transformation to your life Now it s time to start the journey of making your financial dreams come true **Get the Facts on Saving and Investing** ,2006 30 Biblical Principles For Managing Your Money Rich Brott,2008 Becoming successful at managing your money begins with a commitment to follow biblical principles In doing so certain areas of your life must be confronted in an honest open and accurate manner You must confront the following areas A spiritual B attitudinal C habitual D practical E personal Addressing only selective areas of your financial life will not bring you to a place of success You must be willing to tackle each area and come face to face with the clear reality of your past decisions This means developing a new determination to change past spiritual decisions and the adopting of new biblical attitudes toward the management of your money Only you can make a difference in your financial life You can be successful at managing your money if you will begin to follow these 30 biblical principles Author Rich Brott shows you how **Achieving Financial Alignment: 30 Biblical Principles for Ordering Your Financial Life** Rich Brott,2008 God is interested in our willingness to manage and administrate all that He has given to us Nothing will be thrown into our laps Financial prosperity is not an unconditional providential blessing conditions are attached We are to take action and be proactive The abilities and giftings God provides motivate us to action Sometimes it takes our persistence in doing the same things faithfully with the heart of a servant Other times it is time to try new things new methods and seek new opportunities Sometimes the steady plodding brings the success of the blessed life Many people deep in debt and lacking in self discipline in their spending and contentment level complain that their employers don t pay them enough their taxes are much too high their business costs have skyrocketed or render some other excuse why they cannot plan for their financial future Of course some of these excuses may have a certain amount of legitimacy to them but they don t excuse a person from the responsibility of making sure that they are not wasting any of the resources God has allowed to come through their hands The problem is rarely a lack of money it is a lack of money management Money management simply means self management This book will help the reader to re align their financial attitude so that can begin to fulfill their potential financial altitude 35 Keys to Financial Independence Rich Brott,2007-06 In simple and easy to understand language author Rich Brott explains that financially you must live below your means If you have been living above your means you are already in serious debt with no hope of becoming debt free unless you quickly change your financial habits If you have been living within your means you may be debt free but you have little or no savings or investments to carry you through your retirement What you must begin to do is live below your means The book will show you how to do just that Once you ve accomplished the basics of getting out of debt staying out of debt and continuing to live below your means then the next big hurdle is to set financial goals that will keep you invested in simple well diversified conservative investment vehicles The only way to reach a financial goal is to work at it The most important step in reaching that goal is to develop a plan to achieve it That s why it is so important to plan ahead for your retirement and your financial future While the idea of planning ahead and building a solid financial strategy for success can sometimes be intimidating and

overwhelming once you get started it will become easier With a little planning and a better understanding of what your investment options are you too can successfully manage your money and pursue your financial goals *All the Financial Scriptures in the Bible with Commentary* Rich Brott,2008 Think of time as your personal resource and you will be more likely to use it wisely
