should never be afraid of him This book will help you look at Satan through the eyes of Jesus Christ and come to the realization that Satan is afraid of humanity In life in order to fight and successfully defeat your enemies you must first understand your enemies and their limitations You must use weapons capable of destroying the forces of your enemies otherwise you will be fighting a lost battle Jesus Christ is the light of God in the garden of Eden Satan disguised himself when he deceived Eve because he knew the strength and weakness of Eve he also knew that to destroy Adam you must go through Eve Adam and Eve on the other hand were oblivious of Satan s true identity strength and limitations which explains why they failed and subsequently gave birth to the sins of the world In the wilderness Satan did not try to disguise himself when he tempted Jesus Christ because Jesus was cognizant of Satan s true identity limitations his source of strength and what it takes to humiliate or resist him Jesus knew exactly when and how to tell Satan to back off When the giant Goliath attacked the Israelites the young David with no warfare experience decided to confront Goliath because he knew and understood the limitations of the giant From a supernatural standpoint David knew that nothing is more powerful than the true living God The truth is that Satan doesn t want you to know that he is vulnerable inferior to you and afraid of humanity he also doesn t want you to know that he is fighting a lost battle God has given you everything you need to resist and humiliate Satan because the battle was fought on the cross and Jesus Christ has overcome the world I have told you these things so that in me you may have peace In this world you will have trouble But take heart I have overcome the world John 16 33 When you read this book you will come to the conclusion that Satan is afraid of you Jesus loves you *The Light Shines On in the Darkness* Robert Spitzer,2017-06-20 Why would an all loving God allow suffering Are not suffering and love opposed to one another Does suffering have any meaning or benefit Is there any objective evidence for God for a soul that will survive bodily death for the resurrection of Jesus Who is God anyway benevolent and loving or angry and retributive Fr Robert Spitzer S J gives a comprehensive response to these questions and many others explaining the contemporary evidence for God the soul and the resurrection He discusses how God uses suffering to lead us to compassion for others and eternal life He also shows how the Holy Spirit guides us through times of suffering toward our salvation explaining the signs and the interior movements that reveal the Spirit s actions Fr Spitzer not only addresses the perplexing questions associated with suffering but teaches us how to suffer well He points out some of the most common mistakes people make when trying to interpret God s motives for allowing or alleviating suffering He demonstrates why suffering in combination with love is one of the most powerful motivating agents for personal cultural and societal development *Let There Be Art* Rachel Marie Kang,2022-10-11 Perhaps in no other way do we more vibrantly reflect our creator than with our creativity Whether through music writing baking painting posting on social media dancing or any other form of artistic expression within our grasp we were created to create Yet there are times we may be unsure about our art times when our creating and making doesn t feel possible or purposeful or practical Rachel Marie Kang wants you to know that your art is not peripheral to life it is at the very

this book believers will Find courage and confidence from fellow believers who have gone before us Feel empowered as God reminds them of His promises fulfilled and yet to come Understand the strategies tactics and deceptions Satan uses to try to keep us paralyzed with anxiety and fear Build up their mental strength by intentionally living their life for God and mindfully pursuing the light of the world Study the book of Revelation and how God uses it to encourage His people through dark times and hardships In *The Overcomers* Matt Chandler reminds readers that they don't have to be anxious or afraid of anything in the present or in the future because both have already been won We are not victims but overcomers and we are a key part of what God is working out in our day God is at work in the mess just as He has always been and He continues to accomplish His purpose of seeking and saving the lost

The Death of the Promise Thomas Sheets, 2020-03-19 This book is a continuation of my first effort *The Road to Restoration* As I continued to write God led me to an understanding of Paul's conversion that made this whole project worthwhile As a Pharisee Paul came to his encounter with the risen Christ with a saved mind set that was sacred to him as it was to all Pharisees Years later Paul writes in *Romans* and *Galatians* about being a child of the promise of salvation His conversion was therefore from believing he was saved possessing salvation to being possessed by the hope and promise of salvation and looking forward to that moment of reward resurrection and the fulfilment of the promise God made to Abraham at Christ's Second Coming I never had a sense of having been saved so It was easy for me to see myself like Paul living in the light of the hope and promise of salvation It was also easy to see the people around me with their sacred saved mind set being in the same darkness Paul was in before his encounter with Christ This is the conversion that most in our

culture desperately need to have today Living in the light of the promise of salvation rather than in the darkness of the possession of salvation Paul details his conversion very vividly in Titus 3:3-7 read NIV He also tells us that this is the foundation of his faith in Titus 1:2 NIV prior to 2011 I hope as you read you will see how this evolved in my head as I did not know the end at the beginning I did not work from an outline and only wrote as I was being led by the Spirit
