In *Raising Healthy Eaters*, Dr. Legere offers 100 easy-to-follow and easy-to-implement tips for parents of children of all ages and eating preferences. He includes healthy quick recipes that kids will actually like as well as specific suggestions for parents who want to serve only organic foods or whose children have allergies or aversions. *Raising Healthy Eaters* is the essential resource for parents working to raise healthy kids in a fast-food world. **Twins 101** Khanh-Van Le-Bucklin, 2008-11-03 A must-read for expectant or multitasking mothers of multiples by an academic pediatrician and mother of twins. *Twins 101* provides practical tips and wise words in a readable style that fits into the fast pace of these mothers' lives.
