College Review, 1978-1994 John Norton Moore,Robert F. Turner,1995 The Civil War at Sea Craig L. Symonds,2012

Continuing in the vein of the Lincoln prize winning Lincoln and His Admirals acclaimed naval historian Craig L Symonds presents an operational history of the Civil War navies both Union and Confederate in this concise volume Illuminating how various aspects of the naval engagement influenced the trajectory of the war as a whole The Civil War at Sea adds to our understanding of America s great national conflict Both the North and the South developed and deployed hundreds of warships between 1861 and 1865 Because the Civil War coincided with a revolution in naval technology the development and character of warfare at sea from 1861 1865 was dramatic and unprecedented Rather than a simple chronology of the war at sea Symonds addresses the story of the naval war topically from the dramatic transformation wrought by changes in technology to the establishment management and impact of blockade He also offers critical assessments of principal figures in the naval war from the opposing secretaries of the navy to leading operational commanders such as David Glasgow Farragut and Raphael Semmes Symonds brings his expertise and knowledge of military and technological history to bear in this essential exploration of American naval engagement throughout the Civil War International Law Discussions ,1993

History in Dispute Benjamin Frankel,2000 Each volume of the History in Dispute series has a thematic era or subject specific focus that coincides with the way history is studied at the academic level Each volume contains roughly 50 entries chosen by a board of historians and academics Working With Warriors Dennis Martin,2008-10-10 The story of three of

the world's hardest streetfighters DAILY SPORT One night in the early 1970s three young bouncers worked together at a Liverpool nightclub Terry O'Neill went on to become the greatest karate expert Britain has ever produced Gary Spiers was the deadliest streetfighter alive and Dennis Martin is now the UK's leading expert on close protection and bodyguarding This is the story of these three martial arts masters and how they transformed both the practice of personal combat and the security industry It follows in vivid detail the dangerous violent path they walked and the many characters they met on the way Martin spent his entire adult life involved in frontline security working on the nightclub doors in Liverpool protecting VIPs all over the world then training bodyguards and other security professionals He is also a widely published writer with articles appearing in Black Belt Soldier of Fortune SWAT and Combat while his regular column in Fighting Arts International is widely accepted as being the impetus behind reality based self protection Dennis Martin is the most credible instructor of real self defence in the world today Geoff Thompson author of Watch My Back **Congressional Record** United States.
