

If I get one thing right in this parenting gig, I want my children to understand how their actions impact others. I want them to always think about what they can offer the world instead of what they can get from it. And I hope they always remember they are a part of something bigger than themselves.

## **Raising Kids Who Can:**

**Raising a Kid Who Can** Catherine McCarthy, Heather Tedesco, Jennifer Weaver, 2023-09-12 Three mental health professionals cut through the parenting advice noise with this accessible easy to skim book filled with actionable strategies and tips to build a child's capacity to thrive where they are planted in good times and bad. It's time to parent smarter not harder. Filled with scientifically based and eminently actionable advice and strategies *Raising a Kid Who Can* boils down the ten essential things that every child needs to thrive so that parents can stop drowning in information and get to the business of raising healthier happier humans. Written by three mental health professionals who work with families organized for easy skimming and designed to be useful at any stage in a child's life the book devotes one short impactful chapter per principle including Resilience Attention and Self Control Psychological Flexibility Self Motivation Compassion and Gratitude. The result is a new approach to a parenting guide one that takes a wholistic approach to nurturing a child's development and help parents get right to the information they need when they need it.

**The 50 Main Rules of Parenting** Jane Adams, Parenting is scary. You have to admit it especially if you don't have any previous experience with nieces and nephews or your neighbor's kid. Of course the first time that you discover you're going to be parents you probably felt more excitement than anything else because a baby represents a new stage in your life. You are now going to be responsible for this new addition to your family and you have so much to learn and to teach him as he grows.
