## **Merrivale March And Murder:**

**Merrivale, March, and Murder** John Dickson Carr,1991      **Deadly Hall** John Dickson Carr,2013-12-19 It s 1927 and New Orleans born novelist Jeff Caldwell is called back to that most colourful of American cities by a frantic letter from Dave Hobart a boyhood friend Dave owns a fabulous and foreboding 16th century English manor house moved from England to New Orleans at the whim of his eccentric grandfather But Delys Hall has been nicknamed Deadly Hall Some terrible things have happened there including murder and there are rumours of hidden treasure and a ghost The plot s the thing it is a sort of gleeful game New York Times Book Review      The Man Who Could Not Shudder John Dickson Carr,2012-11-19 Three guests at Martin Clarke s weekend party swore they saw the pistol lifted from the wall levelled and shot Yet no hand held it It couldn t have happened but there was a dead body on the floor to prove that it had For the victim it was far too late for a doctor To unmask the clever murderer however a house visit by Dr Gideon Fell is just what the doctor ordered But the killer still somehow avoids taking his medicine until Fell vows to prescribe his own remedy for bringing the murderer to justice

**The Demoniacs** John Dickson Carr,2013-12-19 A chilling Gothic tale of warped passion and bizarre murder by the master of the historical whodunit Two women one a vile old bawd dead it seemed of fright the other Peg a headstrong ravishing young heiress Their lives are linked by a mysterious portrait and a child s nursery rhyme a rhyme that spells disgrace and death for the lusty young Peg unless her unwilling lover can trace the connection No one is so consistently successful as Carr New York Times Book Review      **The Four False Weapons** John Dickson Carr,2012-11-19 It is no ordinary murder case that brings the famed French detective Monsieur Bencolin out of retirement but one that involves a midnight rendezvous on a steamy Paris night a broken love affair and four different murder weapons found in the secret villa where the body is discovered Rose Klonec whose corpse bears the mark of a particularly horrible wound had connections and old lovers throughout Paris and soon the number of suspects grows to match the number of possible weapons      **In Spite of Thunder** John Dickson Carr,2012-11-19 On his return to Geneva Brian Innes must meet Audrey Page and find a way to prevent her from joining the strangely temperamental group of people gathered around film star Eve Eden at the Villa Rosalind With characteristic stubbornness if not trusting naivety she refuses to be detained and is immediately encircled by terror while the jaws of a murder trap swing closed Fortunately Dr Gideon Fell is on hand and when the murderer strikes with an invisible weapon Fell accepts the challenge with brilliance and wit      **Frederic Dannay, Ellery Queen's Mystery Magazine and the Art of the Detective Short Story** Laird R. Blackwell,2019-03-11 Frederic Dannay 1905 1982 was with his partner Manfred Lee the creator of the Ellery Queen detective novels and short stories Dannay was also a literary historian and critic and the editor of the renowned Ellery Queen Mystery Magazine Queen both a pen name and the fictional protagonist of the stories was also a vital force behind the continuing popularity of crime fiction in the early to mid 20th century after the deaths of Arthur Conan Doyle G K Chesterton Melville Davisson Post and other Old Masters of the genre

This book presents the first critical study of Ellery Queen's role in the preservation of the detective short story. Many of the writers' characters and stories EQMM championed are covered, including such celebrated authors as Allingham, Ambler, Ellin, Innes, Vickers, and even William Butler Yeats.

*Death-Watch* John Dickson Carr, 2012-11-19 In the shadowy hallway of clockmaker Johannes Carver's house, a policeman is found murdered; the arrow-tipped minute hand of an antique clock embedded in his neck. For Dr Gideon Fell, this is the only case that has ever really frightened him, and before he can solve it, he must find answers to some seemingly impossible questions: why was Calvin Boscombe standing near the corpse with a silencer on his gun? Who locked the attic door? And what has become of the sixteenth-century death watch? **John Dickson Carr** Douglas G. Greene, 1995 Now Douglas G. Greene has brought forth, after more than a decade of research, the definitive biography of this unique writer. In it, we see how, starting with the earliest efforts of his small-town Pennsylvania boyhood, Carr was destined to gain fame as a storyteller.

*The Bride of Newgate* John Dickson Carr, 2013-12-19 Dick Darwent brooded in a dark cell of Newgate Prison, waiting to be hanged. Lady Caroline Ross, rich, cold, and beautiful, prepared a champagne breakfast to celebrate her marriage. How were the fates of these two people intertwined? And how were their lives changed by a shot through a bathroom window, a riot at the opera, a pistol duel at dawn, and a mysterious coachman whose cloak was stained with graveyard mold?

*To Wake The Dead* John Dickson Carr, 2012-11-19 Christopher Kent, worth a quarter of a million pounds yet without a penny in his pocket, stands hungrily in Piccadilly one snowy morning, looking up at the huge hotel when a piece of card bearing a number floats down to him. He enters and is served with breakfast, giving the waiter the room number. Then an unlucky chance compels him to go up to room 707. Inside, a woman lies murdered in a trunk. Kent needs to prove his innocence fast and calls in Dr Gideon Fell to investigate, but there's been another murder, and Dr Fell must figure out what connects them in order to find the guilty party. **Fire, Burn!** John Dickson Carr, 2013-12-19 One October night in the middle of the twentieth century, Detective Inspector John Cheviot got into a taxi bound for New Scotland Yard. When he stepped out, it was from a horse-drawn cab; the year was 1829, and a beautiful woman was beckoning him in front of Old Scotland Yard. There were things Cheviot remembered but couldn't use, like how to analyse fingerprints and things he didn't know that he could have used, like how advanced his romance with Lady Flora really was. And there wasn't even time to learn, because in the midst of helping Robert Peel establish the respectability and competence of his new police force, Cheviot suddenly finds himself and his lady accused of cruel murder.

*Most Secret* John Dickson Carr, 2013-12-19 Young Roderick Kinsmere was a country bumpkin when he strolled into the Great Court of Charles II's Whitehall Palace. Three days later, he had lost his fortune, gained a wife fought for, and been outwitted by his king, and no one would ever call Rowdy Kinsmere a bumpkin again. It was 1670, and London was a teeming, filthy, dangerous, and splendiferous place. The king was in trouble, and Roderick was surrounded by plots and counterplots. And somehow everything centred on the beautiful sapphire ring he had inherited from his father. Mr Carr has contrived a fine adventurous entertainment of politics and piracy.

espionage and murder *The Times* *Who Killed Father Christmas?* Martin Edwards, 2025-10-21 The answer to any classic crime fiction fan's Christmas wish and the only way for you to answer Who Killed Father Christmas this new anthology is set to muddle, befuddle, surprise and delight. The red robe concealed the blood until it made my hand sticky. Father Christmas had been stabbed in the back and he was certainly dead. The murder of Father Christmas at one of London's great toy shops is just one of many yuletide disasters in this new collection of stories from the Golden Age of crime writing and beyond. Masters of the genre such as Patricia Moyes and John Dickson Carr present perfectly packaged short pieces and Martin Edwards delivers a sackful of rarities from authors such as Ellis Peters, Gwyn Evans and Michael Innes. **Mysteries Unlocked** Curtis Evans, 2016-04-19 In honor of the 70th birthday of Professor Douglas G. Greene, mystery genre scholar and publisher, this book offers 24 new essays and two reprinted classics on detective fiction by contributors around the world, including ten Edgar Mystery Writers of America winners and nominees. The essays cover a myriad of authors and books from more than a century, from J. S. Fletcher's *The Investigators* (originally serialized in 1901) to P. D. James' *Death Comes to Pemberley* (published at the end of 2011). Subjects covered include detective fiction in the Edwardian era and the Golden Age, between the two world wars, hard-boiled detective fiction, mysteries and intellectuals, and pastiches, short stories and radio plays. *The Ghosts' High Noon* John Dickson Carr, 2013-12-19 Jim Blake, journalist and successful spy novelist, is sent to New Orleans to do a story on James Claiborne Blake, a congressional hopeful in the 1912 election. But even from New York, he senses following eyes. James Blake it seems is threatened by sexual indiscretions. And as the plot thickens, both Blakes become involved in politics and intrigue and then impossible murder among the atmospheric byways of New Orleans. A wonderful period piece that includes some fascinating real-life characters. *Saturday Review* **H.C. Bailey's Reggie Fortune and the Golden Age of Detective Fiction** Laird R. Blackwell, 2017-07-14 H. C. Bailey's detective Reggie Fortune was one of the most popular protagonists of the Golden Age of detective fiction. Fortune appeared in nine novels, yet it was in a series of 84 short stories that were published from 1920 to 1940 where he truly shone, combining elements of several popular archetypes: the eccentric logician, the forensic investigator, the hard-boiled interrogator, the psychological profiler, the defender of justice. This critical study examines the Fortune stories in the context of other popular detective fiction of the era. Bailey's classics are distinguished by well-clued puzzles, brilliant sleuthing, vivid description and social critique, with Fortune evoking images of Don Quixote and the Arthurian Knights in his pursuit of truth and justice in an uncaring world. **The Blind Barber** John Dickson Carr, 2012-11-19 A thief is loose aboard HMS Queen Victoria and four amateur detectives are hell-bent on tracking him down. Unprepared for the evidence that their sleuthing activities will uncover—a reel of compromising film, a blood-soaked stateroom bunk, a lethally sharp razor and an emerald elephant—they find themselves sinking deeper into misadventure and pandemonium. But when the boat arrives in Southampton harbour, another passenger, mystery writer Henry Morgan, calls in the famous Dr Gideon Fell, who identifies sixteen clues that lead him to the murderer. *The Gothic Imagination* John C.

Tibbetts,2011-10-10 This book brings together the author's interviews with many prominent figures in fantasy horror and science fiction to examine the traditions and extensions of the gothic mode of storytelling over the last 200 years and its contemporary influence on film and media

**The Plague Court Murders** John Dickson Carr,2021-02-02 When a spiritual medium is murdered in a locked hut on a haunted estate Sir Henry Merrivale seeks a logical solution to a ghostly crime

Plague Court is old and crumbling long neglected after its lord hangman's assistant Louis Playge fell victim to the black death hundreds of years before Famously haunted by Playge's ghost the property finally has a new owner and banishing the spirit is the first order of business And when the medium employed with this task is found stabbed to death in a locked stone hut on the grounds surrounded by an untouched circle of mud the other guests at Plague Court have every reason to fear an act of supernatural violence for who among them would be diabolical and calculating enough to orchestrate such an impossible execution Enter Sir Henry Merrivale an amateur sleuth of many talents with deductive powers strong enough to unspool even the most baffling crimes But in the creepy atmospheric setting of Plague Court where every indication suggests intervention from the afterlife he encounters a seemingly illogical murder scene unlike anything he's ever encountered before Reissued for the first time in years The Plague Court Murders is the first novel in the Sir Henry Merrivale series Originally published under the name Carter Dickson it is a masterful example of the impossible crime novel for which John Dickson Carr is known Very few detective stories baffle me nowadays but Mr Carr's always do Agatha Christie

Fuel your quest for knowledge with Learn from is thought-provoking masterpiece, **Merrivale March And Murder** .
