Raising Responsible Children In A Single Parent Home:

Raising Responsible Children in a Single Parent Home Viola L. Britt, 1997 Help for the Single Parent A well documented program employing Biblical principles common sense and practical suggestions to help you attain the kind of family you always wanted and children for the Lord Vi Britt has been a single parent since November 1978 She has worked as a teacher both inside and outside of the home Read her candid testimonies of how she set Biblical truths in motion during 17 intriguing years for James Gala herself *Therapy with Single Parents* Joan D Atwood, Frank Genovese, 2014-02-25 Provide effective counseling to members of single parent families With more than half of all first marriages ending in divorce it s time to re think the notion that divorce means failure Therapy with Single Parents focuses on the strengths of the single parent family rather than its weaknesses stressing the need to look at the socially constructed norms values and definitions associated with marriage and family in order to provide effective counseling This unique book examines experiences that are common to single parents and presents interventive strategies for treating single parent family issues drawing on clinical case studies to provide technical knowledge in everyday language Current research shows that single parents account for 27 percent of family households that include children under 18 and that the number of single mothers in the United States more than tripled between 1970 and 2000 Therapy with Single Parents challenges outdated notions that the single parent family is somehow deficient and associated with adjustment problems in children It doesn t ignore the anger pain sadness and guilt experienced by many members of single parent families but offers therapeutic considerations from a more balanced approach The book examines the social psychological and sexual experiences of newly single parents and addresses the ups and downs they ll face in dealing with schools the workplace and social services Therapy with Single Parents examines social and psychological differences between divorce and widowhood cognitive behavioral principles of single parent families what children can learn from divorce dealing with the ghosts of past relationships relationship rules dealing with adult children and extended families the effect of change in divorcing families the feminization of poverty the therapeutic value of social networks Therapy with Single Parents is an invaluable resource for psychologists professional counselors social workers and marriage and family therapists The book presents a thorough in depth examination of the single parent family system as a viable healthy family form **A Mother's Responsibility** First Lady Anna L. McNair, 2012-12-11 The generation of mothers today has more questions than answers when it comes to training children Anna McNair has experienced the trials of motherhood through training three children co founding a pre Christian Academy and establishing a teaching ministry to women As a Christian wife and mother Mrs Anna speaks from the Word of God those revealed principles of motherhood that help mothers navigate this demanding course It is her hope that this book will serve as a guide for this generation of mothers seeking answers to the mystery of achieving successful motherhood **A Black Man Thinking** Maurice Arthur, 2007 In his new book Maurice Arthur takes a look at the difficulties in raising children in the information age and provides concise steps

so you can make a difference in a child's life *Raising Young Children in an Alaskan Inupiaq Village* Julie E. Sprott, 2002-12-30 A comprehensive case study portrait of the childrearing context of a predominantly Eskimo village in the remote Northwest Arctic designed to look for evidence of reinvention transformation or conscious choice as process features of change in the mix of traditional childrearing beliefs and practices with infusions from the dominant culture The rearing environment and child well being were studied during 18 months of anthropological fieldwork in an Alaskan Inupiaq village in the Northwest Arctic Volunteers for the sample consisted of 44 adults from 16 extended families who were raising a child between the ages of three and six years Results from guided interviews card sorts standardized family and home assessments and review of the children's medical records revealed a complex portrait of culture continuity and change and included the following trends many traditions had been retained even though villagers perceived few differences in their rearing style compared to that of mainstream culture despite the presence of other households with extended family members in the village and touting of the value of kinship 25% of core families reared their children in relative isolation growth measurements immunization status and general health of the children were good but children evidenced diets high in sugar and many suffered severe dental problems present day caregivers were engaged in dialogue about problem parenting behaviors that had developed a generation earlier during a time of massive acculturation stress and population growth namely the overuse of scolding of children without attached explanations and overt favoring of specific children over others in the family The study presents present day rearing strategies and ideas as summarized from interviews and data from more formal instruments and frames changes in the system within the broader historical social context **Personal**
