A Perilous Marriage (a hero pretends to be in love with the heroine Regency romance) Ruth Ann Nordin, All Eris wants is a love match. Miss Eris Tumilson longs for a love match. Unfortunately, being a wallflower who spends most of her time reading and doing embroidery isn't the kind of thing that attracts gentlemen. But at long last, the spinster gets her chance. Her brother arranges a marriage for her with the Duke of Jowett. When her new husband dies on their wedding night, her hopes are dashed. There will be no love match. There's not even the prospect of a child on the way. Though a widow, she might as well still be a spinster. Then Mr. Charles Duff comes along to visit her, and something begins to stir up within her that she was determined to put behind her once and for all: the desire for a love match. All Charles wants is to prove his friend was murdered. Charles would rather focus on his investments than take a wife. But when his friend dies on his wedding night, he knows it's not from natural causes. His friend was murdered. And he's sure Eris did it. The problem: He has to prove it since no one believes him. So he comes up with a plan to make Eris believe he's fallen in love with her. Little does he realize that as soon as he steps through the doorway of her townhouse, he'll start to discover that this shy wallflower is a hidden gem among ladies, and it'll be difficult to tell the difference between pretending to be in love and really being in love. Charles originally showed up in *Kidnapping the Viscount*. Eris originally showed up in *The Reclusive Earl*.

The Perfect Lover Stephanie Laurens, 2009-10-13 Never let it be said that a Cynster male can't face up to the one unassailable truth: A successful marriage gives life its fullest meaning. To all of English society, Simon Frederick Cynster has a perfect life: one of enormous wealth and impeccable social status. His lean handsomeness turns the heads of naïve debutantes, while his sensual allure ensures he never lacks for more sophisticated partners for a night or more of pleasure. Yet despite all of this, Simon knows that there is something—or rather, someone—missing in his life. To achieve true contentment, Simon must find a lady accomplished enough to be his wife, someone who will spend her days as a member of one of England's most influential families and her nights pursuing duties of a more private and personal nature. But Simon knows what to expect if he reveals his intention to choose a bride: nothing could be more

tiresome than having every blushing miss on the marriage mart thrust upon him So he discreetly begins his search at a house party at Glossup Hall and is astonished that the lady who immediately captures his interest is Portia Ashford Simon has never considered Portia as a potential wife He s known the raven haired beauty since childhood she s willfully independent and has always claimed to be uninterested in marriage But an unexpectedly heated kiss abruptly alters the rules of their decade long interaction Soon they begin to long for the moments they can spend in each other s arms But all is not as it seems at Glossup Hall As Simon and Portia begin to explore the depths of their mutual passion a shocking murder is committed and it appears that the next victim will be Portia herself And even more shocking than the fact that a murderer secretly walks among them is the realization that all of Simon s considerable strength and influence may not be enough to protect Portia his once and always perfect lover
