The Publishers Weekly ,1926 *Bookseller and Print Dealers Weekly* ,1929 **Charlemagne in Italy** Jane E. Everson,2023 An exploration of the many depictions of Charlemagne in the Italian tradition of chivalric narratives in verse and prose Chivalric tales and narratives concerning Charlemagne were composed and circulated in Italy from the early fourteenth to the mid sixteenth century and indeed subsequently flourished in forms of popular theatre which continue today But are they history or fiction Myth or fact Cultural memory or deliberate appropriation Elite culture or popular entertainment Oral or written performed or read Beginning in the age of Dante with the earliest tales composed for Italians in the hybrid language of Franco Italian which draw inspiration from the French tradition of Charlemagne narratives the volume considers the compositions of anonymous reciters of cantari and the prose versions of the Florentine Andrea da Barberino before discussing the major literary contributions to the genre by Luigi Pulci Matteo Maria Boiardo and Ludovico Ariosto The focus throughout is on the ways in which the portrait of Charlemagne seen as both Emperor and King of France is persistently ambiguous affected by the contemporary political situation and historical events such as invasion and warfare He emerges through these texts in myriad guises from positive and admirable to negative and despised **Horticultural Reviews, Volume 1** Jules Janick,2011-01-11 Horticultural Reviews presents state of the art reviews on topics in horticultural science and technology covering both basic and applied research Topics covered include the horticulture of fruits vegetables

nut crops and ornamentals These review articles written by world authorities bridge the gap between the specialized researcher and the broader community of horticultural scientists and teachers

Global Nonlinear Dynamics for Engineering Design and System Safety Stefano Lenci, Giuseppe Rega, 2018-09-24 This is the first book which exploits concepts and tools of global nonlinear dynamics for bridging the gap between theoretical and practical stability of systems structures and for possibly enhancing the engineering design in macro micro and nano mechanics Addressed topics include complementing theoretical and practical stability to achieve load carrying capacity dynamical integrity for analyzing global dynamics for interpreting predicting experimental behavior for getting hints towards engineering design techniques for control of chaos response of uncontrolled and controlled system models in applied mechanics and structural dynamics by also considering the effect of system imperfections from relatively simple systems to multidimensional models representative of real world applications potential and expected impact of global dynamics for engineering design

Debrett's Peerage, Baronetage, Knightage, and Companionage ,1920 Witnessing Peace Janna L.

Hunter-Bowman,2022-07-21 This book rooted in the disciplines of theology and peace studies reflects with and on war affected communities in Colombia about transitioning from violence to peace It argues that much that is significant for peace building in situations of war escapes the notice of governments human rights organizations and academics because it is accomplished through a kind of agency they do not recognize This book names that agency as constructive agency under duress and demonstrates its significance for peacebuilding by reflecting on a form that the author has seen operating in Colombia over nearly two decades **Book-prices Current** ,1892
