Not All Hawks A Novel Of Byzantium:

Not All Hawks Robert Nisbet, 2004-04-30 A thousand years ago the world was a dangerous place Only the walls of Constantinople and the shields of its army protected the light of classical civilization from going out forever Bardas Dalassas second son of a minor noble has taken up the challenge and become a member of the elite core of the world's only professional army Posted to the eastern frontier he is quickly caught up in a web of treachery and intrigue that sets him on a path that could topple the very empire he has sworn to protect On his first patrol he is ambushed and captured by the leader of Pecheneg nomads Brutally maimed Bardas swears vengeance and begins a journey that takes him from the heart of the Byzantine Empire to the camps of the nomad barbarians Along his journey Bardas discovers that there is no such thing as simple vengeance

The Year's Best Science Fiction Gardner R. Dozois, 1986-04 Science fiction at its very best this award winning anthology features works by the top sci fi writers of the year

The Riddles of the Exeter Book Frederick Tupper, 1910

Modern Classic Short Novels Of Science Fiction Gardner Dozois, 2014-10-28 The novella is in the words of Gardner Dozois a perfect length for a science fiction story long enough to enable you to flesh out the details of a strange alien world or a bizarre future society and yet still short enough for the story to pack a real punch The thirteen masterpieces assembled in *Modern Classic Short Novels of Science Fiction* travel to the farthest reaches of the imagination through realms of immortality along alternate paths of time and across vast galaxies to explore the best of all imaginable worlds

St. Nicholas Mary Mapes Dodge, 1905

Byzantium's Crown Susan Shwartz, 2014-04-01 A fantasy of an alternate Byzantine Empire by a Hugo and Nebula Award finalist Byzantium lies at the intersection of East and West in the heart of the most opulent empire the world has ever known Warrior Prince Marric has to fight for his right to defend his position as heir of the kingship Last in the powerful line of kings descended from Alexander the Great he is ordained by the gods of the people to rule alongside his beloved and wise sister Alexa But a sorcerer of dark magic has usurped the throne and Marric is exiled To win back his rule he must learn the arts of magic in order to defeat the dark sorcerer In the land of Egypt amidst the slave markets and the luxurious perfumed villas of the wealthy he encounters a silver haired slave girl who can teach him the arts of magic for Marric knows that he cannot vanquish his enemy with sword and strength alone

Conversations with Orhan Pamuk Erdağ Göknar, Pelin Kivrak, 2024-01-18 In over thirty interviews conducted between 1982 and 2022 *Conversations with Orhan Pamuk* reveals a writer of intense literary and political engagement Nobel laureate Orhan Pamuk b 1952 is a foremost practitioner of the global novel today His books have been translated into over sixty languages and sold over fifteen million copies globally The interviews in this volume open windows onto Pamuk's everyday life craft and process constituting an alternative literary history that provides insights into the novelist's influences method form and content These conversations reveal that a Pamuk novel is predicated on methodical research at times archival and scholarly investigative and journalistic or ethnographic They are necessarily instructive and edifying as much as they are entertaining providing a

discursive space of literary history where writing politics and the everyday intersect and where the politics of literature can be located

Hostages to Fortune William Humphrey, 2015-02-17 A father bravely confronts an unthinkable tragedy in William Humphrey's most heart wrenching novel In the aftermath of his son's suicide Ben Curtis returns to the upstate New York fishing lodge that holds some of his happiest memories It has been two years since his last visit and Ben thirty pounds lighter his dark hair turned white is barely recognizable to people who have fished alongside him for twenty summers For the first time in all those years he has made the trip alone Over the course of the weekend as Ben tramps through the forest and relearns the secrets of catching trout he recalls the joys of the past and reckons with the grim reality of the present Anthony a Princeton freshman who inherited his father's love of the outdoors is gone So too is the man he was named after Tony Thayer Ben's best friend and former fishing companion And Ben has no idea where his wife Cathy might be In the wake of Anthony's death their already strained marriage fell apart Where does a man turn when everything he put his faith in friends family love is destroyed In the exhilaration of fly casting into an icy mountain stream Ben hopes to find the answer Hailed by the Chicago Tribune as a desperate impressive astonishing book *Hostages to Fortune* is a profound and deeply moving meditation on the art of survival This ebook features an illustrated biography of William Humphrey including rare photos from the author's estate

Religion and Memory in Tacitus' Annals Kelly E. Shannon-Henderson, 2018-12-12 Throughout his narrative of Julio Claudian Rome in the Annals Tacitus includes numerous references to the gods fate fortune astrology omens temples priests the emperor cult and other religious material Though scholars have long considered Tacitus discussion of religion of minor importance this volume demonstrates the significance of such references to an understanding of the work as a whole by analyzing them using cultural memory theory which views religious ritual as a key component in any society's efforts to create a lived version of the past that helps define cultural identity in the present Tacitus who was not only an historian but also a member of Rome's quindecimviral priesthood shows a marked interest in even the most detailed rituals of Roman religious life yet his portrayal of religious material also suggests that the system is under threat with the advent of the principate Some traditional rituals are forgotten as the shape of the Roman state changes while simultaneously a new form of cultic commemoration develops as deceased emperors are deified and the living emperor and his family members are treated in increasingly worshipful ways by his subjects This study traces the deployment of religious material throughout Tacitus narrative in order to show how he views the development of this cultic amnesia over time from the reign of the cryptic autocratic and oddly mystical Tiberius through Claudius failed attempts at reviving tradition to the final sacrilegious disasters of the impious Nero As the first book length treatment of religion in the Annals it reveals how these references are a key vehicle for his assessment of the principate as a system of government the activities of individual emperors and their impact on Roman society and cultural identity The Best of the Best, Volume 2 Gardner Dozois, 2007-02-06 Thirteen masterfully written longer tales that span the spectrum of speculative fiction's most inventive scenarios An indispensable treasury Booklist This outstanding follow up to Dozois's Best of the Best Volume 1 pays homage to the science fiction novellas of the past two decades and by extension to the entire genre in all its varied glory Publishers Weekly starred review For more than twenty years The Year's Best Science Fiction has been recognized as the best collection of short science fiction writing in the universe and an essential resource for every science fiction fan In 2005 the original Best of the Best collected the finest short stories from that series and became a benchmark in the SF field Now for the first time ever Hugo Award winning editor Gardner Dozois sifts through hundreds of stories and dozens of authors who have gone on to become some of the most esteemed practitioners of the form to bring readers the ultimate anthology of short science fiction novels from his legendary series Included are such notable short novels as Sailing to Byzantium by Robert Silverberg In the twentieth century people of Earth are able to create entire cities on a whim including those of mythology and legend When twentieth century traveler Charles Philip accidentally lands in this aberrant time period he is simultaneously obsessed with discovering more about this
