The Pathway Through Bible & Gospel History in Questions and Answers Ebenezer Cobham Brewer,1874

Synopsis of the Bible Mrs. D. C. Weston,1865

Saul, Doeg, Nabal, and the "Son of Jesse" Joseph Lozovyy,2009-08-15 This work examines some of the stories in 1 Sam 16 25 with the particular focus placed on Saul Doeg Nabal and the son of Jesse It seeks to discover new meaning in the structure as well as in the characters functions in the narratives by studying the stories synchronically and diachronically One of the mysterious characters in 1 Samuel that has puzzled many a scholar is Nabal the Calebite This study scrutinizes the elements of his characterization in 1 Sam 25 and considers his abuses of the son of Jesse the contextual role of the geographic setting and political environment during King Saul s reign Similarly this volume studies the function of the character of Doeg the Edomite in 1 Sam 21 and 22 regarding his Edomite origin his particular business in Nob and his official status in Saul s court The phrase the son of Jesse is quite important in 1 Samuel and serves a particular purpose in the thematic development in the second half of the book Viewed against the background of the Saul David relationship it underscores the superiority of the Davidic person in advancing the divine plan for the nation of Israel The determination of the book s historical context is the key to understanding the multilayered messages The roles of history and ideology in

making these stories are also considered with the proposal that the making of the books of Samuel after the Exile 5th c B C might have been instigated by the writer's desire to create the context needed for further development of the messianic ideas

Questions explanatory of the books and writers of the Holy Scriptures ... New edition Richard William HILEY, 1866

The Miseducation of the Christian Victor Keith, 2020-12-02 There is so much more to the Bible than what is consistently taught by churches and biblically based religious institutions around the world today The Miseducation of the Christian is a small yet thorough peek at hundreds of verses that clearly show how religious leaders have manipulated the scripture to turn Christianity into a blasphemous tradition of the blind leading the blind What is a good Christian according to the Bible What does the Bible say about racism and feminism Was the Old Testament law really done away with when Jesus was crucified Are churches misusing the tithing system How does God feel about you celebrating the traditional holidays of today Are there contradictions in the Bible Throughout the pages of The Miseducation of the Christian the author has included appropriate Bible verses to answer these questions and more Regardless of your religious background or beliefs this book is sure to broaden the biblical horizon of its readers as it displays a variety of controversial topics and verses that are avoided by today's religious educators **The Republican** , 1825 *The Republican* Richard Carlile, 1825
