Bait and Switch Barbara

Ehrenreich,2006-07-25 The bestselling author of Nickel and Dimed goes back undercover to do for America's ailing middle class what she did for the working poor Barbara Ehrenreich's Nickel and Dimed explored the lives of low wage workers Now

in Bait and Switch she enters another hidden realm of the economy the shadowy world of the white collar unemployed Armed with a plausible r sum of a professional in transition she attempts to land a middle class job undergoing career coaching and personality testing then trawling a series of EST like boot camps job fairs networking events and evangelical job search ministries She gets an image makeover works to project a winning attitude yet is proselytized scammed lectured and again and again rejected Bait and Switch highlights the people who ve done everything right gotten college degrees developed marketable skills and built up impressive r sum s yet have become repeatedly vulnerable to financial disaster and not simply due to the vagaries of the business cycle Today s ultra lean corporations take pride in shedding their surplus employees plunging them for months or years at a stretch into the twilight zone of white collar unemployment where job searching becomes a full time job in itself As Ehrenreich discovers there are few social supports for these newly disposable workers and little security even for those who have jobs Like the now classic Nickel and Dimed Bait and Switch is alternately hilarious and tragic a searing expos of economic cruelty where we least expect it

Resonant Trinities Gene Paul Ort, 2010 Does God seem like an ancient incomprehensible mystery Does he feel so distant that you struggle to understand who he is Is the concept of the Trinity something you ve never been able to grasp Integrating current scientific research firsthand spiritual experiences and scriptural knowledge author Gene Paul Ort works to address some of these common issues As Christians unattended questions about our faith can become doubts small cracks in our faith s foundation that are vulnerable to the rain of science and disinformation the intentional chipping away by others and the gradual decay caused by our own laziness We can t see God because we are led astray by our doubts and lack of understanding and are lost in the fog of our own busyness Resonant Trinities When Reason Love and Faith Come Together can help lift the fog and lead us to a greater awareness of who God is Ort takes readers along on his own quest for answers Written conversationally so that all readers can relate Resonant Trinities When Reason Love and Faith Come Together details his conclusions about bull What it means to be made in the image and likeness of God bull How our own personal trinity of mind heart and spirit is modeled after God s bull The possibility of man being made of the same substance as God Armed with this newfound knowledge readers may find the answers they too have been searching for

Flipping the Switch... John G. becoming a solution oriented person who solves problems CREATIVITY find new ways to achieve by succeeding within the box SERVICE build a legacy by helping others succeed TRUST develop deep and rewarding relationships With compelling real life stories and keen insights Miller demonstrates how anyone can find success and satisfaction by flipping the switch

Why Do I Keep Doing This!? Judith E Pearson,2012-01-31 What prevents people from doing what they sincerely want to do You can come up with all sorts of explanations ranging from childhood trauma to genetics to personality types but what it really boils down to is the fact that most people simply aren t skilled in managing their minds When we try to break a habit our brain sends out signals of alarm and discomfort To get past this we must put our logical brain in charge Using self hypnosis and Neuro Linguistic Programming NLP is one of the easiest ways to achieve this Hypnosis relaxes and quietens the mind s chatter and can provide strategies to manage the mind and to access the qualities and strengths that we already possess NLP is the one psychological approach that spells out those strategies step by step This book explains how the concepts and mechanisms of hypnosis and the principles of NLP make for effective approaches to self hypnosis **The**

Power of the 5 Ps Marva T. Dixon,2012-05 Let not your true purpose be defined by the organization the system or that you be defined by it Understand the policies and laws that dictate what you should say or do within the boundaries of the system Excel in the practices of your field defining what and how you perform your art and how you shall be known Seek out people of quality who provide guidance and truly care about your success Yield to prayer maintaining your faith in good and bad times even when things don t make sense knowing your goal is to make a difference Professional educators are now living in an era where there is increased concern about the quality of education in public schools in America States are beginning to take a greater role in monitoring and maintaining higher academic standards Communities across the country are scrutinizing the expense of public education Local school districts are expressing concern about the district s ability to continue providing high quality teaching and other related services with diminishing resources Parents everywhere regardless of ethnicity socioeconomic status or cultural family background want the assurance that their child will receive adequate and appropriate academic preparation that will lead to a productive livelihood for their child s future The intended result of this book is to serve as a guide and inspiration to educators whether they serve in the capacity of a teacher paraprofessional or administrator as they continue their journey in the field of public education especially during these most challenging times America needs every person involved in the education of youth to remain steadfast Each educator makes a difference in the lives of youth America s youth need and are counting on you Raising Accountable Kids John G.

Miller,Karen G. Miller,2016-10-18 How often have we heard complaints like these Why don t my kids do what I say Who made the mess in here When will my teen make better choices These are the kinds of questions that parents ask that lead not only to complaining but to victim thinking procrastination and blaming The solution Learn to parent the QBQ way and bring personal accountability to life within our families Based on the same concepts that have made John Miller s signature work

QBQ The Question Behind the Question an international bestseller over the last decade Raising Accountable Kids provides the tool called the QBQ or The Question Behind the Question that will help every parent look behind questions such as Why won't my kids listen or When will they do what I ask to find better ones QBQs like What can I do differently or How can I improve as a parent This simple but challenging concept turns the focus and responsibility back to parents and to what they can do to make a difference With thoughtful commentary observation and advice illustrated with engaging and memorable anecdotes that are the hallmarks of John Miller's previous books Raising Accountable Kids provides all moms and dads with the means and inspiration to be more effective parents as well as teach their children how to practice their own brand of personal accountability to create a happy healthy family for a lifetime
