Making Marriage Work Rob Pascale, Louis H. Primavera, 2016-02-23 Staying happily married has become a difficult proposition in recent times Although the institution is still firmly embedded in our culture divorce rates have steadily climbed since the 1960s While some marriages are truly divorce worthy many other broken marriages can be saved Recent emphasis on personal needs and greater social acceptance of divorce and alternative lifestyles may have weakened the resolve of partners to work through their problems Furthermore many couples may not realize that problems in their current marriages are likely to surface in other relationships Consequently while they may consider divorce a solution it may in fact only be a stepping stone to the next relationship where patterns may repeat Solving marital differences can be difficult They tend to be linked to or caused by other problems and that can make it hard to identify the real reasons for conflicts Without knowing the true nature of their problems couples cannot arrive at solutions that actually work To understand the underlying issues that

plague many marriages the authors look to the research conducted on the subject over the past fifty years and to real life stories of success and failure to outline the major issues that detract from marital stability Drawing on Louis Primavera's twenty five years in private practice as a marriage counselor each chapter is peppered with anecdotes that every married person can relate to and that help bring issues to life The authors also propose frank and honest solutions that can help couples have more satisfying relationships Anyone looking to improve their marriage will find suggestions for sussing out the underlying problems they may be experiencing and guidance for addressing those problems *Making Marriage Work* Lynn Toler, 2012-08-07 Solid advice for newlyweds golden anniversary celebrants and everybody in between from the Marriage Boot Camp and former Divorce Court star The Augusta Chronicle As the judge starring on two hit television shows Lynn Toler has witnessed en masse the thematic mistakes made in American marriages She herself has also been wed for more than 30 years and has seen both the highs and lows of matrimony in her own marriage as well as the marriages of those close to her Drawing from both her professional career and personal life Toler sees that the biggest impediment to marriage these days is that couples decide to take the plunge based almost entirely on the most irrational criteria falling in love Making Marriage Work doesn't suggest that love has nothing to do with marriage at all rather Toler says that love by itself is simply not enough to make marriages survive Marriage Toler says is a job and it needs to be treated like one This updated manual suggests specific procedures that should be put in place to bridge the gap between head over heels and happily ever after It explains how to phrase things in order to span the great hormonal divide men and women often fall into when trying to talk to one another It also discusses the very new and real challenges to marriage created in a culture often overwhelmed by the emphasis on and ability to attain instant gratification Replete with simple no nonsense rules Divorce Court anecdotes and stories about Judge Toler's own union Making Marriage Work contains invaluable information couples can use today to secure their marital tomorrow *Making Marriage Work* Joyce Meyer, 2009-02-28 Previously published as Help Me I'm Married Making Marriage Work offers Joyce's insights on how to make a marriage succeed thrive and bless the lives of entire families Joyce shares with married couples how God can transform a marriage Whether newly wed happily married in a marriage crisis or just in a relationship rut Joyce's principles will help energize and revitalize a relationship Discover how to Take the focus off yourself and your spouse and look to the Lord Unleash powerful truths from God's Word for you and your marriage Understand the opposite sex Overcome roadblocks to a triumphant marriage Live successfully with an insecure person Create peace and order in your heart and in your home Joyce's practical how to advice will guide couples along the path to releasing God's power on their lives and in their marriage Making Marriage Work Kristin Celello, 2009-02-01 By the end of World War I the skyrocketing divorce rate in the United States had generated a deep seated anxiety about marriage This fear drove middle class couples to seek advice both professional and popular in order to strengthen their relationships In Making Marriage Work historian Kristin Celello offers an insightful and wide ranging account of marriage

and divorce in America in the twentieth century focusing on the development of the idea of marriage as work Throughout Celello illuminates the interaction of marriage and divorce over the century and reveals how the idea that marriage requires work became part of Americans collective consciousness

The Seven Principles for Making Marriage Work John Gottman, PhD, Nan Silver, 2015-05-05 NEW YORK TIMES BESTSELLER Over a million copies sold An eminently practical guide to an emotionally intelligent and long lasting marriage Daniel Goleman author of Emotional Intelligence The Seven Principles for Making Marriage Work has revolutionized the way we understand repair and strengthen marriages John Gottman s unprecedented study of couples over a period of years has allowed him to observe the habits that can make and break a marriage Here is the culmination of that work the seven principles that guide couples on a path toward a harmonious and long lasting relationship Straightforward yet profound these principles teach partners new approaches for resolving conflicts creating new common ground and achieving greater levels of intimacy Gottman offers strategies and resources to help couples collaborate more effectively to resolve any problem whether dealing with issues related to sex money religion work family or anything else Packed with new exercises and the latest research out of the esteemed Gottman Institute this revised edition of The Seven Principles for Making Marriage Work is the definitive guide for anyone who wants their relationship to attain its highest potential

The Seven Principles for Making Marriage Work John Gottman, Ph.D., 2002-02-04 Just as Masters and Johnson were pioneers in the study of human sexuality so Dr John Gottman has revolutionized the study of marriage As a professor of psychology at the University of Washington and the founder and director of the Seattle Marital and Family Institute he has studied the habits of married couples in unprecedented detail over the course of many years His findings and his heavily attended workshops have already turned around thousands of faltering marriages This book is the culmination of his life s work the seven principles that guide couples on the path toward a harmonious and long lasting relationship Straightforward in their approach yet profound in their effect these principles teach partners new and startling strategies for making their marriage work Gottman helps couples focus on each other on paying attention to the small day to day moments that strung together make up the heart and soul of any relationship Being thoughtful about ordinary matters provides spouses with a solid foundation for resolving conflict when it does occur and finding strategies for living with those issues that cannot be resolved Packed with questionnaires and exercises whose effectiveness has been proven in Dr Gottman s workshops The Seven Principles for Making Marriage Work is the definitive guide for anyone who wants their relationship to attain its highest potential The Seven Principles for Making Marriage Work is the result of Dr John Gottman s many years of closely observing thousands of marriages This kind of longitudinal research has never been done before Based on his findings he has culled seven principles essential to the success of any marriage Maintain a love map Foster fondness and admiration Turn toward instead of away Accept influence Solve solvable conflicts Cope with conflicts you can t resolve Create shared meaning Dr Gottman s unique questionnaires and exercises will guide

couples on the road to revitalizing their marriage or making a strong one even better

Working with Offenders who

Live The Life You Love At 50+: A Handbook For Career And Life Success Smedley, Keren, 2013-04-01 Life and business coach Keren Smedley shows you how to define your personal life vision and reach your dreams with ease

Healthy Living Tips for Dummies Tamara Shelline Castleman, 2000 *Marriage with Meaning* Rabbi Daniel

Young, 2010-12-27 The importance of premarital counseling has grown more and more apparent in recent years As a result it is imperative that couples are provided a supportive environment in which they can probe challenging topics together Based on the belief that a couples focus in the weeks and months leading up to marriage should be on laying the foundation for a successful and meaningful life together *Marriage with Meaning* focuses on key components that lead to marital happiness and satisfaction A sensitive guide appropriate for Jewish couples interfaith couples and same sex couples *Marriage with Meaning* will help any couple enjoy a full and rich relationship that will last a lifetime Rabbi Young provides a thoughtfully researched and sensitively written work featuring enduring wisdom and practical advice for both couples entering marriage as well as the clergy counseling them Rabbi Lauren Kurland *Marriage* is not about a day it is the quintessential most important decision of our lives If a small fraction of the energy time and money that goes into planning a wedding were a part of the strategic plan for marriage couples could find themselves better prepared for the realities of long term relationships and commitments This book provides the foundational building blocks for consciously and proactively developing a marriage that is strong and durable Giving this book as a gift is like giving a manual for the care and treatment of the relationship

Every couple should have a copy as part of their tool kit for a fulfilling life together Jeffrey F Spar Ph D Psychologist and Executive Coach **Creating Your Perfect Family Size** Alan Singer,2011-05-03 Answers to one of the most important decision a family can make This groundbreaking book offers answers to crucial questions that have a large impact on family success and well being The author has been researching and treating couples for more than twenty years addressing such critical issues as When should you have kids How many and why Can you afford a family What s the best interval between children s birth in a family How does your work life influence how many kids to have What s the impact of divorce remarriage and blended families on the decision to have more kids How does your family of origin ethnicity race culture and sexual preference influence the choices you have regarding these questions of number and spacing of childbirths Filled with common sense advice for the dilemmas most couples grapple with when starting a family Based on solid research from a noted family therapist Alan Singer has appeared on the Fox Morning News and MSNBC as well as being quoted in USA Today and The Huffington Post Invaluable and fascinating the book includes a wealth of self tests that helps individuals to customize their own decision making based on their unique background and current situation **30-Something and the Clock Is Ticking** Kasey Edwards,2011-04-07 When Kasey Edwards discovers she ll be infertile within a year she is forced to bring the baby issue to the forefront of her mind In 30 Something and the Clock Is Ticking she explores what having a child would mean to her identity her career her body her relationships and her mental health Kasey speaks to people who have children and people who don t women who claim motherhood is the best thing they ve ever done and those who say it s the worst She discovers how the desire for a baby can drive people to the brink of insanity the logistical challenges of ovulating and trying to conceive on a longhaul flight the indignity and despair of IVF and the price of buying sperm on the Internet This witty memoir will make you laugh cry and ponder the joys and regrets of motherhood It will inspire you to tackle the baby issue head on and on your own terms rather than letting time denial and social pressures make the decision for you

Making Marriage User Friendly Russ Holloman Ph. D.,2012-05 Why are some marriages more successful more satisfying and more enduring than others The answer to this question is perhaps the most widely studied and best known part of our marriage and family therapy literature although arguably it is the least understood and certainly the least followed in terms of avoiding the pitfalls that lead to unsuccessful marriages What this book proposes as an answer to this question is the nearest thing we have to a manifesto for marriage and family living It provides us with a clear description of what married life should be like No words or ideas sum up the intention of this manifesto better or indicate more clearly its challenge to contemporary marriages than the words making marriage user friendly **The Book of Marriage** Dana Mack,David Blankenhorn,2001-03 Couples spend an enormous amount of time and energy planning for the perfect wedding But what about planning for the perfect marriage In these times of rampant divorce and relationship crises it makes sense to think seriously about the many challenges of married life that loom so large today The Book of Marriage offers a treasury of

marital wisdom from across the ages Intellectually engaging morally responsible and ideologically balanced this anthology gathers some of the deepest wittiest and most edifying perspectives on the big questions of married life Why get married at all Can love last a lifetime How do we handle money Who's the boss What about children Conflict Growing old Illness and death There is even a chapter on divorce one calculated to save a few marriages To date there has been no single comprehensive book of source readings on marriage and family life Assembled with the aid of noted scholars from various fields this volume treats marriage as more than just a relationship as an institution a vocation and a source of great spiritual and emotional rewards Each chapter introduces a different quandary of marriage and then culls the best from ancient and modern writings on the theme The compendium of cultural wisdom on marriage ranges from the Bible and Eastern wisdom to Aristotle St Augustine Maimonides and Judith Wallerstein from Homer Shakespeare Milton and Jane Austen to Edward Albee Gabriel Garc a M rquez and Bill Cosby An important resource for young adults college students engaged and married couples educators marriage counselors therapists pastors and other family professionals The Book of Marriage celebrates the diversity and essential humanity of the marital experience in a way that is accessible entertaining and eminently useful

Making Marriage Modern Christina Simmons, 2009-04-10 The nineteenth century middle class ideal of the married woman was of a chaste and diligent wife focused on being a loving mother with few needs or rights of her own The modern woman by contrast was partner to a new model of marriage one in which she and her husband formed a relationship based on greater sexual and psychological equality In *Making Marriage Modern* Christina Simmons narrates the development of this new companionate marriage ideal which took hold in the early twentieth century and prevailed in American society by the 1940s The first challenges to public reticence to discuss sexual relations between husbands and wives came from social hygiene reformers who advocated for a scientific but conservative sex education to combat prostitution and venereal disease A more radical group of feminists anarchists and bohemians opposed the Victorian model of marriage and even the institution of marriage Birth control advocates such as Emma Goldman and Margaret Sanger openly championed women's rights to acquire and use effective contraception The companionate marriage emerged from these efforts This marital ideal was characterized by greater emotional and sexuality intimacy for both men and women use of birth control to create smaller families and destigmatization of divorce in cases of failed unions Simmons examines what she calls the flapper marriage in which free spirited young wives enjoyed the early years of marriage postponing children and domesticity She looks at the feminist marriage in which women imagined greater equality between the sexes in domestic and paid work and sex And she explores the African American partnership marriage which often included wives employment and drew more heavily on the involvement of the community and extended family Finally she traces how these modern ideals of marriage were promoted in sexual advice literature and marriage manuals of the period Though male dominance persisted in companionate marriages Christina Simmons shows how they called for greater independence and satisfaction for women and a new female

heterosexuality By raising women's expectations of marriage the companionate ideal also contained within it the seeds of second wave feminists demands for transforming the institution into one of true equality between the sexes How Pop Culture Shapes the Stages of a Woman's Life Melissa Ames, Sarah Burcon, 2016-03-15 Contemporary popular culture has created a slew of stereotypical roles for girls and women to willingly or not play throughout their lives The Princess the Nymphette the Diva the Single Girl the Bridezilla the Tiger Mother the MILF the Cougar and more In this book Ames and Burcon investigate the role of cultural texts in gender socialization at specific pre-scripted stages of a woman's life from girls to the golden girls and how that instruction compounds over time By studying various texts toys magazines blogs tweets television shows Hollywood films novels and self help books they argue that popular culture exists as a type of funhouse mirror constantly distorting the real world conditions that exist for women magnifying the gendered expectations they face Despite the many problematic conflicting messages women receive throughout their lives this book also showcases the ways such messages are resisted allowing women to move past the blurry reality they broadcast and toward hopefully gender equality

When somebody should go to the book stores, search foundation by shop, shelf by shelf, it is in fact problematic. This is why we allow the ebook compilations in this website. It will certainly ease you to look guide **Making Marriage Work For Dummies** as you such as.
