[Routledge Handbook on the Green New Deal](#) Kyla Tienhaara,Joanna Robinson,2022-08-26 In recent years the Green New Deal has moved from relative obscurity to front and centre of policy discussions and public debates about how to respond to the climate crisis It has been credited with radically changing the nature of the conversation on climate change and with re energizing the environmental movement at a critical time All Green New Deal proposals share an emphasis on the need for governments rather than

markets to lead the energy transition However they differ in other respects This Handbook analyses the fundamentals underlying all Green New Deals as well as exploring national and regional variations It is divided into three parts The first part examines the political economy of the Green New Deal focussing not just on how proposals will be costed but also on opportunities for a fundamental transformation of both national economies and the global economic system The second part explores issues of justice which are central to many Green New Deal proposals including Indigenous rights racial and gender equity and justice for the Global South In the third part authors detail case studies of Green New Deal proposals and plans at the local national and regional level This book will be an invaluable research and reference volume for students and scholars in economics politics sociology geography and environmental studies It should also be of interest to those actively involved in climate and environmental policymaking

What Work Means Claudia Strauss, 2024-06-15 *What Work Means* goes beyond the stereotypes and captures the diverse ways Americans view work as a part of a good life Dispelling the notion of Americans as obsessive workaholics Claudia Strauss presents a more nuanced perspective While some live to work others prefer a diligent 9 to 5 work ethic that is conscientious but preserves time for other interests Her participants often enjoyed their jobs without making work the focus of their life These findings challenge laborist views of waged work as central to a good life as well as post work theories that treat work solely as exploitative and soul crushing Drawing upon the evocative stories of unemployed Americans from a wide range of occupations from day laborers to corporate managers both immigrant and native born Strauss explores how diverse Americans think about the place of work in a good life gendered meanings of breadwinning accepting financial support from family friends and the state and what the ever elusive American dream means to them By considering how unemployment experiences diverge from joblessness earlier *What Work Means* paves the way for a historically and culturally informed discussion of work meanings in a future of teleworking greater automation and

increasing nonstandard employment **Making Men, Making History** Peter Gossage, Robert Rutherford, 2018-05-01 What has it meant to be a man in Canada Alexander Ross fur trader Percy Nobbs architect fisherman fencer Andy Paull residential school survivor and athlete Yves Charbonneau jazz musician and commune member James black and gay in postwar Windsor Who were these men and how did they identify as masculine Populated with figures both well known and unknown Making Men Making History frames masculinity as a socially and historically constructed category of identity susceptible to variation across time place and social context This examination of historical Canadian masculinities reveals the dissonance between hegemonic ideals of manhood and masculinity and the everyday lives of men and boys The volume showcases some of the best new work in masculinity studies With an introduction that contextualizes the international origins of the field Making Men Making History is the first book to explore these themes entirely in Canadian historical settings *Making Politics Work* Paul T. Hill, Ashley E. Jochim, 2025-03-31 An expansive study shows how politics can work for not just against efforts to improve America's schools The education reform project has always been about making America's schools more effective for the children who attend them In Making Politics Work authors Paul T Hill and Ashley E Jochim show that this project cannot succeed without mastering what is the single largest constraint on its success politics Drawing upon more than a decade of work with dozens of school systems Hill and Jochim show how failures to secure political support or mitigate inevitable opposition dooms the education reform project from the start But this outcome is not inevitable By tracing the evolution of the portfolio strategy across 27 localities that implemented it they uncover practical lessons that superintendents state leaders and foundation officials can use to increase the likelihood that their ideas for improving public education don't join the list of once promising initiatives that could not be sustained in the face of intractable political conflict
