*Journal of the ... Senate of the State of New Jersey*, 1865 Launch! Scott Duffy, 2014-03-20 WANT TO GET YOUR BIG IDEA TO MARKET In 90 days you can successfully launch a new business product or service by following the steps in this playbook Ninety seven percent of a rocket's fuel is used in the first three feet of its launch The same is true when launching a new business These first few steps are absolutely critical and help determine which ventures will take off and which will fail Scott Duffy has developed a practical approach for turning your big idea into a thriving venture by focusing on the crucial period of 90 days immediately before during and after starting your business Based on his own experiences as a successful serial entrepreneur who has worked with Richard Branson and Tony Robbins and true stories of other big names in business Duffy has collected all of the lessons you need Duffy also emphasizes the personal side of entrepreneurship including balancing finances relationships and your health Successful business endeavors depend on preparation and execution of these two key sides and Duffy provides real life examples and practical guidance for both In his rapid fire 90 day plan Launch walks you through The Prelaunch Checklist What it takes to get your house in order develop your plan and limit your personal risk every step of the way Fueling the Tank How to assemble your resources pull together your team and capital and ready your business to execute successfully Countdown and Blastoff How to bring your idea to market through partnerships marketing initiatives and customer engagement strategies As Duffy writes Today everyone is an entrepreneur It's not about

building the next Virgin or Google or Facebook It s about planting a flag Transforming what you are passionate about what you are good at into a responsible moneymaking venture that benefits others in the process Launch is a handbook for entrepreneurs on how to think big take on any size competitor and eat their lunch **The Six Secrets of Raising Capital** Bill Fisher,2014-09-29 Based on Bill Fisher s three day seminars that regularly sell out all over the world this book offers the kind of capital raising street smarts no entrepreneur can do without As a banker in Silicon Valley in the 80s and a businessman who founded a number of successful companies beginning in the 90s Fisher has seen firsthand the kind of rookie mistakes aspiring entrepreneurs make that end up stopping them before they have a chance to get started Fisher looks at six traditional steps in the capital raising process and digs beneath the surface to expose subtle but critical aspects of each knowledge that until now could come only with experience For example entrepreneurs believe that great business ideas get funded Not true just look at the failure rates of venture backed companies Great business stories get funded and all great business stories have a similar construction and shape And of course the entrepreneur needs an investor but each investor comes with his or her own personality issues You need the right match for long term success not just whoever is waving the biggest check a temptation that is easy for cash strapped entrepreneurs to succumb to Having this book is like going into your investor meetings with a trusted advisor who knows all the ins and outs of raising capital
