*A Day in the Life* Robert Greenfield,2010-06-29 *A Day in the Life* is the story of how the ideal marriage between two young and extraordinarily beautiful members of the English upper class fell apart as the psychedelic dreams of the sixties gave way to the harsh hard rock reality of the seventies A tender moving and often harrowing look at the moment in time when the counterculture collided with the international jet set *A Day in the Life* captures the spirit of that era and the people who lived through it with unerring accuracy and heartfelt precision When Tommy Weber and Susan Puss Coriat London's most beautiful couple were married in 1964 it was the fitting end to a storybook romance But the fast cars Tommy loved to race their celebrity friends and the huge trust fund Puss had inherited masked a tortured truth both had suffered through oppressive and neglectful childhoods and were now caught up in a wildly extravagant lifestyle that neither Puss inheritance nor Tommy's increasingly desperate schemes could support Six years later Puss found herself wandering around India with her two sons while Tommy who was now smuggling drugs to survive lived in London with a stunning young actress *A Day in the Life* is also the stirring account of how the couple's two sons one of whom is the well known actor Jake Weber somehow managed to survive a childhood that would have destroyed those of lesser spirit An unbelievable true life tale that often reads like a novel *A Day in the Life* follow the fortunes and misfortunes of one remarkable family while also introducing us to an extensive cast of supporting characters that includes Keith Richards Anita Pallenberg Mick Jagger Jimi Hendrix Eric Clapton George Harrison John Lennon and Charlotte Rampling as well as many of the movers and shakers who helped create the swinging London scene
