Pushing Up The Internet Daisy:

Pushing Up the Internet Daisy Steve Robinson, 2005-12 A fun collection of short internet stories created for the geek out there who wants to know everything

Girl: Broken S. Williams, 2021-09-08 The escaped victim of a cult is at risk of being swallowed up again in this tense novel of psychological suspense by the author of *Only You* When Daisy wakes up she knows something is very wrong She is alone in her flat and a mobile phone is ringing A message for her flashes up on the screen The problem is Daisy doesn't own a mobile As a survivor of a malevolent cult known as The Fishermen she still suffers from her past Having made a simple existence for herself she now finds that her life has been invaded Because the message a single image has been sent by them shattering the fragile reality she has made She shows it to her new friend Jay who tries to reassure her But is Jay all she seems Because if The Fishermen are back Daisy can't trust anyone Not even herself

A Virtual Love Andrew Blackman, 2013-03-01 A compelling and very entertaining look at the complexities of our hyperreal age an insightful and witty exploration of the disconnect between image and reality truth and appearance and whether love and sincere sentiment can overcome the short term thrills of social media James Miller

For Jeff Brennan juggling multiple identities is a way of life Online he has dozens of different personalities and switches easily between them Offline he shows different faces to different people the caring grandson the angry eco protester the bored IT consultant So when the beautiful Marie mistakes him for a famous blogger he thinks nothing of adding this new identity to his repertoire But as they fall in love and start building a life together Jeff is gradually forced into more and more desperate measures to maintain his new identity and the boundaries between his carefully segregated personas begin to fray In a world where truth is a matter of perspective and identities are interchangeable Jeff finds himself trapped in his own web of lies How far will he go to maintain his secrets And even if he wanted to turn back would he be able to

You, Me, and Our Heartstrings Melissa See, 2022-08-02 What if the whole world was watching while you fell in love for the first time Daisy and Noah have the same plan use the holiday concert to land a Juilliard audition But when they're chosen to play a duet for the concert they worry that their differences will sink their chances Noah a cello prodigy from a long line of musicians wants to stick to tradition Daisy a fiercely independent disabled violinist is used to fighting for what she wants and likes to take risks But the two surprise each other when they play They fall perfectly in tune After their performance goes viral the rest of the country falls for them just as surely as they're falling for each other But viral fame isn't all it's cracked up to be No one seems to care about their talent or their music at all People have rewritten their love story into one where Daisy is an inspiration for overcoming her cerebral palsy and Noah is a saint for seeing past it Daisy is tired of her disability being the only thing people see about her and all of the attention sends Noah's anxiety disorder into high speed They can see their dream coming closer than it's ever been before But is the cost suddenly too high

Tell Me Everything Erika Krouse, 2022-03-15 Winner of the 2023 Edgar Award for Best Fact Crime A New York Times Book Review Editors Choice Part memoir and part literary true crime Tell Me

Everything is the mesmerizing story of a landmark sexual assault investigation and the female private investigator who helped crack it open Erika Krouse has one of those faces I don't know why I'm telling you this people say spilling confessions In fall 2002 Erika accepts a new contract job investigating lawsuits as a private investigator The role seems perfect for her but she quickly realizes she has no idea what she's doing Then a lawyer named Grayson assigns her to investigate a sexual assault a college student who was attacked by football players and recruits at a party a year earlier Erika knows she should turn the assignment down Her own history with sexual violence makes it all too personal But she takes the job anyway inspired by Grayson's conviction that he could help change things forever And maybe she could too Over the next five years Erika learns everything she can about P I technique tracking down witnesses and investigating a culture of sexual assault and harassment ingrained in the university's football program But as the investigation grows into a national scandal and a historic civil rights case that revolutionizes Title IX law Erika finds herself increasingly consumed When the case and her life both implode at the same time Erika must figure out how to help win the case without losing herself

To Catch a Mermaid Suzanne Selfors, 2009-02-01 Boom Broom doesn't think his life could get any worse Ever since his mother was swept away by a twister his family has gone crazy They refuse to leave the house and Boom and his sister Mertyle are looked after by Halvor the Viking descendant who rents the room over their garage When Boom finds a baby mermaid who seems to grant unlimited wishes he thinks his luck has turned around That is until his sister is hit by the curse of the merfolk Now Boom and his best friend Winger must find a way to return the merbaby to its mother and save Mertyle before it is too late

Mum & Dad Joanna Trollope, 2020-03-05 A Richard Judy Book Club Pick Set in the vineyards of Spain Mum Dad is a heartwarming family drama about later life and healing old wounds From Joanna Trollope the number one bestselling author of *An Unsuitable Match* filled with her trademark humour and wisdom Trollope's bestselling novel brings elegance and warmth to a painfully familiar dilemma Daily Mail What happens when family roles are reversed and the children must look after mum and dad It's been twenty five years since Gus and Monica left England to start a new life in Spain building a wine business from the ground up However when Gus suffers a stroke and their idyllic Mediterranean life is thrown into upheaval it's left to their three grown up children in London to step in As the children descend on the vineyard it becomes clear that each has their own idea of how best to handle their mum and dad as well as the family business But as long simmering resentments rise to the surface and tensions reach breaking point will the family finally fall apart No one dissects the intricacies of family relationships quite like Joanna Trollope Good Housekeeping

Ruthless Phil Trupp, 2010-08-20 Ruthless is a candid exploration of the criminal subculture of Wall Street and one of the first books to speak for the victims of the financial meltdown On February 14 2008 author Phil Trupp received a call from one of his brokers telling him a large portion of his investments were frozen on ice turning his life and plans for retirement upside down When the fog started to clear Trupp realized he was one of many investors caught up in what experts called the greatest attempted securities fraud in

modern Wall Street history a 336 billion scam which made the savings and loan scandal of the 1980s look like a simple street mugging The path to destruction financial or otherwise often begins with a simple proposition For author Phil Trupp it came from one of his stock brokers Take it Phil It s free money This free money came from auction rate securities ARS Auction Rate Securities are corporate or municipal bonds with a long term maturity for which the interest rate is reset at frequent auctions ARS interest rates were higher than money markets and were sold as completely safe liquid Triple A rated cash equivalents a deceptive sales pitch that lured hundreds of thousands of investors to buy the securities Since 2008 most auctions have failed leaving the market largely frozen The victims ranged from individual investors to the Joffe Foundation a nonprofit that can no longer fund programs that help prevent AIDS in Africa to the Port Authority of New York While this is a classic 21st century tale of Wall Street greed and betrayal it is also a story of redemption and the life altering struggle of American investors and others around the world who in the end beat the Wall Street fraud masters Ruthless is a story of how individual investors became mad as hell and joined together to reclaim their cash investments So far they ve reclaimed more than 200 billion and continue fighting for the rest A lively page turning guide for any investor with a stunning lesson on how to fight back and win Girl: Inside S. Williams,2021-11-01 The author of Girl Broken returns with a terrifying new novel of a shadowy cult and the woman fighting to escape their murderous grasp During the 1990s Daisy grew up abused by the cult known as The Fishermen The house she was imprisoned in was destroyed by an explosion and all the members killed or at least that was what people assumed Jay an ex police officer and Joseph a professor specialising in cults and the effects of coercive control discover that some members survived Inspector Slane was a key member of The Fishermen and is still at large and she along with her network of abusers remains active and hunting for Daisy Jay is determined to find the remnants of the cult before they can find Daisy and finish the evil they started when she was a child But the trail seems cold until the murders resume

Recent Trends and Advances in Artificial Intelligence and Internet of Things Valentina E. Balas,Raghvendra Kumar,Rajshree Srivastava,2019-11-19 This book covers all the emerging trends in artificial intelligence AI and the Internet of Things IoT The Internet of Things is a term that has been introduced in recent years to define devices that are able to connect and transfer data to other devices via the Internet While IoT and sensors have the ability to harness large volumes of data AI can learn patterns in the data and quickly extract insights in order to automate tasks for a variety of business benefits Machine learning an AI technology brings the ability to automatically identify patterns and detect anomalies in the data that smart sensors and devices generate and it can have significant advantages over traditional business intelligence tools for analyzing IoT data including being able to make operational predictions up to 20 times earlier and with greater accuracy than threshold based monitoring systems Further other AI technologies such as speech recognition and computer vision can help extract insights from data that used to require human review The powerful combination of AI and IoT technology is helping to avoid unplanned downtime increase operating efficiency enable new
