Making Americans Remaking America Immigration And Immigrant Policy:

Making Americans, Remaking America Louis DeSipio, Rodolfo O. de la Garza, 1998-03-20 In a historical overview of U S immigration the authors examine legislative and legal battles being waged over immigration policy whether minority issues can be resolved by developing a more explicit settlement policy and whether the contract between state and immigrant would change if we fully understood the immigrant s legitimate needs *U.S. Immigration in the Twenty-First Century* Louis DeSipio, Rodolfo O. de la Garza, 2015-02-17 A readable and comprehensive exploration of the history and the current issues surrounding U S immigration policy American Immigration James Ciment, John Radzilowski, 2015-03-17 Thoroughly revised and expanded this is the definitive reference on American immigration from both historic and contemporary perspectives It traces the scope and sweep of U S immigration from the earliest settlements to the present providing a comprehensive multidisciplinary approach to all aspects of this critically important subject Every major immigrant group and every era in U S history are fully documented and examined through detailed analysis of social legal political economic and demographic factors Hot topic issues and controversies from Amnesty to the U S Mexican Border are covered in depth Archival and contemporary photographs and illustrations further illuminate the information provided And dozens of charts and tables provide valuable statistics and comparative data both historic and current A special feature of this edition is the inclusion of more than 80 full text primary documents from 1787 to 2013 laws and treaties referenda Supreme Court cases historical articles and letters The Rhetorics of US Immigration E. Johanna Hartelius, 2015-11-10 In the current geopolitical climate in which unaccompanied children cross the border in record numbers and debates on the topic swing violently from pole to pole the subject of immigration demands innovative inquiry In *The Rhetorics of US Immigration* some of the most prominent and prolific scholars in immigration studies come together to discuss the many facets of immigration rhetoric in the United States *The Rhetorics of US Immigration* provides readers with an integrated sense of the rhetorical multiplicity circulating among and about immigrants Whereas extant literature on immigration rhetoric tends to focus on the media this work extends the conversation to the immigrants themselves among others A collection whose own eclecticism highlights the complexity of the issue *The Rhetorics of US Immigration* is not only a study in the language of immigration but also a frank discussion of who is doing the talking and what it means for the future From questions of activism authority and citizenship to the influence of Hollywood the LGBTQ community and the church *The Rhetorics of US Immigration* considers the myriad venues in which the American immigration question emerges and the interpretive framework suited to account for it Along with the editor the contributors are Claudia Anguiano Karma R Ch vez Terence Check Jay P Childers J David Cisneros Lisa M Corrigan D Robert DeChaine Anne Teresa Demo Dina Gavrilos Emily Ironside Christine Jasken Yazmin Lazcano Pry Michael Lechuga and Alessandra B Von Burg Latino Politics in America John A. García, 2011-09-29 Latinos constitute the fastest growing population in the United States today and Latino political participation is growing rapidly Still

Latino political power is not commensurate with the numbers and much potential remains to be tapped In Latino Politics in America author John A Garc a examines the development of this vibrant community and points the way toward a future of shared interests and coalitions among the diverse Latino subgroups This newly revised edition lays out the basic facts of Latino America who Latinos are where they come from where they reside and then connects these facts to political realities of immigration citizenship voting education organization and leadership Garc a s nuanced portrait of contemporary Latino political life first published in 2003 has been updated throughout to include data from the 2010 census and the 2008 and 2010 elections *Examining the Career Development Practices and Experiences of Immigrants* Keengwe, Jared, Kungu, Kenneth, 2020-12-18 There has been a marked increase in the number of immigrants worldwide However there is still limited research on immigrant experiences at work especially the challenges and opportunities they face as they navigate and re establish careers in new host countries *Examining the Career Development Practices and Experiences of Immigrants* is a comprehensive reference book that expands the understanding of career development issues faced by immigrants and explores organizational practices relevant to immigrant career development The book presents research on the challenges opportunities and outcomes immigrants face as they navigate new employment and career landscapes With coverage of such themes as career experience career identities and occupational downgrading this book offers an essential reference source for managers executives policymakers academicians researchers and students *Alambrista and the U.S.-Mexico Border* Nicholas John Cull, David Carrasco, 2004 The critically acclaimed 110 minute film *Alambrista* 1977 depicts the harsh realities of Mexican life on both sides of the border For this release a group of scholars has packaged a new director s cut of the film with a book of essays devoted to immigration and the U S Mexican borderlands and an enhanced CD of the sound track

Countervailing Forces in African-American Civic Activism, 1973-1994 Fredrick C. Harris, Valeria Sinclair-Chapman, Brian D. McKenzie, 2005-12-12 In this study assessing black civic participation after the civil rights movement Fredrick C Harris Valeria Sinclair Chapman and Brian D McKenzie demonstrate that the changes in black activism since the civil rights movement is characterized by a tug of war between black political power on one side and economic conditions in black communities on the other As blacks gain greater access and influence within the political system black participation in political activities increases while downward turns in the economic conditions of black communities produce less civic involvement in black communities Examining changes in black activism from the early 1970s to the 1990s this tug of war demonstrates that the quest for black political empowerment and the realities of economic and social life act as countervailing forces in which negative economic and social conditions in black communities weaken the capacity of blacks to organize so that their political voices can be heard **A Nation of Emigrants** David FitzGerald, 2008-12-02 What do governments do when much of their population simply gets up and walks away In Mexico and other migrant sending countries mass emigration prompts governments to negotiate a new social contract with their citizens abroad After decades

of failed efforts to control outflow the Mexican state now emphasizes voluntary ties dual nationality and rights over obligations In this groundbreaking book David Fitzgerald examines a region of Mexico whose citizens have been migrating to the United States for more than a century He finds that emigrant citizenship does not signal the decline of the nation state but does lead to a new form of citizenship and that bureaucratic efforts to manage emigration and its effects are based on the membership model of the Catholic Church

Awash In The Mainstream Rodolfo O. de la Garza, 2019-03-08 We would like to thank a number of campaign professionals and observers who shared their experiences and insights with us during and after the 1996 campaign Without these practical and nuanced insights we would not be able to present as complete a portrait of the election and the Latino contribution to its outcome Our thanks to Ronald Blackburn Moreno Rita Di Martino Maria Echaveste Charles Kamasaki Ken Mireles Norma Patif l o Lippe Jason Poblete Jorge Ramirez Margaret Ramos Nelson Reineri and Jonathan Tilove

Two Parties--or More? John F Bibby, 2019-05-20 Students of American government are faced with an enduring dilemma Why two parties Why has this system remained largely intact while around the world democracies support multiparty systems Should our two party system continue as we enter the new millennium This newly revised and updated edition of Two Parties Or More answers these questions by

Essentials Of American Politics David Mckay, 2018-06-27 *Essentials of American Politics* is an undergraduate text with a novel analytical and comparative focus It takes as a central theme the increasing tension in American politics between a general philosophy of limited government and particular public demands for more and better government programs and services While this has always been a feature of the American polity recent events have brought it into sharp focus Both a Republican Congress and Democratic president extol the virtues of less government but continue to grapple with demands for improved education health care transportation and almost every other area of social and economic life All praise the virtues of lower taxation and at the same time promise improvements in the quality of public services A similar tension applies in the courts in state politics and indeed throughout the system Recent successes such as a balanced budget have been achieved in part because the limited government philosophy has been on the ascendant and has won support from all shades of political opinion But conflicts over the distributional questions of who gets what has hardly subsided In few other democracies is this tension as well defined as in the United States and *Essentials* reminds readers of this fact through comparison with democratic processes in other countries and in particular with European countries *Essentials* weaves this theme into a discussion of American national politics Up to date and well organized chapters are devoted to beliefs and values the Constitution federalism Congress presidency the federal bureaucracy interest groups and the courts Policy chapters include economic social and foreign affairs In all chapters the analytical approach explains to students some of the main controversies in American political science At all times *Essentials* seeks to impart basic information on American politics in an analytical but stimulating manner Features Concise format of 17 chapters that cover institutions behavior and policy arenas Theme of American s general philosophy of

limited government versus our particular demands for expanded government programs and services Rich comparative examples Britain Canada and Mexico versus U S throughout the book s narrative "Can We All Get Along?" Paula D. McClain, Joseph Stewart Jr., 2013-07-16 In a nation built by immigrants and bedeviled by the history and legacy of slavery and discrimination how do we as Americans reconcile a commitment to equality and freedom with persistent inequality and discrimination And what can we do about it This widely acclaimed text by Paula D McClain with new coauthor Jessica D Johnson Carew provides a comprehensive and accessible overview of the historical and contemporary political experience of the major groups African Americans Latinos Asian Americans and American Indians in the United States It explores the similarities and differences in these groups representation and participation in law politics and policymaking discusses the enduring issues and concerns that they face and examines intra and inter group competition and coalition building in the face of enduring conflict and inequality The seventh edition has been thoroughly revised and updated to include coverage of President Barack Obama s second term the 2016 election police brutality and Black Lives Matter and the Dakota Access Pipeline protest movement With a brand new chapter on the intersections of race and gender Can We All Get Along remains unparalleled in its comparative coverage of the current landscape of minority politics in the United States

Voting For Women Kathy Dolan, 2018-03-09 This book explains how voters evaluate women candidates who votes for them and why Women comprise an ever increasing percentage of the candidate pool for elective office in the United States Public opinion surveys profess strong support for female candidaes yet many of these same candidates still encounter skepticism at best or hostility at worst from the public The role of candidates gender in elections is a complex one Yet our understanding of how voters react to these women is often based on election specific anecdotal or hypothetical evidence Voting for Women is one of the first book length treatments of both how the public evaluates female candidates and whether and when people will support them at the polls It also provides a history of women and elections in the U S and analysis of contemporary data on how voting environments can influence women s success

Dictionary of Race, Ethnicity and Culture Guido Bolaffi, 2003 Race ethnicity and culture are concepts that are interpreted in various and often contradictory ways This Dictionary of Race Ethnicity and Culture provides the historical background and etymology of a wide number of words related to these concepts looking at discourses of race ethnicity and culture from a broadly multicultural perspective This new and up to date dictionary contains numerous references to both European and American concepts debates and terms Contributors to the dictionary include well known anthropologists biologists lawyers philosophers sociologists and psychologists enabling the Dictionary to bring an interdisciplinary approach to the subject matter and a rich variety of voice and content that would otherwise

Onward Christian Soldiers? Clyde Wilcox, 2018-04-17 They have money influence power and they turn out to vote They are groups like Focus on the Family Family Research Council and Concerned Women for America all parts of the Christian Right But are they a serious threat to religious liberty bent on creating a theocratic

state or the last defenders of religion and family values in America Bringing the story of the religious right up to the Obama administration this revised fourth edition explores the history of the movement in twentieth and early twenty first century American politics The authors review the expansion of the Christian Right through George W Bush s second administration and evaluate how the religious right fared in the 2006 and 2008 elections Although figureheads of the religious right remain in the news their power in Washington may be declining and the authors consider the fate of the religious right under the Obama administration Examining how the religious right both does and does not fit into the proper role of religious groups in American politics Onward Christian Soldiers is an essential addition to the Dilemmas in American Politics series Claiming the Mantle R. Lawrence Butler,2019-04-15 This book examines the process by which presidential nominees are selected in U S describing the evolution of the presidential nomination system from its original conception of letting the voters decide to its current form in which the race is usually over before the first vote is cast **The Immigration Crisis** Armando Navarro,2008-11-16 Immigration remains one of the most pressing and polarizing issues in the United States In The Immigration Crisis the political scientist and social activist Armando Navarro takes a hard look at 400 years of immigration into the territories that now form the United States paying particular attention to the ways in which immigrants have been received The book provides a political historical and theoretical examination of the laws personalities organizations events and demographics that have shaped four centuries of immigration and led to the widespread social crisis that today divides citizens non citizens regions and political parties As a prominent activist Navarro has participated broadly in the Mexican American community s responses to the problems of immigration and integration and his book also provides a powerful glimpse into the actual working of Hispanic social movements In a sobering conclusion Navarro argues that the immigration crisis is inextricably linked to the globalization of capital and the American economy s dependence on cheap labor **The New Citizenship** Craig A Rimmerman,2018-05-04 Why do so many Americans fail to participate in their communities affairs What role should the citizenry play in our political system In addressing these concerns this revised and updated text evaluates the dilemma of participation civility and stability at a time when civic indifference is a national problem In addition to outlining the sources of this indifference The New Citizenship suggests ways in which Americans can conquer their apathy toward government In this fourth edition author and Dilemmas in American Politics series editor Craig A Rimmerman provides new material on ACORN the 2008 presidential election the Obama presidency and the impact of these recent events for college students and their conceptions of participation and citizenship **The Columbia History of Latinos in the United States Since 1960** David Gregory Gutiérrez,2004 Offers a comprehensive historical overview of the Latinization of the United States that has occurred over the past four decades Brings together the views of some of the foremost scholarly interpreters of the recent history of Latinos in the United States
