Merry Go Round in Oz Eloise Jarvis McGraw, 1963 **Merry Go Round in Oz** Eloise Jarvis McGraw, Lauren McGraw, Lyman Frank Baum, 1989-11-01 Dorothy the Cowardly Lion and Robin Brown a young boy from Oregon join old and new friends on a magical quest to solve a mystery *The SillyOZbul of Oz and the Magic Merry-go-round* Roger S. Baum, 1992 A brother and sister discover the magic and memories of an old merry go round Their journey takes them to the Land of Oz to meet familiar characters some new friends and a special surprise *Places of Childhood Fancy* Michael G. Cornelius, Marybeth Ragsdale-Richards, 2023-01-16 Many of us grew up exploring fascinating worlds in books films and most importantly our imaginations places filled with mythological characters and magical landscapes where we had stunning experiences punctuated by the harmless pleasures that any child's mind can conjure These worlds sometimes end up in our childhood fictions which have in turn shaped countless imaginations and childhood adventures The essays in this book attempt to comprehend the worlds of children's progressive fiction from how they are created to how they affect readers This book explores what happens when speculative genres fantasy horror and science fiction and imaginative spaces collide headlong with the realities and surrealities of modern childhood It moves back and forth between Oz Wonderland Redwall and Fear Street and explores series such as Nancy Drew Inkheart The Mortal Instruments the Miss Peregrine series and more Many of these works feature children who must save the day to stop the bad guy kill the monster complete the quest and rescue adults leading us to wonder if fantastic spaces in children's progressive fiction are really helping kids prepare to save the world rather than helping them temporarily escape it **The Wizard of Oz and the Magic Merry-go-round** Roger S. Baum, 2002 Astrid and Tyler take a magical ride on an old merry go round the same merry go round that their parents rode on many years ago **Children's Fantasy Literature** Michael Levy, Farah Mendlesohn, 2016-04-16 Fantasy has been an important and much loved part of children's literature for hundreds of years yet relatively little has been written about it Children's Fantasy Literature traces the development of the tradition of the children's fantastic fictions specifically written for children and fictions appropriated by them from the sixteenth to the twenty first century examining the work of Lewis Carroll L Frank Baum C S Lewis Roald Dahl J K Rowling and others from across the English speaking world The volume considers changing views on both the nature of the child and on the appropriateness of fantasy for the child reader the role of children's fantasy literature in helping to develop the imagination and its complex interactions with issues of class politics and gender The text analyses hundreds of works of fiction placing each in its appropriate context within the tradition of fantasy literature *Wicked Witch of the West* Lona Bailey, 2025-10-02 An empowering look at one of pop culture's most enduring feminist icons The Wicked Witch of the West More than 125 years after her introduction the Wicked Witch of the West remains an icon of popular culture Known by many names from The Wicked Witch of the West to Evillene Elphaba and Theodora she consistently defies expectations and wields her power unapologetically At the heart of her everlasting appeal is

her embodiment of feminist ideals that resonate today In *Wicked Witch of the West The Enduring Legacy of a Feminist Icon* Lona Bailey explores the radical feministic undertones of one of the most enduring characters in popular culture Introduced in 1900 through L Frank Baum s *The Wonderful Wizard of Oz* the Wicked Witch has captivated generations as both a symbol of fear and empowerment More than just a villain she embodies rebellion and resistance refusing to conform to the roles historically assigned to women This book traces her transformation over the past century highlighting how she has evolved through countless adaptations from *The Wizard of Oz* to the film adaptation of *Wicked* while maintaining her core identity as a powerful defiant figure To understand why the Witch remains captivating more than a century after her creation Bailey delves into the radical feminism underlying her character and examines how she has been reinterpreted since her debut From the suffrage movement to the fight for reproductive rights and from the MeToo movement to ongoing battles against gender stereotypes the Witch symbolizes the struggles and triumphs women face Her presence transcends mere performance she serves as a reminder that the fight for justice equality and autonomy continues By exploring the Witch s feminist evolution readers will gain insight into why her character resonates with generations of women
