**Mergers and Acquisitions from A to Z** Andrew Sherman, 2010-11-03 Talking mergers and acquisitions for small to mid sized companies can sound exciting as the architects behind the deals are wide eyed with effective growth strategies However these complex transactions carry significant risk and it is absolutely vital for all involved in the deal to make sure they are guarding themselves against costly mistakes that have been the downfall for many leaders and organizations before them Complete with expert advice case studies checklists and sample documents law attorney and author Andrew Sherman walks you through every step of the process from valuation to securities laws to closing and successful integration In **Mergers and Acquisitions from A to Z** Sherman explains further how to conduct due diligence calculate the purchase price understand the roles and risks for boards and more When done correctly and cautiously while fully educated on all avenues of the process your company s next merger or acquisition should be an exciting profitable time as you take steps to eliminate rivals extend territory and diversify offerings But you must first be prepared Don t make another deal without **Mergers and Acquisitions from A to Z** and its strategic legal guidance by your side **Mergers & Acquisitions** Michael A. Hitt, Jeffrey S. Harrison, R. Duane Ireland, 2001-03-22 In 1999 MCI WorldComm and Sprint agreed to merge Valued at 129 billion this expected transaction was the largest in history However it fell victim to regulators in Europe concerned with the potential monopoly power of the merged firm This M A action was merely the latest in a growing trend of blockbuster mergers over the past several years Once a phenomenon seen primarily in the United States mergers and acquisitions are increasingly being pursued across national boundaries In short acquisition strategies are among the most important corporate level strategies in the new millennium The need for clear complete and up to date guide to successful mergers and acquisitions had never been greater This book more than fills that need Looking at successful and unsuccessful mergers and acquisitions in a number of different industries **Mergers and Acquisitions A Guide to Creating Value** explains how to conduct an acquisition and how to avoid pitfalls that have doomed many such ventures The authors take the reader step by step through the process starting with the elements of a successful merger due diligence to ensure that the target firm is sound and fits well with the acquiring firm and how mergers and acquisitions are financed They move on to explore how firms find partners targets for acquisitions that have complementary resources and how to find partners with which integration and synergy can be achieved Finally they discuss the potential hazards found in M A s and how to avoid them how to conduct successful cross border acquisitions and how to ensure that ethical principles aren t breached during the process Based on 15 years of research this essential guide goes beyond specific case studies to cover all aspects of these ventures making it required reading for all managers seeking to build a successful strategy ***Mergers, Acquisitions, and Corporate Restructurings*** Patrick A.
