## **Message Of Isaiah 40 55 A Literary Theological Commentary:**

**The Message of Isaiah 40-55** John Goldingay, 2005-10-27 The Message of Isaiah 40 55 traces the argument of Isaiah 40 55 to show how the chapters bring a message of encouragement and challenge about God's intention to restore the Judean community some of whose members are in exile in Babylon others living in the city of Jerusalem that has lain devastated since it fell to the Babylonians in 587 The chapters hold before this community's eyes a vision of the nature of its God as the powerful creator and the loving restorer In the course of following the argument the reader becomes aware that the chapters have to deal with their audience's mysterious resistance to their message It cannot give God the kind of response the message needs and deserves nor can it fulfil the role as God's servant that is designed for it God nevertheless remains committed to it The prophet eventually becomes aware of a distinctive personal calling to embody that response until the people are ready to do so It is the prophet's willingness to do this notwithstanding the suffering it brings that embodies the kind of ministry that needs to be exercised to them so that they may be brought back to God and find a restoration of spirit as well as a physical restoration *A Guide to Biblical Commentaries and Reference Works, 11th Edition* John F.

Collins, 2019-04-15 John J Collins's *Introduction to the Hebrew Bible* is one of the most popular introductory textbooks in colleges and seminary classrooms Enriched by decades of classroom teaching it is aimed explicitly at motivated students regardless of their previous exposure to the Bible or faith commitments The third edition is presented in a new and engaging format with new maps and images An index has been added to the volume for the first time In order to enhance classroom use Collins's major text has now been divided into four volumes one for each major part of the Hebrew Bible This volume based on the new third edition focuses on prophecy in the Hebrew Bible Here Collins

**Riddles and Revelations** Mark J. Boda, Russell L. Meek, William R. Osborne, 2018-08-23 A comprehensive examination of the links between wisdom literature and prophecy The book is divided into four sections The first addresses methodological concerns such as identifying wisdom identifying potential sociological spheres for wisdom and prophecy in the ancient Near East and recognizing potential textual relationships The second examines the role of wisdom in the prophetic corpus more broadly in a book by book analysis of biblical texts first examining the role of wisdom in the prophetic corpus of the Hebrew Bible The third section looks at elements of prophecy within the traditional wisdom books such as Job Proverbs and Qoheleth Finally the book continues the conversation by providing two concluding chapters that evaluate critique engage and raise new questions that Hebrew Bible scholars will need to wrestle with as the search for the relationship between wisdom and prophecy moves forward **After Emmaus** Brian J. Tabb, 2021-11-17 The church s mission does not begin with the Great

Commission but is integrally related to the grand storyline of Scripture Did the Old Testament simply point to the coming of Christ and his saving work or is there more to the story After his resurrection the Lord Jesus revealed how his suffering glory and mission plan for the nations are in fact central to the biblical story of redemption After Emmaus shows how Christology and missiology are integrally connected throughout Scripture especially in the teaching of Jesus and the apostles Brian Tabb explains what Luke 24 46 47 reveals about God s messianic promises in the Old Testament their fulfillment in the New Testament and the purpose of the church By understanding Jesus s last words to his disciples Christians today will be motivated to participate in the Messiah s mission

**Where Is the God of Justice?** Michael E. W. Thompson, 2011-06-08 What does the Old Testament say about the problem of suffering Though Christians believe themselves to be held in the care of the God of love and strength they yet find that sufferings come their way Moreover whole communities even whole nations experience terrible sufferings all of which frequently raises the question Where is the God of justice Those parts of the Old Testament that deal with this question are here considered and discussed both those that understand suffering as due to human sinfulness and those that raise serious questions about that sort of understanding Further here are Jeremiah s

questions about why he as the Lord's prophet must suffer the gentler questions in Ecclesiastes the perplexing life experiences of Joseph the agonized prayer of Habakkuk those most urgent questions in the book of Job the outspoken words of psalmists the radical talk about a suffering servant and the confident hope expressed in Daniel Thompson argues that while the Old Testament cannot always give us answers it does point us to God for hope in the midst of suffering

**The Conceptualization of Dress in Prophetic Metaphors** S.J. Parrott, 2023-06-19 While the last four years has seen a renewed interest in dress in biblical studies much of this work focuses on dress as object what it is looks like and who wears it In consequence the symbolic and rhetorical function of dress in metaphors is often reduced to its function in real life In response this study bridges the conversation from what dress is to what dress is doing By focusing on dress as subject and a concept this study identifies constellations that hold prophetic metaphors of the investiture divestiture of dress together with respect to identity formation deformation suffering and destruction

**Women and Exilic Identity in the Hebrew Bible** Martien A. Halvorson-Taylor, Katherine E. Southwood, 2017-12-28 Notions of women as found in the Bible have had an incalculable impact on western cultures influencing perspectives on marriage kinship legal practice political status and general attitudes Women and Exilic Identity in the Hebrew Bible is drawn from three separate strands to address and analyse this phenomenon The first examines how women were conceptualized and represented during the exilic period The second focuses on methodological possibilities and drawbacks connected to investigating women and exile The third reviews current prominent literature on the topic with responses from authors With chapters from a range of contributors topics move from an analysis of Ruth as a woman returning to her homeland and issues concerning the foreign presence who brings foreign family members into the midst of a community and how this is dealt with through the intermarriage crisis portrayed in Ezra 9 10 to an analysis of Judean constructions of gender in the exilic and early post exilic periods The contributions show an exciting range of the best scholarship on women and foreign identities with important consequences for how the foreign known is perceived and what that has meant for women through the centuries

**The Fear of God in 2 Corinthians 7:1** Euichang Kim, 2019-02-21 Euichang Kim focuses upon the phrase the fear of God drawn from 2 Corinthians exhortation to reconcile with God As opposed to these words appearing from no particular source Kim points to the wider contexts of Old Testament passages quoted by Paul and demonstrates that God's eschatological promises in particular his coming judgment his promise to redeem his people and the prospect of a new covenant are intertwined with this motif of fear Beginning with an analysis of the meaning of fear in both the Old Testament and the New Kim proceeds to the context of fear within 2 Corinthians Scripture the writings of Second Temple Judaism and the very eschatology of Paul suggesting that it stems from an awareness of God's judgment to come and serves to motivate righteous behavior Kim finally argues that in the context of 2 Corinthians the fear of God functions as the proper response to God's saving acts in Christ and provides motivation for believers to pursue a holy life in anticipation of the eschatological judgment to come

Covenant: A Vital Element of

Reformed Theology ,2021-11-29 Covenant A Vital Element of Reformed Theology provides a multi disciplinary reflection on the theme of the covenant from historical biblical theological and systematic theological perspectives The interaction between exegesis and dogmatics in the volume reveals the potential and relevance of this biblical motif It proves to be vital in building bridges between God s revelation in the past and the actual question of how to live with him today Dictionary of the Old Testament: Prophets G MCCONVILLE,MARK J BODA,2020-05-21 The writings of the prophets make up over a quarter of the Old Testament But perhaps no other portion of the Old Testament is more misunderstood by readers today For some prophecy conjures up knotted enigmas opaque oracles and terrifying visions of the future For others it raises expectations of a plotted out future to be reconstructed from disparate texts And yet the prophets have imprinted the language of faith and imagination with some of its most sublime visions of the future nations streaming to Zion a lion lying with a lamb and endlessly fruiting trees on the banks of a flowing river We might view the prophets as stage directors for Israel s unfolding drama of redemption Drawing inspiration from past acts in that drama and invoking fresh words from its divine author these prophets speak a language of sinewed poetry their words and images arresting the ear and detonating in the mind For when Yahweh roars from Zion and thunders from Jerusalem the pastures of the shepherds dry up the crest of Carmel withers and the prophetic word buffets those selling the needy for a pair of sandals The Dictionary of the Old Testament Prophets is the only reference book of its kind Not only does it focus exclusively on the prophetic books it also plumbs their imagery of mountains and wilderness flora and fauna temple and Zion It maps and guides us through topics such as covenant and law exile and deliverance forgiveness and repentance and the Day of the Lord Here the nature of prophecy is searched out in its social historical literary and psychological dimensions as well as its synchronic spread of textual links and associations And the formation of the prophetic books into their canonical collection including the Book of the Twelve is explored and weighed for its significance Then too contemporary approaches such as canonical criticism conversation analysis editorial redaction criticism feminist interpretation literary approaches and rhetorical criticism are summed up and assayed Even the afterlife of these great texts is explored in articles on the history of interpretation as well as on their impact in the New Testament **Petrine Studies** Douglas W. Kennard,2022-10-18 Using a similar method to Kennard s biblical theology of Jesus Hebrews Isaiah and Peter Kennard s Petrine Studies fills out background issues narrative biographical theology and practical life concerns from Mark The companion volume Petrine Theology makes contributions to Peter s theology including Peter s Jewish heritage bridging from Jesus to Paul expressing compatible sovereignty and free will high Christology missional Trinity Hebraic anthropology Jewish atonement redemption and new exodus gospel as allegiance to Christ contextual sociological ecclesiology suffering and spiritual warfare in a narrow virtuous way to kingdom and nuanced consistent eschatology Following a combination of Mark Peter s sermons in Acts and Petrine epistles Gene Green claims that Petrine Theology makes unique contributions to Christian theology PHEME PERKINS concurs

*As it Was in the Beginning* Mark D Owens, 2016-05-26 The meaning of Paul's comments about the new creation in 2 Corinthians 5:17 and Galatians 6:15 has long been obscured Debate has raged for years with some arguing that the phrase new creation solely refers to the inward transformation believers have experienced through faith in Jesus Christ and others that this phrase should be understood cosmologically and linked with Isaiah's new heavens and new earth Still more advocate an ecclesiological interpretation of this phrase that centres Paul in the new community formed around Jesus Christ In *As It Was in the Beginning* Mark Owens argues that the concept of new creation should be understood within the realm of Paul's anthropology cosmology and ecclesiology Paul's understanding of new creation belongs within an Urzeit Endzeit typological framework especially within 2 Corinthians 5:6 and Ephesians 1:2 Owens's reading of new creation gives due weight to the use of Isaianic traditions in Paul's letters and to demonstrate that the vision of new creation in 2 Corinthians and Galatians is in striking harmony with that of Ephesians

*Persian Royal-Judaean Elite Engagements in the Early Teispid and Achaemenid Empire* Jason M. Silverman, 2019-11-14 Jason Silverman presents a timely and necessary study advancing the understanding of Achaemenid ideology and Persian Period Judaism While the Achaemenid Persian Empire c 550-330 BCE dwarfed all previous empires of the Ancient Near East in both size and longevity the royal system that forged and preserved this civilisation remains only rudimentarily understood as is the imperial and religious legacy bequeathed to future generations In response to this deficit Silverman provides a critically sophisticated and interdisciplinary model for comparative studies While the Achaemenids rebuilt the Jerusalem temple Judaean literature of the period reflects tensions over its Persian re-establishment demonstrating colliding religious perspectives Although both First Zechariah 1:8 and Second Isaiah 40:55 are controversial the greater imperial context is rarely dealt with in depth both books deal directly with the temple's legitimacy and this ties them intimately to kings' engagements with cults Silverman explores how the Achaemenid kings portrayed their rule to subject minorities the ways in which minority elites reshaped this ideology and how long this impact lasted as revealed through the Judaean reactions to the restoration of the Jerusalem temple
