Channel instructor and host of The Golf Fix revives a long lost technique for adjusting your putter's loft with winning results
Acclaimed instructor Michael Breed resurrects the crucial lessons of negative loft 3 degrees of it to be precise and shows
how it can revolutionize any player's short game Drawn from years of self-funded technical research The 3 Degree Putting
Solution presents the key to fixing putting woes once and for all The secret is to change the loft on the putter face from 4
degrees of positive loft as conventional wisdom dictates to a negative loft of 3 degrees The result Backspin is greatly reduced
ensuring a more consistent speed and a truer roll And by leaning the putter shaft forward golfers can all but eliminate the
ball's pesky air jump immediately after impact Shrinking the chance of error on each putt Breed has perfected the 3 Degree
technique to incorporate optimal grip posture and alignment as well as intuitive skills such as mental conditioning and how
to read the green This breakthrough guide offers practice drills with dozens of photographs and illustrations making the 3
Degree technique a powerful lesson in shaving crucial points off your score Giving readers access to the proven wisdom of a
world class instructor The 3 Degree Putting Solution is sure to spark new dialogues on how to putt like a pro *Putting
