Merlin The Immortal:

Merlin the Immortal Courtney Davis, Peter Quiller, 1984 **Ignition** Emma Shelford, 2015-05-30 King Arthur's Merlin is immortal and living in present day Vancouver when the earth begins to shake. He must use his concealed talents and practiced charisma to save a town before disaster strikes.

The Guardians Rilbur Skryler, [Martyr's Fire](#) Sigmund Brouwer, 2013-10-15 Will this dangerous quest lead the outcast Orphan King toward an ancient secret or to certain destruction? Posing as a beggar, Thomas escapes Magnus after fifteen men who are calling themselves the Priests of the Holy Grail arrive and take control of the castle through wondrous acts and apparent miracles. With the help of his longtime friend Gervaise, Thomas sets out on a journey that leads him to the ancient Holy Land. Unaware that Katherine and Hawkwood are watching over him, Thomas is tested in his beliefs and comes face to face with the ancient power that the Merlins and Druids have long been searching for. Enter the world of Merlin's Immortals where ancient secrets and evil conspiracies take you on a breathless adventure of discovery, intrigue, and hidden knowledge.

Blades of Valor Sigmund Brouwer, 2014-01-21 Travel with Thomas from Jerusalem to England in this exciting conclusion to the Merlin's Immortals series. Thomas is finally in the Holy Land and reunited with Sir William, but is forced to travel on his own from the coast through Nazareth and finally to Jerusalem. The road is a dangerous one, especially to a lone traveler. Bandits masquerade as slaves, traitors appear to be allies, and once again Thomas doesn't know whom to trust. He must rely on his own resources to discern friend from foe and to finally discover the final key to the Druids' master plan before returning home to expose them. Back in England, a final storm is brewing against Thomas, for the Druids are much more powerful than the Orphan King can even imagine.

An Echo In Time Traci Harding, 2025-09-04 HISTORY WILL HAVE ITS REPRISE. The narrow stairway inside the mountain led to a door that opened into a huge marble plateau. Upon this stood a stone circle of nine of the largest hunks of polished crystal Tory had ever seen. A turbulent cloud erupted overhead, its core alive with electromagnetic activity. For twenty years the kingdoms of Prydyn, Dumnonia, and Dalriada have prospered in peace under the guidance of their High King Maelgwn of Gwynedd and his good Queen Tory. But when the High King is stricken with madness and a mysterious plague, Britain is set to be thrown into the chaos of yesteryear. Tory seeks the advice of an advanced civilization that thrived long before recorded history, where men of great learning and miracles were abundant. The women of the Otherworld agree to aid Tory to make her passage back through time. But once in Atlantis, Tory must use her own devices to find the cure she seeks and a way to return to her loved ones in the Dark Ages.

Chasing Immortality in World Religions Deborah M. Coulter-Harris, 2016-08-12 Humans have been chasing immortality since the beginning of history, seeking answers to sickness and aging, death and the afterlife, and questioning the human condition. Analyzing ideas from ancient Sumer, Egypt, Greece, and India, as well as the Abrahamic religions of Judaism, Christianity, and Islam, this study explores how early religious models influenced later beliefs about immortality, the afterlife, the human soul, resurrection, and reward and punishment. The author highlights shared teachings

among the most influential religions and philosophies concluding that humankind has not substantially changed its conceptions of immortality in 6 000 years This continuity of belief may be due to chromosomal memory and cultural inheritance or may represent a fundamental way of conceptualizing the afterlife to cope with mortality
