Roman Wölfel

Pyongyang The Hidden History Of The North Korean Capital:

Pyongyang Chris Springer, 2003 Part history book part travel guide of the North Korean capital this volume combines color photographs with 140 entries detailing the history and uses of various sites of the city including a number that proclaim exact location unknown from museums art galleries and government buildings to ancient tombs and geological features The entries are preceded by a brief history of North Korea and Pyongyang Distributed by Saranda Books Annotation c 2003 Book News Inc Portland OR booknews com

Historical Dictionary of Pyongyang Justin Corfield, 2014-12-01 Offering a concise overview of Pyongyang's history and development the Historical Dictionary of Pyongyang presents a comprehensive historical survey of the city in the form of an alphabetical list of keywords and names with accompanying definitions Both well researched and authoritative the volume draws upon a wide range of modern sources and contains an introductory essay about the city a chronology a list of acronyms and abbreviations and an array of photographs [UN]Precedented

Pyongyang Dongwoo Yim, 2022-02-16 Despite the notorious fact of it being one of the most veiled countries in modern history North Korea recently has started to get engaged with the rest of the world and now we can easily witness various socio economic changes of the nation which was seen in the 1990s in other post socialist countries And as the capital of the nation Pyongyang has already entered into fast transformation stage with numbers of developments both in public and private sectors since the new regime of Kim Jung Un However we sometimes overlook the fact that the city was built based on the goal to be an ideal socialist city After the three years of Korean War in the 1950s Pyongyang was completely demolished and had a unique chance to build a new city based on the socialist ideology Although the current morphology may not be exactly same as the original master plan many urban spaces and infrastructures remain as evidences of socialist urban planning And interestingly enough these are urban elements that have major conflict with the idea of market oriented economy and at the moment the morphology of the city is already changing Then the question is will Pyongyang become one of post socialist cities having them as precedents to the city or will it have its own development path that is unprecedented

North Korea Henry Marr, 2018-12-14 This new edition of Bradt's North Korea has been completely written from scratch and remains the only standalone guide to what is often regarded as the world's most secretive state a place never far from media scrutiny but about which very little is actually known in the wider world Detailed is everything you need to know for a successful visit from the practicalities of how to get there and who to go with to cultural sensitivities and etiquette safety money and travelling around Amongst the places covered are the supra centrally planned showcase capital of Pyongyang Panmunjom where North meets South face to face inside the 4km wide DMZ the dividing line between two nations and one people Kungansan Tourist Resort the chiefly South Korean built resort offering fantastic hikes and Paektusan the highest peak in all of Korea and Manchuria For the intrepid and open minded traveller North Korea is a truly mesmerising destination with a rich past and fascinating contemporary history Visitors today are immersing themselves in an unrivalled experience in what

is seemingly the last country in the world not to have submitted to globalisation the last country still clinging on to the 20th century experiment in communism that for all others crumbled away shortly after the collapse of the Berlin Wall Outside of the showcase socialist paradise of Pyongyang visitors will find stunning natural scenery from beautiful coastline and beaches to spectacular mountains such as legendary Paektusan Whilst many hold the ill conceived notion that a visit to North Korea may not be safe the reality is that visitors are warmly welcomed and still considered more as guests of the state than as mere tourists Written by expert author Henry Marr who first visited North Korea in 2005 and has since been back more than twenty times Bradt's North Korea is an indispensable guide to understanding and getting to know one of the world's most curious destinations

North Korea in Quotation, 2005-06-30 Since the end of World War II the small country of North Korea has occupied a disproportionate amount of the world's diplomatic and military attention Its defiance of the international community has mystified and frustrated generations of leaders both in Asia and throughout the world With its closed borders and xenophobic leadership little is known about North Korea's government or its intentions leaving us to examine the words of the country's leaders and international statesmen analysts and journalists for a balanced critical assessment of North Korea and its relationship to the world The 20 categories covered here provide an overview of the breadth of issues facing the Northeast Asian country For each quote the speaker and his or her title are identified along with the original source of the quotation and its context Indexed by speaker subject and keywords

Pursuing Sustainable Urban Development in North Korea Pavel P. Em, 2024-07-25 This volume employs an urban lens to provide a critical analysis of the North Korean style of sustainable urban development in the face of severe sanctions and a scarcity of vital resources With a focus on five major areas population economics architecture urban planning and culture the authors examine the preconditions that led to the emergence of ideas related to urban sustainability assess and reassess the trends in sustainable development brought about by market forces and recommend paths for their further intensification Since this work covers a variety of topics ranging from geomancy and social control to economic issues and green architecture both locally and in comparison with European post socialist cities and South Korea it will point to lessons that other countries could learn from This book will be a valuable reference for scholars researchers students and the general public who have a regional interest in North Korea Korean unification and East Asia as a whole and or a topical interest in urban studies urban sustainability and post socialist urban transformation

North Korea in the 21st Century J.E. Hoare, Susan Pares, 2021-11-15 North Korea is not easily accessible but boasts some of the most beautiful scenery in the Korean Peninsula and arguably in East Asia Travel to and in the Democratic People's Republic of Korea is tightly controlled while political economic social and cultural life is played out in terms of a not readily understood philosophy known as juche The country maintains a watchful and often defiant relationship with the rest of the world and insists on following its own standards and norms at all times Nonetheless North Korea is slowly adjusting to the great changes that have taken place since the collapse

of the Soviet Union One important expression of this softening of attitudes is its willingness to allow a greater number of foreigners to enter and live in the country In the belief that it is better to try to understand than to routinely condemn the authors have attempted to interpret what they observed around them during their almost two year stay in the DPRK setting up the first British Embassy in Pyongyang the story of which is to be found in Part III of this book The country s reputation as a difficult partner in world affairs could not be ignored but for them that was never the whole story Here was a society operating certainly along very different lines but which in its essentials was recognizably Korean The contents cover North Korean politics the economy the role of history society cultural values and visiting and living in the DPRK

Tyranny of the Weak Charles K. Armstrong, 2013-06-18 To much of the world North Korea is an impenetrable mystery its inner workings unknown and its actions toward the outside unpredictable and frequently provocative Tyranny of the Weak reveals for the first time the motivations processes and effects of North Korea s foreign relations during the Cold War era Drawing on extensive research in the archives of North Korea s present and former communist allies including the Soviet Union China and East Germany Charles K Armstrong tells in vivid detail how North Korea managed its alliances with fellow communist states maintained a precarious independence in the Sino Soviet split attempted to reach out to the capitalist West and present itself as a model for Third World development and confronted and engaged with its archenemies the United States and South Korea From the invasion that set off the Korean War in June 1950 to the collapse of the Soviet Union in 1991 Tyranny of the Weak shows how despite its objective weakness North Korea has managed for much of its history to deal with the outside world to its maximum advantage Insisting on a path of self reliance since the 1950s North Korea has continually resisted pressure to change from enemies and allies alike A worldview formed in the crucible of the Korean War and Cold War still maintains a powerful hold on North Korea in the twenty first century and understanding those historical forces is as urgent today as it was sixty years ago

Historical Dictionary of Democratic People's Republic of Korea James E. Hoare, 2012-07-13 The Historical Dictionary of Democratic People s Republic of Korea provides a clear and easily understood history of the DPRK also known as North Korea It includes a detailed chronology an introductory essay appendixes an extensive bibliography and over 300 cross referenced dictionary entries on important personalities leading political figures institutions economic enterprises ethnic communities and cultural features This book is an excellent access point for students researchers and anyone wanting to know more about the Democratic People s Republic of Korea

North Korea Heonik Kwon, Byung-Ho Chung, 2012-03-12 This timely pathbreaking study of North Korea s political history and culture sheds invaluable light on the country s unique leadership continuity and succession Leading scholars Heonik Kwon and Byung Ho Chung begin by tracing Kim Il Sung s rise to power during the Cold War They show how his successor his eldest son Kim Jong Il sponsored the production of revolutionary art to unleash a public political culture that would consolidate Kim s charismatic power and his own hereditary authority The result was the birth of a powerful modern theater state that sustains

North Korean leaders sovereignty now to a third generation In defiance of the instability to which so many revolutionary states eventually succumb the durability of charismatic politics in North Korea defines its exceptional place in modern history Kwon and Chung make an innovative contribution to comparative socialism and postsocialism as well as to the anthropology of the state Their pioneering work is essential for all readers interested in understanding North Korea s past and future the destiny of charismatic power in modern politics the role of art in enabling this power **Illusive Utopia** Suk-Young

Kim,2010-03-11 A rare glimpse into North Korean propaganda in parades posters murals theater and films **DMZ**

Crossing Suk-Young Kim,2014-03-18 The Korean demilitarized zone might be among the most heavily guarded places on earth but it also provides passage for thousands of defectors spies political emissaries war prisoners activists tourists and others testing the limits of Korean division This book focuses on a diverse selection of inter Korean border crossers and the citizenship they acquire based on emotional affiliation rather than constitutional delineation Using their physical bodies and emotions as optimal frontiers these individuals resist the state s right to draw geopolitical borders and define their national identity Drawing on sources that range from North Korean documentary films museum exhibitions and theater productions to protester perspectives and interviews with South Korean officials and activists this volume recasts the history of Korean division and draws a much more nuanced portrait of the region s Cold War legacies The book ultimately helps readers conceive of the DMZ as a dynamic summation of personalized experiences rather than as a fixed site of historical significance

, Talking to North Korea James Glyn Ford,2018-09-20 Despite recent attempts at negotiation the attitudes of both Kim Jong un s regime and the West seem unchanged North Korea is still shrouded in mystery and there are no clear plans for the future Can we trust either side to bring about peace And if so how This provocative insider s account blasts apart the myths which paint North Korea as a rogue state run by a mad leader Informed by extraordinary access to the country s leadership Glyn Ford investigates the regime from the inside providing game changing insights which Trump and his administration have failed to do Acknowledging that North Korea is a deeply flawed and repressive state he nonetheless shows that sections of the leadership are desperate to modernise and end their isolation With chapters on recent developments including the Trump Kim summit Ford supports a dialogue between East and West whilst also criticising Trump s facile attempts Talking to North Korea provides a road map for averting a war in North East Asia that would threaten the lives of millions *To the Diamond Mountains* Tessa Morris-Suzuki,2010-11-15 This compelling and engaging

book takes readers on a unique journey through China and North and South Korea Tessa Morris Suzuki travels from Harbin in the north to Busan in the south and on to the mysterious Diamond Mountains which lie at the heart of the Korean Peninsula s crisis As she follows in the footsteps of a remarkable writer artist and feminist who traced the route a century ago in the year when Korea became a Japanese colony her saga reveals an unseen face of China and the two Koreas a world of monks missionaries and smugglers of royal tombs and socialist mausoleums a world where today s ideological

confrontations are infused with myth and memory Northeast Asia is poised at a moment of profound change as the rise of China is transforming the global order and tensions run high on the Korean Peninsula the last Cold War divide Probing the deep past of this region To the Diamond Mountains offers a new and unexpected perspective on its present and future

North Korea Robert Willoughby, 2014-07-22 The essential book for visitors making short guided visits to North Korea or living there for longer periods *Precious beyond Measure* Beth McKillop, Jane Portal, 2024-07-06 An illustrated history of Korean ceramics from ancient origins to today This book is a captivating richly illustrated history of fired clay in Korea spanning ancient times to the present day Drawing on the latest research this book features a wide range of examples from archaeological sites and museums In addition it offers a rare glimpse into the world of modern North Korean ceramics The authors devote substantial chapters to the refined celadons of the Goryeo and porcelains of the Joseon dynasties tenth to twentieth centuries as well as an array of blue and white vessels Merging maritime archaeology textual evidence and kiln excavation reports this overview reveals a remarkable and enduring ceramic tradition in Korea Universal - International

- Global Antje Kempe, Beata Hock, Marina Dmitrieva, 2023-01-23 This collection of articles explores a possible alternative beginning of Global Art History and World Art Studies two methodologies that set a worldwide focus in the study of art around the 2000s Teaching back to earlier efforts to conceive of the international community in a less Eurocentric way the volume proposes a tentative link between socialist internationalism as a political and cultural diplomatic principle in the Soviet Block and some new approaches to art and cultural historiography introduced there In the Second World universal art history or Weltkunstgeschichte were endorsed as frameworks for the teaching and writing of art history Authors in this book interrogate whether world art history as practiced by socialist scholars had aspirations and achievements comparable to today's Global Art History and World Art Studies Or was this knowledge production in an internationalist paradigm a mere foil for communist rhetoric behind which severed cultural relations to the Western world could also be recommenced

Regional and Urban Policy and Planning on the Korean Peninsula Harry Ward Richardson, Chang-Hee Christine Bae, 2011-01-01 The potential for reunification of the two Koreas whether in the short or long term argues for a comprehensive look at policy and planning issues that encompass the peninsula as a whole This book deals with spatial policy issues in both South and North Korea in a broad and non political way Part one deals with South Korea examining cultural changes the capital city of Seoul Greenbelt policy the balanced national regional development strategy and the new mega regional approach Part two delves into aspects of development in North Korea such as the limitations of national statistics the marketization of the economy integration with the rest of North East Asia and the need for a spatial infrastructure strategy Part three examines the case for reunification in the interests of both the South and North It argues that a transitional approach would be less costly and less risky than sudden reunification primarily via an early strategy of shifting more capital to the North and later by moderating migration flows to the South The book also examines whether the capital

should remain in Seoul or be relocated elsewhere should reunification occur Professors students and public policy officials in the fields of Asian studies regional economics and planning urban studies and political science and any reader interested in the future of Korea will find this book very current and enlightening Countries and Territories of the World ,

Enjoying the Beat of Term: An Mental Symphony within **Pyongyang The Hidden History Of The North Korean Capital**

In some sort of eaten by displays and the ceaseless chatter of immediate communication, the melodic splendor and emotional symphony developed by the written term often diminish into the background, eclipsed by the constant sound and disruptions that permeate our lives. However, set within the pages of **Pyongyang The Hidden History Of The North Korean Capital** an enchanting literary prize overflowing with organic feelings, lies an immersive symphony waiting to be embraced. Constructed by an outstanding composer of language, that charming masterpiece conducts viewers on an emotional journey, skillfully unraveling the concealed songs and profound influence resonating within each carefully crafted phrase. Within the depths of the touching analysis, we will discover the book is key harmonies, analyze its enthralling writing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

While this might not be the Pyongyang The Hidden History Of The North Korean Capital full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Pyongyang The Hidden History Of The North Korean Capital eBooks, including some popular titles.

FAQs About Pyongyang The Hidden History Of The North Korean Capital Books

What is a Pyongyang The Hidden History Of The North Korean Capital PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Pyongyang The Hidden History Of The North Korean Capital PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Pyongyang The Hidden History Of The North Korean Capital PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Pyongyang The Hidden History Of The North Korean Capital PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Pyongyang The Hidden History Of The North Korean Capital PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out

forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
