Ramparts We Watch A Study Of The Problem

Nicholas John Spykman

Ramparts We Watch A Study Of The Problem:

Journal of the United States Artillery, 1939 **The Papers of Robert A. Taft: 1939-1944** Robert Alphonso Taft, Clarence E. Wunderlin, 1997 This volume documents Robert Taft's first term in the United States Senate and marks his entrance onto the national political and policymaking stage **Colonial Crucible** Alfred W. McCoy, Francisco A. Scarano, 2009-05-15 At the end of the nineteenth century the United States swiftly occupied a string of small islands dotting the Caribbean and Western Pacific from Puerto Rico and Cuba to Hawaii and the Philippines Colonial Crucible Empire in the Making of the Modern American State reveals how this experiment in direct territorial rule subtly but profoundly shaped U S policy and practice both abroad and crucially at home **Island at War** Jorge Rodriguez Beruff, Jose L. Bolivar Fresneda, 2015-05-01 Despite Puerto Rico being the hub of the United States's naval response to the German blockade of the Caribbean there is very little published scholarship on the island's heavy involvement in the global conflict of World War II Recently a new generation of scholars has been compiling interdisciplinary research with fresh insights about the profound wartime changes which in turn generated conditions for the rapid economic social and political development of postwar Puerto Rico The island's subsequent transformation cannot be adequately grasped without tracing its roots to the war years Island at War brings together outstanding new research on Puerto Rico and makes it accessible in English It covers ten distinct topics written by nine distinguished scholars from the Caribbean and beyond Contributors include experts in the fields of history political science sociology literature journalism communications and engineering Topics include US strategic debate and war planning for the Caribbean on the eve of World War II Puerto Rico as the headquarters of the Caribbean Sea frontier war and political transition in Puerto Rico the war economy of Puerto Rico the German blockade of the Caribbean in 1942 and the story of a Puerto Rican officer in the Second World War and Korea With these essays and others Island at War represents the cutting edge of scholarship on the role of Puerto Rico and the Caribbean in World War II and its aftermath

America's Strategy in World Politics Nicholas John Spykman, Less than a year after the United States entered the Second World War Nicholas Spykman wrote a book that placed the war effort in the broader context of the 1940s global balance of power In America's Strategy in World Politics Spykman examined world politics from a realist geopolitical perspective The United States he explained was fighting for its very survival as an independent country because the conquests of Germany and Japan raised the specter of our geopolitical encirclement by hostile forces controlling the power centers of Europe the Middle East and East Asia Spykman warned that the United States could not safely retreat to a defensive position in the Western Hemisphere Spykman looked beyond the immediate strategic requirements of the Second World War envisioning a postwar world in which the United States would help shape the global balance of power to meet its security needs Even though Soviet Russia was our wartime ally Spykman recognized that a geopolitically unbalanced Soviet Union could threaten to upset the postwar balance of power and thereby endanger U S security Spykman also foresaw the rise of China in postwar

Asia and the likely need for the United States to ally itself with Japan to balance China's power. He also recognized that the Middle East would play a pivotal role in the postwar world. Spykman influenced American postwar statesmen and strategists. During the Cold War, the U.S. sought to deny the Soviet Union political control of Western Europe, the Middle East, and East Asia. Spykman's geopolitical vision of U.S. security supported by a balanced Eurasian land mass coupled with his focus on power as the governing force in international relations makes America's Strategy in World Politics relevant to the twenty-first century.

Shot on Location R. Barton Palmer, 2016-02-18 In the early days of filmmaking before many of Hollywood's elaborate sets and soundstages had been built, it was common for movies to be shot on location. Decades later, Hollywood filmmakers rediscovered the practice of using real locations and documentary footage in their narrative features. Why did this happen? What caused this sudden change? Renowned film scholar R. Barton Palmer answers this question in *Shot on Location* by exploring the historical, ideological, economic, and technological developments that led Hollywood to head back outside in order to capture footage of real places. His groundbreaking research reveals that wartime newsreels had a massive influence on postwar Hollywood film, although there are key distinctions to be made between these movies and their closest contemporaries, Italian neorealist films. Considering how these practices were used in everything from war movies like *Twelve O'Clock High* to westerns like *The Searchers*, Palmer explores how the blurring of the formal boundaries between cinematic journalism and fiction lent a reality effect to otherwise implausible stories. *Shot on Location* describes how the period's greatest directors, from Alfred Hitchcock to Billy Wilder, increasingly moved beyond the confines of the studio. At the same time, the book acknowledges the collaborative nature of moviemaking, identifying key roles that screenwriters, art designers, location scouts, and editors played in incorporating actual geographical locales and social milieus within a fictional framework. Palmer thus offers a fascinating behind-the-scenes look at how Hollywood transformed the way we view real spaces.

Checkerboards and Shatterbelts Philip Kelly, 2010-07-22 Geography has always played a major role in world politics. In this study, Philip Kelly maps the geopolitics of South America, a continent where relative isolation from the power centers in North America and Eurasia and often forbidding internal terrain have given rise to a fascinating and unique geopolitical structure. Kelly uses the geographical concepts of checkerboards and shatterbelts to characterize much of South America's geopolitics and to explain why the continent has never been unified nor dominated by a single nation. This approach accounts for both historical relationships among South American countries and for such current situations as Brazil's inability to extend its authority across the continent from Atlantic to Pacific, its traditional competition with Argentina, its territorial expansion toward the continental heartlands, its encirclement by neighbors fearful of such expansion, and its recent rapprochement with Argentina. An important component of this book is the incorporation of the thinking and writing of South American geopolitical analysts, which leads to an interesting inventory of viewpoints on frontier conflicts, territorial expansion, industrial development, economic cooperation, and United States and European relations. Kelly's findings will be important.

reading for geographers political scientists and students and scholars of Latin American history *The Propaganda Warriors* Clayton David Laurie,1996 A fascinating story Essential to an understanding of America s use of propaganda Warren F Kimball author of *The Juggler Franklin Roosevelt as Wartime Statesman* Lively and revealing There is much that is new and important in this book All students of the war as well as of intelligence will benefit from it Robin W Winks author of *Cloak and Gown* A must acquisition for anyone with any interest in espionage intelligence and propaganda Dennis Showalter author of *Tannenburg Clash of Empires* *Thomas Holcomb and the Advent of the Marine Corps Defense Battalion, 1936-1941* David J. Ulbrich,2004 **The Ghost at the Feast** Robert Kagan,2024-01-16 A comprehensive sweeping history of America s rise to global superpower from the Spanish American War to World War II by the acclaimed author of *Dangerous Nation* With extraordinary range and research Robert Kagan has illuminated America s quest to reconcile its new power with its historical purpose in world order in the early twentieth century Dr Henry Kissinger At the dawn of the twentieth century the United States was one of the world s richest most populous most technologically advanced nations It was also a nation divided along numerous fault lines with conflicting aspirations and concerns pulling it in different directions And it was a nation unsure about the role it wanted to play in the world if any Americans were the beneficiaries of a global order they had no responsibility for maintaining Many preferred to avoid being drawn into what seemed an ever more competitive conflictual and militarized international environment However many also were eager to see the United States taking a share of international responsibility working with others to preserve peace and advance civilization The story of American foreign policy in the first four decades of the twentieth century is about the effort to do both to adjust the nation to its new position without sacrificing the principles developed in the past as one contemporary put it This would prove a difficult task The collapse of British naval power combined with the rise of Germany and Japan suddenly placed the United States in a pivotal position American military power helped defeat Germany in the First World War and the peace that followed was significantly shaped by a U S president But Americans recoiled from their deep involvement in world affairs and for the next two decades they sat by as fascism and tyranny spread unchecked ultimately causing the liberal world order to fall apart America s resulting intervention in the Second World War marked the beginning of a new era for the United States and for the world Brilliant and insightful *The Ghost at the Feast* shows both the perils of American withdrawal from the world and the price of international responsibility *The Rise of American Air Power* Michael S. Sherry,1987-01-01 This prizewinning book is the first in depth history of American strategic bombing Michael S Sherry explores the growing appeal of air power in America before World War II the ideas techniques personalities and organizations that guided air attacks during the war and the devastating effects of American and British conventional bombing He also traces the origins of the dangerous illusion that the bombing of cities would be so horrific that nations would not dare let it occur an illusion that has sanctioned the growth of nuclear arsenals **A Bibliography of Military Geography** Eugene J. Palka,1988 This four

volume document is designed to enhance scholarly research in the area of military geography and to serve as a reference tool. It is anticipated that this will meet the research needs of professors and students of military science geography and history along with members of the Armed Forces government officials and planners. This bibliography is organized following the accepted scheme for military geography utilizing three main categories: systematic, topical, and regional. Volume I is a complete alphabetized list. Volume II is organized systematically. Volume III is organized topically, and Volume IV collects regional sources. Construction of Certain Public Works United States. Congress. Senate. Committee on Naval Affairs, 1939

Harry H. Woodring Keith D. McFarland, 2021-10-08. The names of most of President Franklin D. Roosevelt's cabinet members are well known. Anyone familiar with FDR's administration will remember Henry Morgenthau Jr., Cordell Hull, Harold Ickes, Frances Perkins, Henry Wallace, and James Farley. One member of that circle, however, has remained a virtual unknown: Harry H. Woodring, the recalcitrant Secretary of War who was forced by Roosevelt to resign from the cabinet. It is doubtful that the story of any of Roosevelt's cabinet members is more interesting than that of Woodring. With the breakdown of world peace in the 1930s, the matter of national defense became a major concern, and the United States military establishment became increasingly important. Woodring's role in Washington during this time was a critical one; his dealings with Roosevelt were extensive, and on many key issues his influence was considerable. Why then his lack of notoriety? The simple fact is that until now almost nothing has been written of Woodring's service as Secretary of War. He was one of the few individuals closely associated with Roosevelt who did not write an autobiography, memoirs, or some other personal account of what took place during those years. Keith D. McFarland is the first scholar to have had access to Woodring's personal papers. Drawing from this new material, as well as from Woodring's official correspondence and from personal interviews with the members of Woodring's immediate family and dozens of Woodring's associates, he provides in this volume the careful study that has long been needed. McFarland first traces Woodring's early political career in Kansas. As a Democratic Governor from 1931 to 1933, Woodring worked successfully with the Republican-dominated legislature to alleviate many of the physical and economic hardships facing residents of the state during the Depression. Nevertheless, he lost his bid for re-election to Alf M. Landon. When Roosevelt won the presidency that same year, he appointed Woodring as Assistant Secretary of War. Woodring served the country well on the national level. He was influential in expanding the Army Air Corps and in making practical the Army's industrial and military mobilization plans. After the death of George Dern in 1936, Roosevelt demonstrated his confidence in Woodring by appointing him Secretary of War. The conflict between Woodring and the President arose over the sending of American military supplies and equipment to foreign nations. It was Woodring's job as Secretary of War to see that the War Department adhered to the neutrality legislation of the 1930s. Roosevelt believed that the United States should aid the enemies of Hitler even if such action did not adhere to the spirit of the neutrality legislation. Upon the outbreak of war in Europe in 1939, FDR did everything he could to supply Britain and France with American arms and munitions. Woodring was

caught between is loyalty and devotion to the President and his sincere belief that the chief executive's program would endanger the nation's security. Maintaining that it was tactically unsound to give away supplies at a time when the U.S. Army was in desperate need of such items, Woodring made concerted efforts to prevent the implementation of FDR's program. The President was forced to ask him to resign. Few American Presidents have been more respected and admired than Franklin D. Roosevelt. There has been a tendency to disregard, ignore, or ridicule those administrative officials who disagreed with his actions and objectives. In relating the viewpoint of a distinguished patriotic American who strongly opposed FDR's policies and tried to change them, this book provides a clearer understanding of politics and government in pre-World War II America.

Political and Military Sociology Neovi M. Karakatsanis, 2017-07-05 This volume encompasses a wide range of empirical research on a variety of topics that are related by their focus on the importance of attitudes, culture, and perceptions. The significance of public attitudes, the impact of cultural norms, and the perceptions of military officers and civilians are all analysed in the seven articles in this latest edition of *Political and Military Sociology*. The first essay asserts that military memoirs should be taken seriously as objects of scholarly analysis. Using the Minorities at Risk Dataset, the second article examines the effects of globalization on ethnic conflict in 106 countries from 1985 to 2002. The next focuses on Canadian attitudes toward military expenditures following the September 11th terrorist attacks. The fourth examines the attitudes of Texans toward recent US wars, the draft, and military service generally. The fifth essay explores the role of the media in promoting democracy and democratic attitudes in southern Africa. Using survey data, the following article addresses the extent to which higher education promotes more tolerant attitudes among Israeli Jews toward Israeli Arabs. The volume concludes with a study of US warrant officers that shows how the rank has evolved over time. **Military Affairs**, 1941

The United States And The Caribbean Anthony Maingot, 2018-10-08 An exploration of the interdependence between the Caribbean states and the United States. The book looks at their changing relationships throughout history. The author traces the history of these relationships from 1823 to the end of the Cold War and examines the US response to the Marxist challenge. He then turns to an investigation of different aspects of the relationship. **The Journal of the American Military Institute**, 1939

No End to Alliance Geir Lundestad, 2016-07-27 Distinguished historians and political scientists on both sides of the Atlantic as well as former German foreign minister Hans Dietrich Genscher are the contributors to *No End to Alliance*. The book focuses on some crucial issues in transatlantic relations in the past, present, and future, with emphasis on America's relations with West Germany, Britain, France, and Scandinavia. While the contributors hold somewhat different views, the emphasis is on the remarkable strength and duration of the Atlantic alliance. **Programme [and Bulletin]** Committee for National Morale, 1943

Immerse yourself in heartwarming tales of love and emotion with Explore Love with is touching creation, Experience Loveis Journey in **Ramparts We Watch A Study Of The Problem** . This emotionally charged ebook, available for download in a PDF format (*), is a celebration of love in all its forms. Download now and let the warmth of these stories envelop your heart.

Ramparts We Watch A Study Of The Problem Introduction

Ramparts We Watch A Study Of The Problem Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Ramparts We Watch A Study Of The Problem Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Ramparts We Watch A Study Of The Problem : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Ramparts We Watch A Study Of The Problem : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Ramparts We Watch A Study Of The Problem Offers a diverse range of free eBooks across various genres. Ramparts We Watch A Study Of The Problem Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Ramparts We Watch A Study Of The Problem Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Ramparts We Watch A Study Of The Problem, especially related to Ramparts We Watch A Study Of The Problem, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Ramparts We Watch A Study Of The Problem, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Ramparts We Watch A Study Of The Problem books or magazines might include. Look for these in online stores or libraries. Remember that while Ramparts We Watch A Study Of The Problem, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Ramparts We Watch A Study Of The Problem eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Ramparts We Watch A Study Of The Problem full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Ramparts We Watch A Study Of The Problem eBooks, including some popular titles.

FAQs About Ramparts We Watch A Study Of The Problem Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading

preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Ramparts We Watch A Study Of The Problem is one of the best book in our library for free trial. We provide copy of Ramparts We Watch A Study Of The Problem in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Ramparts We Watch A Study Of The Problem. Where to download Ramparts We Watch A Study Of The Problem online for free? Are you looking for Ramparts We Watch A Study Of The Problem PDF? This is definitely going to save you time and cash in something you should think about.
