digital library accessible through institutions by annual subscription or on perpetual access see www.bloomsburyculturalhistory.com Individual volumes for academics and researchers interested in specific historical periods are also available digitally via www.bloomsburycollections.com Anti-Foreign Imagery in American Pulps and Comic Books, 1920-1960 Nathan Vernon Madison, 2013-01-17 In this thorough history the author demonstrates via the popular literature primarily pulp magazines and comic books of the 1920s to about 1960 that the stories therein drew their definitions of heroism and villainy from an overarching nativist fear of outsiders that had existed before World War I but intensified afterwards These depictions were transferred to America's new enemies both following U.S. entry into the Second World War and during the early stages of the Cold War Anti foreign narratives showed a growing emphasis on ideological as opposed to racial or ethnic differences and early signs of the coming multiculturalism indicating that pure racism was not the sole reason for nativist rhetoric in popular literature The process of change in America's nativist sentiments so virulent after the First World War are revealed by the popular inexpensive escapism of the time pulp magazines and comic books **Robert E. Howard** Willard M. Oliver, 2025-04-15 Robert E Howard 1906-1936 is most widely known today as the creator of Conan the Cimmerian more popularly referred to as Conan the Barbarian However he also wrote across a wide array of genres for the pulp magazines of the 1920s and 1930s including westerns sports stories boxing adventures supernatural horror and even humor Howard also created many other popular characters such as King Kull Bran Mak Morn Solomon Kane Steve Costigan and Breckenridge Elkins More importantly he created two specific subgenres of fiction sword and sorcery sometimes referred to as heroic fantasy and weird westerns Born and raised in Texas Robert E Howard began his writing career after his family settled in the small Central Texas town of Cross Plains His first professional sale came from the pulp magazine *Weird Tales* in 1925 and over the next eleven years he wrote hundreds of stories and an equal number of poems With this prolific body of stories he was among the most lauded pulp authors of that era It has been said and rightly so that the secret to his success was that there was a bit of Howard in every one of his characters and because Howard was a Texan even Conan shows elements of the Texan in his persona Robert E Howard *The Life and Times of a Texas Author* details the many trials and tribulations he faced as he became and remained a full time writer while dealing with an aging father and caring for a mother who was dying of tuberculosis The book both chronicles his personal life and demonstrates how the one driving force in Robert E Howard's life forming the foundation for all of his characters and stories was his personal pursuit of freedom He lived for his freedom he wrote as a means to attain that freedom and while it may sound strange he also died tragically by his own hand in that very same pursuit at the young age of 30
