Rudy Johnson, As a business leader you're not just one thing. You wear a variety of hats and you have to show up appropriately in every context. That's a tall order, but it becomes a whole lot easier when you have emotional intelligence on your side. You operate in a corporate environment yet you have to take a personal approach to managing your team and interacting with partners and other leaders. That, after all, is how you build trust and understanding and when that's the foundation of your business, you have a team that's on your side and ready to bring your goals to life. Inside you'll discover what emotional intelligence is and how it affects your relationships. How developing emotional intelligence can significantly improve your life in all areas. How to decode the emotional and psychological messages that affect your thought pattern. The underlying causes of poor interpersonal skills. The 21-day Challenge to help you restructure your life and improve your relationships. Improve your personal and professional relationships by learning a range of mental skills that can help you to successfully manage both yourself and the demands of working with others. Teaching you to stay in control, interpret body language and cope with negativity. This practical guide will help you to become aware of your own feelings and those of others, understand them and manage their impact.

Emotional Intelligence: 3 Manuscripts in 1 - An Effective Practical Guide, a 21 Step by Step Guide, a Psychologist's Guide to Mastering Social Alex C. Wolf, 2019-03-05

Do you find it difficult to get a grip on your own emotions? And more importantly, that of other people? Have you ever found yourself completely at a loss for words when you need to close people on a deal, get them to listen to your point of view, defuse tense situations and win people over to your side? If you answered Yes to any of these questions, then keep reading. Having a high emotional intelligence is the closest you can get to becoming a bonafide mind reader and this is not even an exaggeration. At least once in your life, you must have met a person like that, a person who made you feel understood, who knew your moods and the exact thing to say to you to make you feel better or more confident. How did you feel towards that person? If you're anything like me, you probably felt a strong pull towards that person and are more open to doing favors for them, right? That's an individual with high emotional intelligence. If you would like to learn how to have this same effect on people you encounter every day, then this special book I put together will help you do just that. This book is the culmination of countless hours of research and real-world practice. I and many others have used to great success in our personal and professional lives. This book contains:

1. Emotional Intelligence: An Effective Practical Guide
2. Emotional Intelligence: A 21 Step by Step Guide
3. A Psychologist's Guide to Mastering Social Skills: Improving Your Relationships and Raising Your EQ

In this book, you're going to discover:

- A powerful questionnaire to help you determine your EQ.
- Four foolproof ways to improve your self-awareness and empathy.
- Five simple ways to identify and articulate your emotions.
- The underrated power of delayed gratification and how to master it.
- Effective verbal and non-verbal tips to help you connect with other people.
- How to resolve conflicts at work.
- Fifteen questions to help you determine your status in the workplace.
- The simple five-step method for quickly de-escalating conflicts and tons more.
