Messianic Credentials of Jesus the Christ Archer C. Wilcox, 1986-01-01 **Messianic Credentials of Iesus the Christ** A Philosophy of Muddy Boots Leadership Alan Preizer, 2022-04-14 A Philosophy of Muddy Archer C. Wilcox, 1986 Boots Leadership presents a Bible based leadership philosophy These thoughts some original most not are not rocket science They are basic common sense and as applicable to everyday life as they are to the battlefield classroom or boardroom Most are drawn from those who have influenced the author the most pastors military leaders and football coaches In this uncertain and dynamic environment there are a few constants In this book you will find a clear and concise set of principles and fundamentals that will assist leaders in maintaining mission focus and focusing on the team Why will it help Today there is no shortage of leadership books consultants and experts We hear terms like servant authentic transformational adaptive etc These concepts are valid and important but they are focused on the conceptual not on the actionable A Philosophy of Muddy Boots Leadership provides a set of biblically based actionable principles for leaders The goal of the book is to provide overwhelmed understaffed leaders or mid level managers a set of techniques and processes that in times of stress and uncertainty will act as a blueprint for success This is not a checklist but a thought provoking set of guiding biblical principles Jesus Is the Christ Michael F. Bird, 2013-02-27 Entering the fray of a hotly debated issue that can be used every day Michael Bird argues that the title and role of Messiah ascribed to Jesus is not a late addition to the four Gospels but their structural and semantic foundation Stressing that Christianity is itself a messianic movement Bird argues that the messianic testimony is the mother of all Christology The Messianic Hope in the New Testament Shailer Mathews, 1904 The Nonviolent Messiah Simon J. Joseph, 2014 When scholars have set Jesus against various Flaming Sword .1926 conceptions of the messiah and other reemptive figures in early Jewish expectation those questions have been bound up with the problem of violence whether the political violence of a militant messiah or the divine violence carried out by a heavenly or angelic figure Simon I Joseph enters the wide ranging discussion of violence in the Bible taking up guestions of Jesus of Nazareth s relationship to the violence of revolutionary militancy and apocalyptic fantasy alike and proposes an innovative new approach Missing from past discussions Joseph contends is the unique conception of an Adamic redeemer figure in the Enochic material a conception that informed the Q tradition and he argues Jesus own self understanding The Messiah According to Bible Prophecy Tony Alamo Christian Ministries Worldwide, 1980 *Unveiling Theological and Doctrinal* Concepts Rev. Oscar García, 2013-10 In the present the Christianity is going through a time of much confusion of false apostles and false prophets along with false teachings and erroneous interpretations of the Bible The churches have been infiltrated by homosexuality and bizarre cults the moral crises at all levels in our society the ravening crime rapes of children and family violence all demonstrate the urgent need that the Christian people have to seek in prayer for God's intervention to heal human beings from their terrible spiritual condition In this book the reader will find concepts that may help him to grow

and to get stronger spiritually Here is a brief list of the many topics covered in this book More than three hundred Old Testament prophecies about the Messiah that were fulfilled in Jesus Christ The deity from eternity of the Begotten Son of God that can be seen in both the Old and the New Testament The evidence of the fullness of the Holy Spirit The return of Jesus by the saints in the Old Testament as well as in the New Testament and the prophecies that demonstrate the rapture of the heirs of the kingdom of heaven of the born again believers. The prophecies about the millennium and the time of its fulfillment The security of the salvation of the kingdom of heaven of the children of God The judgment of the nations and the White Throne judgment The resurrection of the dead in the Millennium The resurrection of the dead and the judgment of condemnation for the impious The Best Kept Secret of Christian Mission John Dickson, 2010 This book comes out of years of reflection failures and some successes in the task of reaching out to others with the gospel Many Christians think of the task of mission as an entirely verbal activity when perhaps the best kept secret of New Testament teaching about mission is that it involves a whole range of activities that explicitly promote Christ to the world and draw others to him and only a few of them involve speaking Without diminishing or downplaying the importance of speaking the gospel John Dickson shows that on the other hand downplaying the range of activities that promote Christ to the world has its own set of problems It can make those who are not confident about speaking of anything let alone Jesus feel inadequate and self conscious in the task of reaching out to others Equally it can make those who do have a flair for speaking feel as though they are fulfilling Christ's mission just by talking But the reality is that the Lord wants our whole life not just our lips in the task of bringing the gospel to the world Every facet of our lives can be used by God to promote the news of his power and mercy In this practical guide to the biblical art of sharing your faith John Dickson offers refreshing insight into the ways that all Christians can and should be involved in spreading the good news of Jesus While not all Christians are called and gifted to become evangelists we are all called to promote the gospel through a wide range of activities prayer financial partnership good deeds godly lives public worship daily conversation etc with and without our lips As readers engage with this book grapple with its arguments and hear the stories of people coming to faith they will be inspired to see the whole of life as significant for bringing the gospel to the world and they will be liberated out of guilt and self consciousness in evangelism into becoming perfectly natural promoters of Jesus Christ The Complete Topical Guide to the Bible Martin Hugh Manser, Alister McGrath, J. Packer, Donald Wiseman, 2017-05-02 The Complete Topical Guide to the Bible provides Scripture references definitions and cross references for the study of the Bible by topic The topical approach differs significantly from the lexical approach of a concordance and a topical guide is an essential supplement to a concordance While a concordance is limited to the connection of biblical passages in which the same word appears the topical approach identifies and connects all of the underlying concepts related to a topic A concordance would not yield John 3 16 for a study of grace because the word grace does not appear in the verse but The Complete Topical Guide to the Bible includes John 3 16 for grace because it s an

Studying Scripture should be too The Suffering Servant Exalted Lee Kah Wor, 2020-04-18 This book serves as a documentation of what a recipient of the mercy and grace of Elohim has found convincing from His written Word God is love I have the utmost respect for the gift of free choice from the loving Father God This is the fifth and final volume of The Messianic Credentials series This series is not about what the right choice should be It would be ludicrously futile to debate over such a thing as it is a matter of perception In the process of putting this series together I realized that God Elohim did not write what we like to hear He wrote what we need to hear This is because love corrects Proverbs 3 12 and Hebrews 12 6 And God is love 1 John 4 8 and 1 John 4 16 He wrote the Bible out of His Spirit of love In view of the above I have written this series to relay that same Spirit It is an appeal to consider reunion with God the loving Father from the perspective of the salvation wrought through Christ crucified The love of God will bring about a change in perspective In the words of Romans 2 4 it is the kindness of God that leads to repentance As a caveat this series is to be read with an open mind It is meant to present the state of things from a Biblical perspective with no malicious and derogative intent Any perception to the contrary is highly unfortunate and or regrettable The quality and success of an occasion hinges on the amount of preparation that goes into it The ultimate sacrificial lamb was tested and proven to be without spot or blemish In this fifth volume you will get to see how God prepared Jesus of Nazareth to be the perfect sacrificial Lamb from even before birth He was well prepared so to speak before being deployed as the Perfect sacrifice for sin For the lack of a better example just relate to how one would prepare the turkey for Thanksgiving We have been purchased with the precious blood of a spotless and unblemished sacrificial lamb 1 Peter 1 19 You will also get to see a biblical example of deployment without prior preparation
