Ranchers Blood:

With Blood in Their Eyes Thomas Cobb, 2012-09-13 Winner Spur Award for Best Western Long Novel Western Writers of America and Southwest Book Award Border Regional Library Association On February 10 1918 John Power woke to the sound of bells and horses hooves He was sharing a cabin near the family mine with his brother Tom and their father Jeff hired man Tom Sisson was also nearby Then gunfire erupted and so began the day when the Power brothers engaged the Graham County Sheriff s Department in the bloodiest shootout in Arizona history Now Thomas Cobb author of *Crazy Heart* and *Shavetail* has taken up the story in this powerful and meticulously researched nonfiction novel What seems at first a simple tale of crime and pursuit takes on much greater meaning and complexity as the story traces the past lives of the main characters and interconnects them all leading back to the deadly confrontation that begins the book Cobb cunningly weaves the story of the Power brothers escape with flashbacks of the boys father s life and his struggle to make a living ranching logging and mining in the West around the turn of the century Deftly drawn characters and cleverly concealed motivations work seamlessly to blend a compelling family history with a desperate story of the brothers as they attempt to escape Grappling with themes of loyalty masculinity technology and honor this sweeping saga reveals the passion and brutality of frontier life in Arizona a hundred years ago Richly authentic and beautifully written *With Blood in Their Eyes* breathes dramatic new life into this nearly forgotten episode of the American West

The Rancher Sarah M. Anderson, 2019-12-11 Mary Beth is the kind of woman who wishes she had a five second delay on her mouth The swath of verbal destruction she leaves is why she goes west to start over But any resolve to hold her tongue is lost immediately when she meets Jacob a Lakota cowboy who says next to nothing especially about the black leather mask that covers half his face Jacob s silence is his armor in a white man s world but even that isn t enough to protect him or the mute girl he guards from forces he can t control Fascinated by the masked cowboy and drawn to defend the girl Mary Beth finds herself in the middle of a decades old power struggle that only she could talk her way out of Note This book was previously published as *Masked Cowboy* in 2013 4 1 2 stars TOP PICK Ms Anderson writes with an entertaining and intelligent style I thoroughly enjoyed this smart complex and fascinating story Night Owl Reviews 4 stars The second Men of the White Sandy series combines a sizzling romance with a genuinely intriguing tale of a small town s secrets histories and sins Her scarred hero s story is absorbing but Anderson wisely examines her heroine s past with similar care making this a story of two fully realized characters who challenge and fulfill each other The mystery adds a spark to the plot driving the action and ratcheting up the tension to create a novel that fans and new readers alike will enjoy RT Book Reviews 4 1 2 stars TOP PICK This is a sexy slightly angsty tale between an emotionally and physically scarred man and a ball buster heroine It made me laugh made me swoon and made me mad any book that elicits all those emotions has got to be a reread Scorching Reviews 4 stars Grade B I recently read my first Sarah Anderson book from a different series and really liked her voice When I found out this hero was scarred and a bit tortured I

had to try it I m happy to say I enjoyed this one SmexyBooks 4 1 2 stars What can I say about Jacob Plenty Holes He is just fascinating The ending was extremely dramatic and the aftermath really sweet It got me all emotional A Pleasant Journey 4 5 Stars The story catches you from the start as Ms Anderson weaves a tale of mystery and Indian lore that surrounds the reservation I am excited to see where this story is going I love the White Sandy area and those that live there Ramblings From a Chaotic Mind 4 Stars This is a couple who don t have an easy path to love but it is a love you know will last as it is built on mutual respect and need plus a good dose of friendship I really enjoyed it I m ready for more in the series especially Nobody Book a Holic Anon 4 Stars Masked Cowboy is a perfect addition to the series I love Sarah M Anderson s style and the unique characters she creates Swept Away by Romance 4 Stars MASKED COWBOY is one exceptional book I was so impressed with Sarah M Anderson s writing talent How she crafted such a deeply emotional high impact story is very impressive Jacob and Mary Beth are characters you quickly fall in love with the secondary characters of Kip and Robin make this book outstanding reading experience Mystic Reviews 4 Stars Once again Sarah M Anderson delivers a lovely contemporary one that is both sweet and sexy fun and a little bit mysterious With Masked Cowboy she gives a twist on the usual cowboy story and I thoroughly enjoyed it The Book Queen MASKED COWBOY is one exceptional book I was so impressed with Sarah M Anderson s writing talent How she crafted such a deeply emotional high impact story is very impressive Jacob and Mary Beth are characters you quickly fall in love with the secondary characters of Kip and Robin make this book an outstanding reading experience Romance Junkies The Power of the Land Paul Robertson,2018-10-24 Power of the Land is the first in depth look at the past 120 years of struggle over the Oglala Lakota land base on Pine Ridge Indian Reservation in South Dakota Blood Ties Sigmund Brouwer,1996-07-23 When Clay Garner returns to Montana after 20 years he is burned out by too many years of police work Looking for peace and quiet his life is instead thrown into turmoil when his wife and son are kidnapped forcing him to use his FBI training to save them *Rancher* Carl Corey,2007 Rancher is a photographic tribute to the people and landscape of the American West Rancher captures the soil and soul of ranching people their culture and emotions their land This book offers an opportunity to see what ranchers do an opportunity for strangers to look beyond the theme park West of honky tonk songs and colored straw hats to the reality of worn boots stained felt headgear and of the people s tenacity Frontier Cowboys and the Great Divide Ken Mather,2013 Despite being neighbouring provinces with long ranching histories British Columbia and Alberta saw their ranching techniques develop quite differently As most ranching styles were based on one of the two dominant styles in use south of the border BC ranchers tended to adopt the California style whereas Alberta took its lead from Texas But the different practices actually go back much further Cattle cultures in southwestern Spain sub Saharan Africa and the British highlands all shaped the basis of North American ranching Digging deep into the origins of cowboy culture Ken Mather tells the stories of men and women on the ranching frontiers of British Columbia and Alberta and reveals little known details that help us understand the

beginnings of ranching in these two provinces The Alcalde ,2002-11 As the magazine of the Texas Exes The Alcalde has united alumni and friends of The University of Texas at Austin for nearly 100 years The Alcalde serves as an intellectual crossroads where UT s luminaries artists engineers executives musicians attorneys journalists lawmakers and professors among them meet bimonthly to exchange ideas Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater The magazine s unique name is Spanish for mayor or chief magistrate the nickname of the governor who signed UT into existence was The Old Alcalde **Competition and Cooperation in Social and Political Sciences** Isbandi Rukminto Adi,Rochman Achwan,2017-12-01 The book contains essays on current issues in Social and Political Sciences such as the issues of governance and social order social development and community development global challenges and inequality civil society and social movement IT based community and social transformation poverty alleviation and corporate social responsibility and gender issues Asia and the Pacific are the particular regions that the conference focuses on as they have become new centers of social and political development Therefore this book covers areas that have been traditionally known as the social and political areas such as communication studies political studies governance studies criminology sociology social welfare anthropology and international relations **The Lost Frontier** Mark Asquith,2014-06-19 Annie Proulx is one of the most provocative and stylistically innovative writers in America today She is at her best in the short story format and the best of these are to be found in her Wyoming trilogy in which she turns her eye on America s West both past and present Yet despite the vast amount of print expended reviewing her books there has been nothing published on the Wyoming Stories The Lost Frontier fills this critical void by offering a detailed examination of the key stories in the trilogy Close Range 1999 Bad Dirt 2004 Fine Just the Way it Is 2008 The chapters are arranged according to western archetypes the Pioneer Rancher Cowboy Indian and arguably the most important character of them all in Proulx s fiction Landscape The Lost Frontier offers students a clear sense of the novelist s early life and work her stylistic influences and the characteristics of her fiction and an understanding of where the Wyoming Stories and Annie Proulx s work as a whole fits into traditional and contemporary writing about the American West **American Naturalism and the Jews** Donald Pizer,2010-10-01 American Naturalism and the Jews examines the unabashed anti-Semitism of five notable American naturalist novelists otherwise known for their progressive social values Hamlin Garland Frank Norris and Theodore Dreiser all pushed for social improvements for the poor and oppressed while Edith Wharton and Willa Cather both advanced the public status of women But they all also expressed strong prejudices against the Jewish race and faith throughout their fiction essays letters and other writings producing a contradiction in American literary history that has stymied scholars and until now gone largely unexamined In this breakthrough study Donald Pizer confronts this disconcerting strain of anti-Semitism pervading American letters and culture illustrating how easily prejudice can coexist with even the most progressive ideals Pizer shows how these writers racist impulses represented more than just personal

biases but resonated with larger social and ideological movements within American culture Anti Semitic sentiment motivated such various movements as the western farmers populist revolt and the East Coast patricians revulsion against immigration both of which Pizer discusses here This antagonism toward Jews and other non Anglo Saxon ethnicities intersected not only with these authors social reform agendas but also with their literary method of representing the overpowering forces of heredity social or natural environment and savage instinct **Black Fox Magazine** ,1928 Journal of the South African Veterinary Medical Association ,1952 **Encyclopedia of Wyoming Indians** Donald Ricky,2001-01-01 There is a great deal of information on the native peoples of the United States which exists largely in national publications Since much of Native American history occurred before statehood there is a need for information on Native Americans of the region to fully understand the history and culture of the native peoples that occupied Wyoming and the surrounding areas The first section is contains an overview of early history of the state and region The second section contains an A to Z dictionary of tribal articles and biographies of noteworthy Native Americans that have contributed to the history of Wyoming Warriors Without Weapons Gordon Macgregor,2013-05-31 A fascinating and in depth look at the social and personality development of the Pine Ridge Sioux **Authoritarian Absorption** Yan Long,2024-11-08 Authoritarian Absorption unveils the transformation of China s pandemic response system from 1978 to 2018 through its battle against HIV AIDS Chinese bureaucrats facing pressure from foreign agencies especially those of the US and UK and grassroots social movements developed ways to turn epidemics into opportunities for enhancing domestic control and international stature Drawing on longitudinal ethnographic research Yan Long reveals how Western liberal interventions can simultaneously bolster public health institutions and reinforce authoritarian power a development pivotal to China s subsequent handling of COVID 19 and instrumental in advancing the rights of groups like gay men **The Return of the Rancher** Frederick Schiller Faust,2022-08-16 Frederick Schiller Faust s The Return of the Rancher is not merely a tale of the Old West but also an intricate portrayal of individual resolve and societal notions of justice and redemption Crafted with the author s quintessential narrative vigor the book delves into the trials and tribulations of a rancher reclaiming his stake in an unforgiving landscape Faust writing under one of his many pseudonyms incorporates a rhythmic yet taut prose that enthusiastically evokes the literary paradigm of early 20th century Western fiction The reader is not just witnessing a story unfold but is also invited into a meticulous exploration of character and the human condition amidst the untamed frontiers As one of the preeminent pulp writers of his time Frederick Schiller Faust better known by his pen name Max Brand was prolific in expounding the virtues and vices of his characters against the backdrop of the American frontier His profound understanding of the West was not merely a product of fascination but of the zeitgeist that shaped American culture during his productive years Faust s own experiences and the era s social currents manifest vividly in The Return of the Rancher capturing the imagination of its readers and offering a glimpse into the ethos that drove the author s creative process The

Return of the Rancher comes highly recommended for enthusiasts of classic Western novels and readers seeking to immerse themselves in the richness of early Americana literature DigiCat's republishing of this piece underscores the timeless appeal of Faust's work presenting it as an enduring testament to the genre's significance in the literary canon It's a book that not only narrates a compelling tale but also transcends to offer a deeper reflection on the human spirit's resilience
