave world Everything is instant God instructed Israel during the wilderness journey to not erect permanent structures Why They were simply passing through to their ultimate destination They dwelled in temporary structures and did not amass hordes of things or obligations in life Many of us are stuck where we are today because we have allowed ourselves to become overly encumbered by possessions and obligations We are so enslaved to this world that we can neither hear God nor follow Him completely It is God s desire to take each believer into His laundry room and prepare us for service He wants us to realize that just because we are busy at religious things it does not mean that we are spiritual We need to learn the four causes of burnout and avoid them It is imperative that we develop Ears to Hear in our relationship with God As we learn the secret of relationship and God s provisions through His covenant we will find restoration to what He designed us to be It is my desire to see each person free from the bondage of performance so they can enjoy the freedom of relationship
