Diminished Parties Juan Pablo Luna, Rafael Piñeiro Rodríguez, Fernando Rosenblatt, Gabriel Vommaro, 2021-12-16 Many contemporary party organizations are failing to fulfill their representational role in contemporary democracies While political scientists tend to rely on a minimalist definition of political parties groups of candidates that compete in elections this volume

argues that this misses how parties can differ not only in degree but also in kind With a new typology of political parties the authors provide a new analytical tool to address the role of political parties in democratic functioning and political representation The empirical chapters apply the conceptual framework to analyze seventeen parties across Latin America The authors are established scholars expert in comparative politics and in the cases included in the volume The book sets an agenda for future research on parties and representation and it will appeal to those concerned with the challenges of consolidating stable and programmatic party systems in developing democracies **Joseph and the Jumping Pyjamas**
