Putting Amazing Back Into Grace Michael Horton, 2014-05-14 Leading Reformed voice offers a revised and updated edition of his landmark publication about the freeing message of saving grace DVD included Putting Amazing Back into Grace Michael Horton, 2011-10-01 What does it mean to be saved by grace Now revised and updated this classic reminds readers of the Reformation's radical view of God and his saving grace the liberating yet humbling truth that we contribute nothing to our salvation It lays out the scriptural basis for this doctrine and its implications for a vibrant evangelical faith Horton's accessible treatment will inspire readers with a fresh amazement at God's grace Foreword by J I Packer

Putting Amazing Back Into Grace Michael Horton, 2011-10 Leading Reformed voice offers a revised and updated edition of his landmark publication about the freeing message of saving grace **Putting Amazing Back Into Grace** Michael Scott Horton, 1991 Michael Horton calls us away from the trivial to the foundational from contemporary myopia to biblical clear sightedness He provides a fresh stimulating introduction to what we should mean when we say saved by grace This message with all its implications is what Christians today need more than anything else Putting Amazing Back Into Re-Envisioning Transformation David C. Scott, 2018-09-14 In today s church use Grace Michael Scott Horton, 1996-12-05 of the term transformation has become commonplace Various perspectives are offered on what a Christian view of transformation is and on how it may be achieved These often conflicting views suggest an ecclesial landscape characterized by pluralism division fragmentation confusion relativism individualism pragmatism and subjectivism Despite the current interest in transformational theology the absence of a common coherent and integrated vision and the lack of transformation is often accepted and affirmed Re Envisioning Transformation looks at the possibility of moving toward a vision of transformational theology that is cohesive unified broad effectual and distinctly Christian In this book the contributions of two radically different theologians of the Christian life are examined This provides the basis from which to develop a comprehensive and integrated framework of transformational theology pointing God's people toward the need to express and live out a distinctly Christian vision Participation and Covenant Dick Moes, 2024-03-13 In Participation and Covenant Contours of a Theodramatic Theology Moes develops a theological framework that has participation in the life of God in Christ through the Spirit as its integrative center In doing so he enters into conversation with covenant or federal theology particularly as it has been presented by Michael Horton in which the integrative center is the concept of the covenant He argues that God's fundamental relationship with humanity does not entail a covenant ontology a fundamentally legal and ethical relationship to God as we find in Horton's presentation but rather an ontology of participating in God's loving presence in Christ through the Holy Spirit For this relationship we were created and this participation is therefore natural to us Accordingly a theodramatic framework that incorporates a reframed understanding of divine human covenants and that has participation in the life of God in Christ by the Spirit as its integrative center is better able to give direction for clearly

communicating the gospel in our secular culture and for properly shaping our Christian identity and practice in the face of the secularism that affects the church too than Horton's framework of covenant theology Worship, Tradition, and **Engagement** David S. Dockery, James Earl Massey, Robert Smith Jr., 2018-04-20 Worship Tradition and Engagement is designed to honor the life scholarship and influence of Timothy George the founding dean of Beeson Divinity School Timothy George is one of the premier evangelical scholars and leading statesmen of this generation This volume reflects on the many themes of Dean George's life and ministry including theology church history gospel church worship tradition and engagement The book edited by David S Dockery James Earl Massey and Robert Smith Jr includes essays by some of the most notable scholars and leaders of our day including Kevin Vanhoozer Robert P George Albert Mohler Graham Cole Gerald Bray Elizabeth Newman Richard Mouw Thomas Guarino Will Willimon and several others Each author makes a distinctive and significant contribution to this important project bringing depth and breadth to this thematic volume designed to honor scholar and Christian leader Timothy George The Devoted Life Kelly M. Kapic, Randall C. Gleason, 2004-10-22 Notable scholars like Mark Noll and Sinclair Ferguson invite you to sit at the feet of classic Puritain writers to experience a living three dimensional portrait of the devoted life that emphasizes the Christian experience of communion with God corporate revival biblical preaching and the sanctifying working of God's Holy Spirit Edited by Kelly M Kapic and Randall C Gleason

Psalms: Volume 2 (Teach the Text Commentary Series) C. Hassell Bullock, 2017-12-05 The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding teaching and illustrating the text Word and Power Gareth W. D. Stewart, 2015-02-16 Historically the Reformed and Charismatic streams have seemed to be almost mutually exclusive In recent years this exclusivity has been being challenged by a new generation of Reformed thinkers This work aims at considering the contribution of John Wimber the late leader of the Vineyard Churches to contemporary theological reflection within the Reformed tradition Taking into account John Wimber's unique theology of the radical middle which is somewhere between Pentecostal and Evangelical this book asks whether Wimber may be a possible alternative source for the contemporary Reformed Churches as they approach ministry and mission in the twenty first century Written from a confessional Presbyterian context in Northern Ireland Word and Power places Wimber in his theological context and asks whether Wimber's view of power evangelism discipleship formation and ministry training might be a model that Reformed Churches and Presbyterians in particular could adopt for their ecclesiology today The Iov of Calvinism Greg Forster, 2012-02-29 The Bible's command to rejoice continually seems impossible and frankly unreasonable Yet despite the apparent difficulty in fulfilling this commandment Gregory Forster argues that Calvinism holds the key namely that real

Calvinism is all about joy Forster passionately holds to this belief and systematically demonstrates it by addressing popular misconceptions of what Calvinism is and is not Dismantling negative expressions of Calvinist theology Forster positively reiterates its fundamental tenents showing how God's love is the driving force behind every facet of Calvin's doctrine of salvation Written accessibly The Joy of Calvinism is an important addition to the conversation surrounding Calvinism and its advocates Skeptics and those who have had negative perceptions of Calvinism as well as Calvinists themselves will find this a helpful resource for clearing up the controversies and grasping the winsomeness of the doctrines of grace Creation: A Biblical Theological Study of Baptism Douglas Van Dorn, 2012-08-01 This is the one book on baptism that you must read It was seven years in the making The author believes that until a new approach is taken separations over the meaning mode and recipients of baptism will never be bridged This new approach traces the roots of baptism deep into the OT Scriptures When understood properly we discover that baptism is always the sign that God has used to initiate his people into a new creation Baptism in the NT is not new Rather it derives its origin from OT predecessors When we understand that baptism comes from baptism especially in its sacramental expression in the priestly covenant reasons for the NT practice begin to make perfect sense Now Baptists have an argument that infant Baptists can finally understand because we are beginning our argument in the same place Yet we continue to have very baptistic conclusions as to the mode and recipients of baptism because we root baptism in baptism rather than circumcision Salvation with a Smile Phillip Luke Sinitiere, 2015-11-13 Joel Osteen the smiling preacher has quickly emerged as one of the most recognizable Protestant leaders in the country His megachurch the Houston based Lakewood Church hosts an average of over 40 000 worshipers each week Osteen is the best selling author of numerous books and his sermons and inspirational talks appear regularly on mainstream cable and satellite radio How did Joel Osteen become Joel Osteen How did Lakewood become the largest megachurch in the U S Salvation with a Smile the first book devoted to Lakewood Church and Joel Osteen offers a critical history of the congregation by linking its origins to post World War II neopentecostalism and connecting it to the exceptionally popular prosperity gospel movement and the enduring attraction of televangelism In this richly documented book historian Phillip Luke Sinitiere carefully excavates the life and times of Lakewood's founder John Osteen to explain how his son Joel expanded his legacy and fashioned the congregation into America's largest megachurch As a popular preacher Joel Osteen's ministry has been a source of existential strength for many but also the routine target of religious critics who vociferously contend that his teachings are theologically suspect and spiritually shallow Sinitiere's keen analysis shows how Osteen s rebuttals have expressed a piety of resistance that demonstrates evangelicalism s fractured but persistent presence Salvation with a Smile situates Lakewood Church in the context of American religious history and illuminates how Osteen has parlayed an understanding of American religious and political culture into vast popularity and success Cain versus Abel: Not an Open and Shut Case Gordon Kainer, 2018-02-04 While this story reads like a short police report Cain and Abel s

tragic narrative plays a definitive role in the biblical saga called the great controversy As we review their story we might assume that if we had a chance to meet Cain and Abel just by looking we could easily determine who was the kind Abel and who was the mean spirited Cain Are you sure Would you be surprised to learn Abel was guilty of viewing Cain from a superficial perspective that gave him a misleading impression of his brother As we study their lives it s easy for us to have preconceived ideas because we don't know what was going through Cain's mind until Cain's behavior plainly displays it for all of us to see It s human to be biased But that s not God s way of judging This book dives deeper into the story to reveal God s perspective I invite you to dive in with me as objectively as possible Don t prejudge Be persuaded by biblical evidence wherever it leads you The Good Confession Daniel R. Hyde, 2007-01-01 Today too many Christians are followers of novelty religious fads and strange new doctrines unheard of in the history of the church On the contrary to be a Christian is to join the great cloud of witnesses Heb 12 1 through the ages confessing with the Body of Christ the faith that was once for all delivered to the saints Jude 3 This is what Paul called the good confession 1 Tim 6 12 This workbook will lead you in a study of what it means to be a Christian from the vantage point of the Bible the ancient Christian creeds and the Protestant confessions of the sixteenth century The Hardest Sermons You'll Ever Have to Preach Zondervan, 2011-08-23 Cancer Suicide The death of a child As much as we wish we could avoid tragedies like these eventually they will strike your church community When they do pastors must be ready to offer help by communicating the life changing message of the gospel in a way that offers hope truth and encouragement during these difficult circumstances Those asked to preach in the midst of tragedy know the anxiety of trying to say appropriate things from God's Word that will comfort and strengthen God's people when emotions and faith are stretched thin This indispensable resource helps pastors prepare sermons in the face of tragedies by providing suggestions for how to approach different kinds of tragedy as well as insight into how to handle the theological challenges of human suffering Each topic provides a specific description of the context of the tragedy the key concerns that need to be addressed in the message and an outline of the approach taken in the sample sermon that follows Topics addressed include abortion abuse responding to national and community tragedies the death of a child death due to cancer and prolonged sickness death due to drunk driving drug abuse and suicide Bryan Chapell author of Christ Centered Preaching has gathered together messages from some of today s most trusted Christian leaders including John Piper Tim Keller Michael Horton Jack Collins Dan Doriani Jerram Barrs Mike Khandjian Robert Rayburn Wilson Benton Bob Flayhart and George Robertson Each chapter provides you with the resources you need to communicate the life giving hope of the gospel in the midst of tragedy In addition the appendices provide further suggestions of biblical texts for addressing various subjects as well as guidance for conducting funerals J. I. Packer and the Evangelical Future (Beeson Divinity Studies) Timothy George, 2009-10-01 J I Packer is one of the most significant evangelical theologians of the last one hundred years In this book a team of leading scholars including Chuck Colson Mark Dever Timothy George Bruce Hindmarsh Edith Humphrey

James Earl Massey Alister McGrath David Neff and Richard John Neuhaus assesses Packer's impact on evangelicalism over the past half century and asks what more we can learn from him about ministry and the evangelical future J I Packer himself offers a response and reflection The book also includes a full bibliography of Packer's writings which is the most comprehensive listing of his writings in print A Shared Mercy Jon Coutts, 2016-10-02 Combining systematic and pastoral theology Jon Coutts explores what it means to forgive and reconcile in the context of the Christ confessing community Both a constructive practical theology and a critical commentary on Barth's theology in Church Dogmatics this work explains the place and meaning of interpersonal forgiveness in Christ's ongoing ministry of reconciliation In the Face of God Michael Horton, 1996-09-23 Have modern believers grown too comfortable with God In response to the unbiblical mystical spirituality of our day Michael Horton calls for a return to the teaching of the Apostle Paul and the early church The result is a compelling picture of true spiritual intimacy with God
