Nato After Fifty Years:

NATO After Fifty Years S. Victor Papacosma, Sean Kay, Mark R. Rubin, 2001 Since the foundation of the Atlantic Alliance after World War II the face of world politics and consequently of NATO has changed dramatically NATO after Fifty Years examines from a wide range of perspectives the past present and future of the alliance now in the throes of its most uncertain period The contributors to this volume bring a diversity and breadth of perspectives that will make this book an invaluable teaching tool for courses relating to U S defense policy arms control and the military in politics international organizations war and peace international conflict and government and politics in Europe *The Encyclopedia of Diplomacy, 4 Volume Set* Gordon Martel, 2018-04-30 The Encyclopedia of Diplomacy is a complete and authoritative 4 volume compendium of the most important events people and terms associated with diplomacy and international relations from ancient times to the present from a global perspective An invaluable resource for anyone interested in diplomacy its history and the relations between states Includes newer areas of scholarship such as the role of non state organizations including the UN and M decins Sans Fronti res and the exercise of soft power as well as issues of globalization and climate change Provides clear concise information on the most important events people and terms associated with diplomacy and international relations in an A Z format All entries are rigorously peer reviewed to ensure the highest quality of scholarship Provides a platform to introduce unfamiliar terms and concepts to students engaging with the literature of the field for the first time The North Atlantic Treaty Organization Julian Lindley-French, Professor of Defence Strategy Associate Fellow Julian Lindley-French, 2006-11-22 This book is an excellent introduction to the North Atlantic Treaty Organization NATO Julian Lindley French clearly outlines all of the institution s key facets to deliver an authoritative account Detailing the origins institutions workings and activities of NATO this volume also focuses on its future as the institutional basis for the security dimension of the transatlantic relationship and an institution contributing to global security It is clear that NATO faces fresh challenges in the twenty first century and will be in the spotlight for years to come A Companion to Dwight D. Eisenhower Chester J. Pach, 2017-04-10 A Companion to Dwight D Eisenhower brings new depth to the historiography of this significant and complex figure providing a comprehensive and up to date depiction of both the man and era Thoughtfully incorporates new and significant literature on Dwight D Eisenhower Thoroughly examines both the Eisenhower era and the man himself broadening the historical scope by which Eisenhower is understood and interpreted Presents a complete picture of Eisenhower s many roles in historical context the individual general president politician and citizen This Companion is the ideal starting point for anyone researching America during the Eisenhower years and an invaluable guide for graduate students and advanced undergraduates in history political science and policy studies Meticulously edited by a leading authority on the Eisenhower presidency with chapters by international experts on political international social and cultural history *NATO's Peace Enforcement Tasks and Policy Communities* Giovanna Bono, 2017-11-30 This book was published in

2003 How has NATO managed to survive and transform itself into a peace enforcement organization Challenging the dominant assumption that NATO intervened in the Balkans because of the threat that conflicts in the region posed to European security this book develops a new set of research questions based on the hypothesis of the existence of policy communities The author demonstrates that there were shifting policy communities in operations that shaped the Alliance s transformation process arguing that NATO would not have succeeded in assuming peace enforcement tasks without other factors ranging from organisational dynamics domestic politics and the impact of ad hoc reactions to external events coming into play Highlighting the role of NATO as an actor in international security this volume is aimed at academics and practitioners in the field of international relations *International Bibliography of Political Science* British Library of Political and Economic Science,2003-10-23 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences IBSS: Political Science: 2002 Vol.51 Compiled by the British Library of Political and Economic Science,2004-03-01 First published in 1952 the International Bibliography of the Social Sciences anthropology economics political science and sociology is well established as a major bibliographic reference for students researchers and librarians in the social sciences worldwide Key features Authority rigorous standards are applied to make the IBSS the most authoritative selective bibliography ever produced Articles and books are selected on merit by some of the world s most expert librarians and academics Breadth today the IBSS covers over 2000 journals more than any other comparable resource The latest monograph publications are also included International Coverage the IBSS reviews scholarship published in over 30 languages including publications from Eastern Europe and the developing world User friendly organization all non English titles are word sections Extensive author subject and place name indexes are provided in both English and French Place your standing order now for the 2002 volumes of the the IBSS Anthropology 2002 Vol 48 December 2002 234x156 0 415 32634 6 u195 00 Economics 2002 Vol 51 December 2002 234x156 0 415 32635 4 u195 0 0 Political Science 2002 Vol 51 December 2002 234x156 0 415 32636 2 u195 00 Sociology 2002 Vol 52 December 2002 234x156 0 415 32637 0 u195 00 National Security Challenges for the 21st Century Williamson Murray,2003 Officers who participated in the Advanced Strategic Art Program ASAP during their year at the U S Army War College wrote these chapters The ASAP is a unique program that offers selected students a rigorous course of instruction in theater strategy Solidly based in theory doctrine and history the program provides these students a rich professional experience that includes staff rides exercises and the best instructional expertise available The program is designed to provide the joint community with the military s best theater strategists The challenges facing the defense establishment in the United States at the beginning of the 21st century are daunting indeed however the thoughtful essays included in this volume including two award winners representing some of the thinking by students at the U S Army War College provide insights into these trials that will prove useful to policymakers both in and out

of uniform **Global Security in the Twenty-First Century** Sean Kay, 2015-03-06 This thoroughly updated edition of *Global Security in the Twenty First Century* offers a balanced introduction to contemporary security dilemmas throughout the world Sean Kay assesses the impact of the global economic crisis on international security and considers how the range of thinking about power and peace has evolved in relation to major flashpoints including in the Middle East Asia and Eurasia Kay builds on the first and second edition's emphasis on the roles of trade and technology the militarization of space the privatization of security the use of sanctions ethnic conflict and transnational crime This edition goes even farther to incorporate traditional thinking about national security in the context of human rights democracy population health environment energy and especially education The author includes full updates on emerging challenges out of Iraq Russia and viral diseases in the context of larger strategic questions like the rise of China and America's pivot to rebalance its priorities toward Asia Writing in an engaging style Kay integrates traditional and emerging challenges in one easily accessible study that gives readers the tools they need to develop a thoughtful and nuanced understanding of global security **The Russian Military Today and Tomorrow** Stephen Blank, Richard Weitz, 2010 Given the stakes involved in achieving a correct understanding of Russian and Chinese defense policies and military developments the magnitude of Mary Fitzgerald's enlightening accomplishments in this regard becomes clear However the problems that we have outlined in this volume were not unfamiliar to students of the Soviet Union Indeed they are enduring strategic issues for Russian policymakers as well as those who analyze or contribute to foreign policies toward the Russian military despite the magnitude of the tremendous changes that have occurred since 1989 when the Soviet empire began to collapse Even more importantly Mary and her colleagues recognized that the issues outlined here are not just tasks relevant for the general study of Russia but by addressing these strategic issues and their underlying implications policymakers will engage in the essential tasks necessary for the creation of an enduring structure of peace **The Russian Military Today and Tomorrow :.**, 2010 U.S. *Conflicts in the 21st Century* Spencer C. Tucker, 2015-12-14 This three volume reference work provides an up to date presentation and analysis of the U S wars of the 21st century addressing their backgrounds causes courses and consequences It serves as an indispensable resource for students seeking to understand the role of the United States in the world today Addressing the U S conflicts in Iraq Afghanistan and the Global War on Terror from the year 2001 to the present this comprehensive three volume encyclopedia covers the significant individuals key events and important places involved in these recent military events Beginning with the rise of Al Qaeda in the 1990s and the attacks on September 11 2001 and covering events through ISIS's dramatic surge in Iraq and Syria the hundreds of detailed entries also examine historical trends nations and ethnicities involved in the conflicts influential figures and organizations economic political diplomatic and cultural influences wars campaigns and battles and important weapons systems The set's A Z organization makes it an easy to use ready reference for high school and college students Perspective essays on several controversial topics such as the use

of torture and the effects of the Patriot Act serve to inspire readers to apply critical thinking A detailed chronology is provided to help students place all the important events that have occurred in the Afghanistan War Iraq War and War on Terror Each of the chronologically arranged primary documents is introduced with a brief overview to provide important background information and context
