The Odyssey of Communism Michaela Praisler, Oana-Celia Gheorghiu, 2021-05-14 This volume looks into the ways in which film has contaminated and re shaped culture's and the collective unconscious at both local and global levels arguing that our lives have been impacted by the then that we keep revisiting lest we forget It takes the reader from the Berlin Wall to China and from the terror of communist political prisons and labour camps to the rosy image promoted by propaganda A key point throughout the text is its interdisciplinary nature as it brings together literature and film scholars directors sociologists and philosophers whose overall conclusion is that

communism lingering in mentalities still needs interrogation Structured along four parts which trace a Homeric or rather Joycean journey to a home metonymised by the long awaited freedom this book sets out from the gloomiest aspects of totalitarianism in the Romanian Serbian and Soviet Hades es of traumatic psychological and physical experiences and of imposed silencing The second part gathers together case studies of films illustrating more optimistic views of communism as spring in the USSR or as a golden age in Romania thus narcotising the communist subjects and preventing them from seeing the actual inferno The third section offers filmic accounts of the aftermaths of communism engaging the readers in a nostalgic process that revisits questions reflects on and remembers communism on a larger world stage The coda rounds up the volume and the journey therein by crossing genre frontiers to written narratives with a cinematic component **Alive and Writing** Larry McCaffery, Sinda Gregory, 1987 *Conversations with Ursula K.
