## **Rambling Thoughts:**

Defoe's Perpetual Seekers Virginia Ogden Birdsell, 1985 This study contends that the main characters in Defoe's six major fictions represent a more profound anxiety and cynicism regarding the human condition than has been generally recognized From Robinson Crusoe to Roxana each is engaged in a lonely and futile search for identity and significance and each pursues that goal with ruthless singlemindedness *ChronicToo* Cornelius W. May, 2022-06-21 Scars We all have them Some are physical and others emotional We were injured in one way or another Our physical scars are quite visible but our emotional scars are not These internalized misfortunes remain with us as if stored away below deck Buried feelings without warning can be triggered and abruptly resurface at any time Please know you are not alone Each of us carries invisible wounds and we may even cry invisible tears I can identify and fully understand Unlike healing physical pain there are no ointments or lotions to treat our fractured emotions I guess that's why we try to repress them inside Yet the biblical psalmist said He restores my soul And that restoration is available to you and me No pain has to be in vain Telling stories of God's renewing strength through personal setbacks trials and adversity I share what I believe to be enlivening pathways to lasting wholeness Join me in an adventure toward soothing our silent suffering and healing our hidden hurts The body and soul are connected By addressing one the other is likewise affected May God graciously touch those deep recesses of pain accumulated along life's path Hope awaits Cornelius W May Neal holds a Doctor of Ministry degree from Ashland Theological Seminary and has served as a Senior Pastor for over forty years Neal attended Kent State University in the turbulent 1960s and earned a Bachelor of Fine Arts degree with a Minor in Education As a seasoned minister Dr May has experienced the balance of both Spirit and Word illumination and reason He was founder and president of Hosanna Bible Training Center and instructor of Biblical Interpretation and Contemporary Preaching In addition he continues to serve as an adjunct professor for Ashland Seminary where he has taught Small Group Ministry Communication and Conflict in the Church and Archaeology of the New Testament [www.theredemptioncenterchurch.com](http://www.theredemptioncenterchurch.com) 128 Rambling Along Pasquale De Marco, 2025-04-13 Rambling Along invites readers on an extraordinary journey of introspection reflection and whimsical musings delving into the depths of human experience with a touch of wit a dash of whimsy and an unwavering commitment to originality Within these pages readers will encounter a kaleidoscope of topics spanning the spectrum of human existence presented with a fresh perspective that challenges conventional thinking and embraces the absurd This eclectic tapestry of thoughts observations and contemplations is not merely a collection of words it's a catalyst for personal growth a companion on life's ever winding journey With each chapter readers will embark on a thought provoking exploration of their own perceptions biases and beliefs questioning the nature of time pondering the enigma of existence and navigating the labyrinthine corridors of relationships Rambling Along is more than just a book it's an experience It's an invitation to embrace the unknown to revel in the imperfections of life and to find solace in the interconnectedness of all things Readers will discover the transformative

power of embracing life's absurdities finding joy in the mundane and appreciating the beauty of impermanence With its unique blend of philosophy humor and thought provoking insights *Rambling Along* offers readers a fresh perspective on the world around them It's a literary odyssey that will resonate with readers of all ages and backgrounds leaving them with a newfound appreciation for the beauty and complexity of life's journey So dear reader prepare to embark on an intellectual adventure like no other Open your mind to the endless possibilities that await within these pages and allow *Rambling Along* to guide you through the labyrinth of your own thoughts emotions and experiences Let the rambling begin If you like this book write a review on google books *Poetry: Reflecting on the Clouds of Everyday Living* Mary Anne Miceli,2009-10-09 Brighter Tomorrows Shadows behind and brightness ahead Soon the light obscures all shadowy remnants Mary Anne Miceli's exploration of the commonplace seeking to illuminate the poetic elements thereof sets no simple task for herself despite the bread and butter quality of much of her subject matters faith today's ironies of living being bound up with the Irishness and wildness of the Western world of that historic nation Actually she is best when her perception proceeds narratively beyond the commonplace in such poems as *Stone Walls of Ireland* where she makes better philosophic sense of their significance than say Frost in his laconic slightly Yankee prickly poems of something there is that doesn't like a wall She is at best when she illuminates her west of Ireland poetry as she does with her cuts of original photography and when she shines on the light of her obvious passion for the subject Neil Bradford Olson NEW ENGLAND POET I would like to take this opportunity to express great interest in the book *POETRY REFLECTING ON THE CLOUDS* by Mary Anne Miceli My NAME IS Joey Stricklen of Peabody Ma and may be reached at Joey Stricklen comcast net This collection of Poems has given me a spiritual lift from a hard time I am going through at the present I believe hope is the best description I felt after multiple readings Joey Stricklen Peabody Ma **Minneapolis Homœopathic Magazine** ,1899 **She Was Evil** Maurice Huysman,2021-01-01 Taking him by the throat with one slender and long fingered hand she spat down into his upturned face before asking How does it feel to know you are now the property of a young Chinese woman In 1920's Paris a redoubtable French detective and the English doctor who has been his lifelong friend take on a threat to world peace from a sadistic Chinese genius and his equally malevolent and perverted daughter Their plans are evil their methods extreme The fate of the world hangs in the balance as this story moves from the Chinese mainland to Paris then on to England and back again For both detective and doctor their futures lie in the interior of China itself as they become the chattels of two very different women with one major common denominator they both enjoy absolute control over the men they hold captive For the victims of these sadistic females it's one horrifying nightmare Yet despite the evil they do these helpless males can't help but be infatuated [The Cambridge Companion to 'Robinson Crusoe'](#) John Richetti,2018-04-26 An instant success in its own time Daniel Defoe's *The Adventures of Robinson Crusoe* has for three centuries drawn readers to its archetypal hero the man surviving alone on an island This Companion begins by studying the eighteenth century literary historical and cultural contexts of Defoe's novel

exploring the reasons for its immense popularity in Britain and in its colonies in America and in the wider European world Chapters from leading scholars discuss the social economic and political dimensions of Crusoe s island story before examining the after life of Robinson Crusoe from the book s multitudinous translations to its cultural migrations and transformations into other media such as film and television By considering Defoe s seminal work from a variety of critical perspectives this book provides a full understanding of the perennial fascination with and the enduring legacy of both the book and its iconic hero

Smile... You're on Candid Cancer Georgetta Izora Warner,John Wayne Warner,2006-07 This story follows the author through approximately one year as he deals with his cancer treatment with courage humor and enduring faith

*Rising in Love* Ram Das Batchelder,2014-12-12 *Rising in Love* tells the story of the author s extraordinary spiritual awakening in America which included meeting an angel his discovery of Amma the living Guru known in the West as the Hugging Saint and the 27 amazing years he has spent in quest of Enlightenment as Amma s devotee most of that time in India The book is a multi faceted diamond It is a suspenseful psychological thriller a page turner from the outset yet there also much humor in the narrative and at times reads like a comedic novel From another angle it is a story of profound healing from delusion drug addiction and despair into a joyous and beautifully fulfilled life and as such it is a ray of hope for all who suffer from addiction or mental illness of one kind or another
