Prague Bernd F. Gruschwitz, 2001 Colourful handy sized travel guides with separate map **Heart of Europe** Peter H. Wilson, 2016-04-04 An Economist and Sunday Times Best Book of the Year Deserves to be hailed as a magnum opus Tom Holland The Telegraph Ambitious seeks to rehabilitate the Holy Roman Empire's reputation by re-examining its place within the larger sweep of European history Succeeds splendidly in rescuing the empire from its critics Wall Street Journal Massive ancient and powerful the Holy Roman Empire formed the heart of Europe from its founding by Charlemagne to its destruction by Napoleon a millennium later An engine for inventions and ideas with no fixed capital and no common language or culture it derived its legitimacy from the ideal of a unified Christian civilization though this did not prevent emperors from clashing with the pope for supremacy In this strikingly ambitious book Peter H Wilson explains how the Holy Roman Empire worked why it was so important and how it changed over the course of its existence The result is a tour de force that raises countless questions about the nature of political and military power and the legacy of its offspring from Nazi Germany to the European Union Engrossing Wilson is to be congratulated on writing the only English language work that deals with the empire from start to finish A book that is relevant to our own times Brendan Simms The Times The culmination of a lifetime of research and thought an astonishing scholarly achievement The Spectator Remarkable Wilson has set himself a staggering task but it is one at which he succeeds heroically Times Literary Supplement **New Europe** Michael Palin, 2010-05-27 No 1 bestseller and superstar doing what he does best introducing millions of avid readers to little known peoples and places Until the early 1990s when the Berlin Wall came tumbling down travelling behind the iron curtain was never easy In undertaking his new journey through Eastern Europe breathing in its rich history and exquisite sights and talking to its diverse peoples Michael fills what has been a void in his own experience and that of very many others NEW EUROPE is very much a voyage of discovery from the snows of the Julian Alps to the beauty of the Baltic sea he finds himself in countries he'd barely heard of many unfamiliar and mysterious all with tragic histories and much brighter futures During his 20 country adventure Palin meets Romanian lumberjacks drives the 8 58 stopping train from Poznan to Wolsztyn treads the catwalk at a Budapest fashion show learns about mine clearing in Bosnia and watches Turkish gents wrestling in olive oil As with all his bestselling books in his uniquely entertaining style Palin opens up a new and undiscovered world to millions of readers

Otter,1992 Prague ,1992 **Between Zionism and Judaism** Shalom Ratzabi,2021-10-25 This work provides a vivid picture of the dichotomy between the ideology preached by the radical circle of the Brith Shalom Society and the nationalism of early twentieth century Palestine Many considered the Brith Shalom Society representative of the spiritual trend of Zionism This important book examines the aspirations and cultural sources of these men from Central Europe who met in Palestine as members of the Brith Shalom Society during the first half of the twentieth century in the context of the political reality of a pre independent Palestine and the new state of Israel The fact that this circle included well known personalities such as Samuel Hugu Bergmann Gershom Scholem Erenst Simon Hans Kohn and ecumenists such as Martin Buber and Judah L Magnes none of whom was a politician in the ordinary sense makes this study all the more fascinating and compelling

Between Zionism and Judaism Shalom Ratsabi,2002 The tension between nationalism and humanism on one hand and between Zionism and Judaism on the other is vividly illustrated by this work This is done through a comprehensive description of a variety of sources and ideas that inspired the Brith Shalom Society s radical circle in early twentieth century Palestine **Touching the Horizon** Karin Jarman,2008 There is gold at the end of the rainbow As a child

Karin Jarman loved to gaze into the distance longing to reach the horizon She had an urge to travel the very word seeming to have an enchanting effect This along with a deep connection to fairy tales inspired her to embark on her own magical journey to discover a mysterious castle by a far off Golden City Karin s opportunity came in her forty ninth year with her children grown and independent Entertaining many doubts she eventually set aside work and family and began a pilgrimage to the

fourteenth century Gothic castle of Karlstein which had been built by Charles IV near Prague in the Czech republic Unlike many modern day pilgrims however she made the entire journey on foot while gratefully accepting the hospitality of strangers Her purpose was not feats of endurance or athletic prowess rather she was trying to create a mood of true pilgrimage to encounter the sacred through outer travels and inner transformation Her eventful travels covered more than 1 200 miles taking around twenty two weeks during which time she stayed with more than a hundred hosts Having confronted many issues of her biography she returned home a changed person with fresh resolve and initiative Touching the Horizon is Karin Jarman s remarkable story from her first inklings that such a journey might be possible to the arrival at the beautiful fairy tale castle of Karlstein She also describes the aftermath of her pilgrimage and its effects on her and her family This is a rare and gripping narrative of possibility realization and metamorphosis **DK Eyewitness Top 10 Europe** DK
