

The Qualities of Writing

All things have special qualities or parts. For example, a raccoon has the following qualities:

- a black mask around its eyes
- little hand-like paws
- a furry, striped tail

Good writing has special qualities, too. They are listed below. Be sure to think about each one. Then you will write your best stories and reports.

Mead,2024-01-09 A common refrain heard from instructors in offices across the world is that students have a hard time producing quality written discourse This is no different in the world of film studies where many undergraduate students struggle to cogently discuss the films they watch in class How can film instructors help students become better writers This book answers this question by first uncovering the disciplinary expectations we have for students and then offering strategies to explicitly teach those expectations in the classroom This book examines and identifies the disciplinary conventions of professional film studies discourse along with the expectations we have for student writing in undergraduate film courses What becomes clear from this analysis is that the pedagogical expectations we have for students are aligned with and shaped by professional writing in the discipline It helps to uncover the argument types instructors take for granted and helps those teaching undergraduate students not only to know what those expectations are but also how to use that knowledge to foster better student writing Foundations of Reading, Writing, and Proving Manish Joshi,2025-02-20
