Pushing Back The Boundaries The European Union And Central And Eastern Europe:

Pushing Back the Boundaries Mike Mannin, 1999 Missionary families were an integral component of the missionary enterprise both as active agents on the global religious stage and as a force within the enterprise that shaped understandings and theories of mission itself Taking the family as a legitimate unit of historical analysis in its own right for the first time Missionary families traces changing familial policies and lived realities throughout the nineteenth century and powerfully argues for the importance of an historical understanding of the missionary enterprise informed by the complex interplay between the intimate the personal and the professional By looking at marriage parenting and childhood along with professionalism vocation and domesticity this first in depth study of missionary families reveals their profound importance to the missionary enterprise and concludes that mission history can no longer be written without attention to the personal emotional and intimate aspects of missionary lives *Women and Citizenship in Central and Eastern Europe* Joanna

Regulska, 2017-03-02 The transformations seen in women s active citizenship in Central and Eastern Europe mirror the social political and economic transformations in the region since the fall of communism at the end of the 1980s This book challenges the universal notion of citizenship by focusing on the diversity of situations women in this region have found themselves in since the end of the 1980s looking at the challenges and struggles they have faced to assert themselves as citizens and their citizenship rights Featuring detailed case studies which demonstrate the social and political discrimination between women that still exists the book will be of interest to academics and post graduate students in women s gender studies political sociology and European studies *The Eastern Enlargement of the European Union* John

O'Brennan, 2006-04-18 In May 2004 eight former communist states in Central and Eastern Europe acceded to the European Union This new book examines the Eastern expansion of the EU through a tripartite structure developing an empirical conceptual and institutional analysis to provide a rounded and substantive account of EU enlargement with new theoretical insights The foreword is by written by Pat Cox former president of the European Parliament John O Brennan also explores why the EU decided to expand its membership what factors drove this process forward how did the institutional environment of the EU influence enlargement outcomes In this context he comprehensively covers the role of the European Council Commission and Parliament This important volume will of great interest to students and scholars of European politics and European Union studies *The A to Z of the European Union* Joaquín Roy, Aimee Kanner, 2009-09-17 Over half a century old

and continuing to grow in strength and authority the European Union consists of 25 member states with more on the waiting list and a population of 450 million people Its influence in foreign and domestic affairs and human rights and law reaches far beyond its earlier fields of trade and politics From the initial ideas about integration leading to the Treaty of Paris and the creation of the European Coal and Steel Community to the current reflection on the Treaty establishing a Constitution for Europe The A to Z of the European Union encompasses the most basic elements of the EU and the components that have

emerged as a result of them Through the use of maps photographs a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on topics such as leaders personalities institutions enlargements member states internal policies external relations basic theories treaties and law this dictionary tells a clear and complete story about the European Union that will assist those with greater interest in understanding it *Spatial Planning and Urban Development in the New EU Member States* Uwe Altrock, Simon Güntner, 2017-03-02 Accession to the EU in May 2004 was a historic milestone for the spatial and urban development of the new member states Meanwhile the social and economic transition during the pre accession phase already brought about radical changes in national urban systems and new challenges for regional development In this edited volume a carefully selected and specially commissioned set of articles written by experts from both the new and the old EU member states presents a comprehensive assessment of emerging political and planning solutions at local regional national and EU levels Topics include brownfield redevelopment in the Czech Republic urban sprawl in Hungary the upgrading and integration of marginalized Roma settlements in Eastern Slovakia and sustainable coastal management in Cyprus *From Soviet Republics to EU Member States* Peter Van Elsuwege, 2008 This book offers a comprehensive analysis of the legal and political challenges surrounding the EU accession of the Baltic States It examines the impact of EU enlargement on relations with Russia and on the constitutional development of the countries concerned *Understanding Central Europe* Marcin Moskalewicz, Wojciech Przybylski, 2017-11-20 Central Europe is a vague and ambiguous term more to do with outlook and a state of mind than with a firmly defined geographical region In the immediate aftermath of the collapse of the Iron Curtain Central Europeans considered themselves to be culturally part of the West which had been politically handicapped by the Eastern Soviet bloc More recently and with European Union membership Central Europeans are increasingly thinking of themselves as politically part of the West but culturally part of the East This book with contributions from a large number of scholars from the region explores the concept of Central Europe and a number of other political concepts from an openly Central European perspective It considers a wide range of issues including politics nationalism democracy and the impact of culture art and history Overall the book casts a great deal of light on the complex nature of Central Europe Inclusion, Exclusion and the Governance of European Security Mark Webber, 2013-07-19 How inclusive are NATO and the EU Recently enlargement s limits have increasingly come to be recognised bringing with it an important debate on the balance to be struck between inclusion and exclusion This book examines that sometimes awkward balance Research Handbook on Legal Aspects of Brexit Adam Łazowski, Adam Cygan, 2022-11-18 Illustrating the legacy of Brexit this timely Research Handbook provides a comprehensive and coherent analysis of not only the Brexit process within the UK but also what it means for both the UK and the EU within the framework of their future relationship **Globalization and Transformations of Local Socioeconomic Practices** Ulrike Schuerkens, 2008-04-18 This innovative volume offers analytical and comparative insights into current socio economic

practices as well as an assessment of the overall economic globalization phenomenon By looking at empirical case studies of different civilizations and cultures this volume assesses of intertwining of local socio economic practices and global economic modernity

Public Policy and the New European Agendas Fergus Carr, Andrew Massey, 2006-01-01 This broad and all encompassing study focuses on Europe s new policy agendas It brings together international academic experts on a range of policies to discuss Europe s place in the world and its relationship to the USA and beyond This book concentrates on two key themes of particular salience for policy makers the enlargement of the EU and the place of Europe in international politics An expansive list of important policy areas within these themes is explored including enlargement political and constitutional implications and international socialization of central and eastern Europe Europe and the USA security and defence policy trade finance and development institutional development and external relations in justice and home affairs before and after September 11 international terrorism EU immigration and asylum and borders policy human rights and civil rights agriculture environmental policy and regional policy pensions and ageing in Europe This book constitutes a major contribution to achieving a deeper understanding of European integration and the barriers to integration within the context of global and multi level governance As such it will be of enormous interest to an extensive audience including academics researchers students policy makers and practitioners in the fields of political studies international relations public policy European studies US studies and security studies

Negotiating the New Europe Dimitris Papadimitriou, 2018-02-06 This title was first published in 2002 Offering a new and challenging perspective on how the European Union EU sought to structure its relations with Central and Southeast Europe after the Cold War this volume draws upon key debates in both politics and international relations A historically and theoretically informed examination of the EU s engagement in Central and Eastern Europe since 1989 the book combines conceptual rigour with clear empirical analysis firmly grounding the study of the European Union s current enlargement process in established theoretical perspectives The book is written in an engaging and accessible way which will appeal to academics students and practitioners alike [European Access](#) ,2000

The European Union as a Global Actor Charlotte Bretherton, John Vogler, 1999 This comprehensive up to date and theoretically informed text examines the full range of the European Union s external relations including the Common Foreign and Security Policy It looks at the increasingly important part the EU plays in global politics The authors argue that the EU s significance cannot be grasped by making comparisons with traditional states Key issues covered include the status coherence consistency and roles of the EU as an actor and what being an actor means in practice how the field of trade relations forms the basis of the EUs activities the EU in global environmental diplomacy North South relations and in relation to the Mediterranean and East Central Europe the EUs controversial relationship to the Common Foreign and Security Policy and defence

Contemporary Issues and Debates in EU Policy Vassiliki N. Koutrakou, 2004 An exploration of the European Union with sections on conflict intelligence and security immigration and human rights world economic

development and environmental sustainability high technologies and their growing impact **The European Union and its eastern neighbourhood** Mike Mannin,Paul Flenley,2018-01-17 This volume is timely in that it explores key issues which are currently at the forefront of the EU's relations with its eastern neighbours It considers the impact of a more assertive Russia the significance of Turkey the limitations of the Eastern Partnership with Belarus and Moldova the position of a Ukraine in crisis and pulled between Russia and the EU security and democracy in the South Caucasus It looks at the contested nature of European identity in areas such as the Balkans In addition it looks at ways in which the EU's interests and values can be tested in sectors such as trade and migration The interplay between values identity and interests and their effect on the interpretation of europeanisation between the EU and its neighbours is a core theme of the volume *Designing Democracy* G. Pridham,2005-05-11 Designing Democracy is the first systematic and in depth study of the effects of the EU's democratic conditionality originally set out in the Copenhagen conditions of 1993 on the new political systems of Central and Eastern Europe Using new material drawn from extensive elite interviews in several of these countries as well as in Brussels the book throws much light on how far the EU enlargement process has really strengthened these new post Communist democracies following their transitions in the 1990s Local Government Reforms in Countries in Transition Frederick A. Lazin,Matt Evans,Vincent Hoffmann-Martinot,2008-05-01 Local Government Reforms in Countries in Transition explores the impacts that the end of the Cold War and increased globalization have had on government around the world The decentralization of national governments has led to a greater role for local governments public administration and democratic representation are the new arena of local governments the world over Focusing not only on countries from the former Soviet Union but also on Israel China South Africa and Egypt the contributors to this volume present a truly global investigation of countries experiencing governmental transformation The Political Economy of Competitiveness in an Enlarged Europe J. Pellegrin,2016-10-18 Central and Eastern European countries are entering the development race at a crucial juncture in EU enlargement and the wider phenomenon of globalization In the face of hesitant and controversial EU policy these countries need to engage sound development strategies International production networks are expected to be decisive in helping them strengthen their competitiveness and establish knowledge based economies In this book Julie Pellegrin looks at whether and how production networks develop in Central and Eastern European countries and assesses their chances of catching up with the rest of Europe *New Pathways in International Development* Maurizio Carbone,Marjorie Lister,2017-11-30 Gender considerations and civil society are both major issues in the current debate about the implementation of EU development policy This volume provides a new perspective and focus on the increasingly important issues of gender equality democracy and participation to explain how they impact on policy This book will appeal to those interested in the European Union in EU external relations gender issues civil society and development
